Chapter 3446

The two demon cultivators had no time to react, and their bodies were cut in half by the sword light!

The two demon cultivators' eyes widened with shock on their faces!

Looking down at his body that had been chopped off by Lazy Yao, he finally fell down!

Even to the end of their lives, they didn't understand how David, a first-level monk in the Tribulation Realm, could kill two of their third-level Tribulation Realm monks with one sword!

This unscientific!

When the girl saw that David had killed two demon cultivators with one sword, her eyes widened with disbelief on her face!

Bai Qian walked up to David with a smile on her face, "I didn't expect that your heroic gesture of saving the beauty was quite handsome. What you just said is true?"

What did you say?" David was stunned!

"You said we are all your women, do I count?"

Bai Qian approached David and asked with flirtatious eyes!

"Let's go, it will get dark soon..."

David didn't want to answer Bai Qian!

Although he had slept with Bai Qian many times, it was just a transaction, no feelings!

They just made a deal for each other's benefit!

“Master, what should I do with this girl?”

Huo Feng asked David!

David glanced at the girl, and the girl also knew that David was the boss here, so she hurriedly ran to David, “Brother, please, don’t leave me, please...”

The girl grabbed David’s arm. , eyes full of prayer!

David didn’t say anything. He was not a kind person. He was here to hunt for treasures in this battlefield of gods and demons. One more person would be another burden!

When the girl saw that David was silent, she cried and gritted her teeth and said, “Brother, please, as long as you don’t leave me, you can do whatever you want. I can give you my body...” When

David heard this, he immediately His scalp was numb, and he was going to be tortured to death by Bai Qian during this period.

“I am not Guanyin Bodhisattva, and your body is of no use to me. But if you can bring out other treasures,, if the value is right, I can consider taking you with me. “

David said to the girl!

The girl looked at her body and looked embarrassed. “I got separated with my father. I didn’t bring any treasures with me. But if you can lead me to find my father, my father will definitely repay you. your. “

I am from the Sheng family in Fancheng. My name is Sheng Jiahui...”

“Fancheng Shengjia?” Is your father Sheng Tiantai? Bai

Qian heard this and asked quickly!

Sheng Jiahui nodded and looked at Bai Qian strangely, “I wonder how my sister knows my father?” “

“Your Sheng family is most famous for its magical talismans, and it is also famous in the entire southern region. I didn’t expect that you would also enter the battlefield of gods and demons.”

“What happened to those two demon cultivators just now? ” Why did you separate from your father? “

Bai Qian asked curiously!

“I followed my father and the great elder to this mountain range. My father said that this mountain range is covered by a huge magic circle, so we need to find the weak points of the magic circle separately. “

“I followed my brother to this place, but I didn’t want to meet a demon cultivator. I ran away with my brother, and then I met you. “

Sheng Jiahui said truthfully!

“This mountain range is indeed a magic circle. It seems that our guess is good! “

When Bai Qian heard Sheng Jiahui’s words, she counted!

“Brothers and sisters, if you send me to find my father, my father will definitely thank you very much. Please...”

Sheng Jiahui’s eyes began to shed tears again!

Bai Qian didn’t dare to He could only look at David to make the decision!

“Okay, you can follow us...”

David nodded and agreed. Seeing this, Sheng Jiahui hurriedly burst into tears and laughed!

But just when David and the others were about to leave , suddenly a middle-aged man jumped out with a sinister look on his face!

The man glanced at the corpses of the two demon cultivators on the ground, and said with fierce eyes, “You killed two of my brothers and still want to leave, no way...”

Chapter 3447

The man showed a sinister expression, and then took out a charm from his pocket!

This talisman was engraved with several fierce ghosts with teeth and claws. The moment they took out the talisman, David and the others felt a gust of sinister wind!

I saw the man murmuring words, and the spell suddenly exploded. Countless ghosts appeared instantly, and then an invisible formation pattern enveloped David and the others!

“I didn’t expect that there are such high-level talismans in the heaven and human world...”

David couldn’t help but feel a little surprised when he saw the talisman that the man took out. You must know that in the heaven and human world, you need to buy the simplest sound-transmitting jade slips, which can draw talismans. Not much!

But it is not easy for this man to come up with such a high-level spell!

At this moment, David actually thought of Hu Mazi. If Hu Mazi was here, this man’s spell would be like rubbish!

After all, Hu Mazi is a high-level spell master!

Countless ghosts were constantly spinning around David and the others, and strange auras were filling the air!

David and the others felt their eyes blurred, and their heads were also dizzy!

“This is the tribute of all ghosts, everyone, please be careful...”

Seeing this, Sheng Jiahui quickly took out a yellow talisman from her body, bit her finger and drew a strange shape on it!

The yellow spell exploded, and bursts of yellow mist filled the air. David and the others, who were still a little dazed at first, became much more awake now!

David looked at Sheng Jiahui in surprise. He didn't expect that Sheng Jiahui knew spells at such a young age!

"The Sheng family is a family that specializes in talisman spells. Even though they are not very advanced, they are one of the best in talisman spells. Many of the talismans used by monks in the entire southern region were purchased from the Sheng family."

Bai Qian followed David and explained!

At this time, Sheng Jiahui was mumbling words, and her forehead was covered with cold sweat. It was obvious that her spells were difficult to restrain the opponent!

"It turns out to be a little girl from the Sheng family. But with your little ability, you still want to defeat my ten thousand ghosts? "

The man sneered, and then pressed his palm lightly!

The countless fierce ghosts instantly sprayed out thick black mist, and the black mist enveloped David and the others, causing them to fall into boundless darkness!

Bai Qian saw this , both palms instantly shot out hurricanes, trying to blow away the black mist, but it was like a stone sinking into the sea, there was no reaction at all!

They only felt that their bodies were falling continuously, as if there was an abyss under their feet!

At this time, Sheng Jiahui panicked, Bai Qian and Huo Feng were also a little panicked!

David, on the other hand, smiled and said slowly, "Don't panic, it's just a small spell, I'll break it for you. "

After David finished speaking, he actually started carving on the ground with his feet. Soon a formation wave rippled, followed by a spiritual light rising into the sky!

This spiritual light instantly broke through the black mist, and even the countless fierce ghosts around him also appeared. They were all swallowed up by this spiritual light and disappeared without a trace!

Sheng Jiahui looked at the scene in front of her in surprise and was stunned!

She knew how powerful the spell Wangui worshiped was, but she didn't expect that David just used his feet on the ground. After just spending a few strokes, it was broken!

Even his father couldn't reach this level...

Sheng Jiahui didn't understand when such a powerful spell master appeared in the Southern Territory!

And the man saw David broke his own talisman at will, and was shocked in his heart. He turned around and ran away without hesitation! Just now, the reason why he dared to face David and others alone was because he had the talisman of Wangui Chaofeng! But

!

Now, the spell is broken, and he is left with only death!

“Still want to run?” “

David raised the corner of his mouth slightly, and the dragon-slaying sword in his hand instantly shot out a sword light!

The sword light passed through the man's body and cut the man in half. He couldn't die anymore!

Chapter 3448

“Do you know where your father and the others are? I'll take you there now!”

David asked Sheng Jiahui after killing the man!

Sheng Jiahui opened her mouth wide and looked at David in disbelief. It took her a while to react, nodded and said, "I know..."

"Let's go!"

David turned and walked forward!

Sheng Jiahui looked at David's back and chased after him!

At this moment, Bai Qian looked at David's back, standing blankly like a nymphomaniac.

She suddenly discovered that David was getting more and more handsome. Although he was only at the first level of the Tribulation Realm, he knew everything, and his true strength was probably even inferior to that of her, a seventh-level monk of the Tribulation Realm!

"Bai Qian, do you think my master is very handsome?"

Huo Feng looked at Bai Qian and asked with a faint smile!

Bai Qian nodded, "He is indeed handsome. I didn't expect this guy to know everything..."

"Hurry up, I won't be able to catch up for a while, look at your nymphomaniac look!"

Huofeng pulled Bai Qian away. The two of them chased after him!

.....

In a mountain forest a hundred miles away from David and the others!

A dozen monks are taking a rest!

One of the monks, who looked very young, was kneeling on the ground, crying!

"Dad, I was wrong. I shouldn't have run away by myself and lost my sister." "

But those damn demon cultivators kept chasing us. I originally asked my sister to run away first and wait for me in front. , but I can't find it."

The monk kneeling on the ground is none other than Sheng Jiahui's brother Sheng Jiayue.

The one holding the whip and beating Sheng Jiayue continuously was Sheng Bushi, the head of the Sheng family. At this moment, Sheng Bushi was already furious!

You must know that he loves his little daughter the most, and now he has lost it.

“Master, the first priority is to find the eldest lady. Those demon cultivators are extremely cruel. If the eldest lady is caught by them, the consequences will be disastrous!”

said an old man with gray hair!

“Great Elder, you take everyone to search, and you must find Jiahui.”

“This treasure land is protected by a formation. Even if others find it, they won't be able to get in. Don't worry.”

Sheng Bu Shi said to the great elder!

“Master, I'd better leave you with two people. You just broke through the formation and you spent a lot of money, and you were also injured. If you encounter a situation, it will be difficult to deal with it.” The

great elder said worriedly!

“No, just take everyone away and leave me alone. No matter what, we must find them!”

Sheng Bushi said with a pale face, breathing heavily!

Seeing this, the great elder could only nod his head. He was about to take people to find Sheng Jiahui when he suddenly noticed someone approaching!

“Who is it?”

The great elder jumped forward and asked vigilantly!

“Great Elder, it's me...”

Sheng Jiahui saw the Great Elder and immediately ran over happily!

“Miss, we were going to find you, but we didn’t expect you to come back!”

The elder said happily when he saw Sheng Jiahui!

“Jiahui...” When Sheng Bushi saw that his daughter was back, he rushed forward happily!

“Dad...” Sheng Jiahui hugged her father, her eye circles became red again!

“Sister...”

Sheng Jiayue stood up quickly and breathed a heavy sigh of relief!

If something happened to his sister, he knew he would be skinned!

“Kneel down, who told you to get up...”

Sheng Bushi yelled angrily, which frightened Sheng Jiayue into kneeling down again!

“Dad, don’t worry about brother. I ran in the wrong direction. Fortunately, I met a few kind people who rescued me. Otherwise, I would have been caught by the demon cultivator.”

Sheng Jiahui said with lingering fear!

Sheng Bushi looked at David and the others with a hint of vigilance in his eyes!

At this time, other members of the Sheng family had already quietly changed their positions and surrounded David and the three of them!

After all, no one knows how peaceful David and the others are!

Chapter 3449

“Fellow Taoists, thank you for saving my daughter. I wonder what you call them?”

Sheng Bushi asked David and the others!

“Master Sheng, don’t you know me?”

Bai Qian stepped forward and said with a faint smile!

Sheng Bushi looked at Bai Qian carefully, and then suddenly realized, “It turns out to be the Fox Emperor’s daughter. Thank you for saving my little daughter...” “

We entered the battlefield of gods and demons this time, and we didn’t bring anything with us. When we get out, I will definitely Thank you very much for saving your life!”

“But we have things to do now, so we can’t entertain you!”

Sheng Bushi was suggesting that Bai Qian and the others should leave!

“Master Sheng, you are so anxious to let us leave. Is there any treasure here?” Bai Qian

asked Sheng Bushi with a smile!

Sheng Bushi was stunned for a moment, then smiled faintly and said, “To tell you the truth, there is indeed a treasure here, but because it is protected by the formation, you can’t get in at all.” “Have

you seen this continuous mountain range? This entire mountain range They are all formations, and the peak in the middle should be the place for the treasure.”

“I just broke the formation. Not only did I not succeed, I was also injured, so this treasure is not so easy to get.”

The reason why Sheng Bushi He dared to tell the truth because he expected that Bai Qian and the others would not be able to break through this formation, even if they knew there was a treasure, it would be useless!

“Dad, this Mr. Chen is also a very powerful spell master, and the magic circle is also very powerful.” “

He easily broke the demon cultivator’s ten thousand ghost worshippers...”

Sheng Jiahui hurriedly faced Sheng Bu Shi said!

“What? He defeated Wangui Chaofeng?”

Sheng Bushi frowned for a moment and looked at David suspiciously, obviously not believing it!

“Miss, please stop joking. Do you know that in the entire Southern Territory, no one can surpass the head of the family in terms of spells or formations.” “

That Wangui Chaofeng is a very powerful spell of the Demon Clan. Even the head of the family may not be able to break it easily, how could he, a young man! “

The great elder said slowly!

“It’s true. I saw it with my own eyes. Can it be false? “

Seeing that the great elder refused to admit it, Sheng Jiahui was a little anxious!

“Jiahui, no matter whether he is a spell master or not, we can’t go together, but we will definitely repay the kindness of saving you when we get out of the battlefield of gods and demons. “

After Sheng Bushi finished speaking, he looked at David and said, “Fellow Taoist, please...”

Sheng Bushi was about to ask David and the others away!

When Sheng Jiahui heard this, although she was dissatisfied, she didn’t There is no way around it!

I could only look at David with a very ashamed look!

“This battlefield of gods and demons belongs to everyone, and there is no geographical distinction, so if we want to rest here, it should be none of your Sheng family’s business, right?”

“Besides, there are only three of us. Are you afraid that we will snatch the treasure?” “

David said with a playful

look! Sheng Bushi frowned, but thinking that Sheng Jiahui had just been rescued, Sheng Bushi could only suppress the anger in his heart!

“Since you want to stay here, then stay here. Let me tell you, this huge formation is not a mortal thing. If you enter it by mistake, you will not die but will be seriously injured. Sheng

Bushi followed David and reminded him!

“Thank you, Master Sheng, for reminding me. We were just taking a look...”

After David finished speaking, he took Bai Qian and Huofeng to the side and followed the Sheng family several miles away. Far away!

“Dad, you...”

Sheng Jiahui looked at her father with dissatisfaction!

“Okay, stop talking, there are everyone in the heaven and human world now, you can't tell who is a good guy and who is a bad guy ! Sheng

Bushi reprimanded Sheng Jiahui, then looked at the Great Elder and said, “Great Elder, you go test it again. We must find the eye of this formation and break it directly.” “
