Chapter 3468

Zou Qi, who was outside the main hall, suddenly became extremely excited when he saw the Xuan Lei Tribulation that day!

“The Mahayana realm, the gang leader has broken through to the Mahayana realm...”

Zou Qi’s body was trembling!

You must know that there is a gang leader in the Mahayana realm. Regardless of their power or status, their Tianming Gang will definitely rise in this world of heaven and humans!

Several other members of the Tianming Gang are also full of excitement!

At this time, David was already a little confused. He was holding the dragon-slaying sword, guarding the spirit beast egg, and slashed out with the Nine Shadow Sword Technique!

Thousands of sword energy turned into a golden dragon and headed directly towards Tianxuan Thunder Tribulation! The

Tianxuan Thunder Tribulation collided with the golden dragon, and the terrifying aura spread around!

Zou Qi and others who were guarding outside were directly knocked away by this aura, flying several miles before stopping!

The entire mountain peak was trembling slightly, and Sheng Bushi and the others halfway up the mountain all looked solemn!

“It’s going to be bad. Isn’t this the guy named Qi Peijia who broke through to the Mahayana realm?”

Huofeng said worriedly!

Because only Qi Peijia has the highest strength, it is not impossible for an eighth-level monk in the Tribulation Realm to break through to the Mahayana Realm in one leap if he gets some opportunity or a magical elixir!

After hearing what Huofeng said, everyone's faces became even more ugly!

If Qi Peijia really breaks through to the Mahayana realm, then these people are like lambs waiting to be slaughtered, and they will have nowhere to run!

In front of the Mahayana realm, those in the Tribulation realm are like ants!

"If Qi Peijia breaks through to the Mahayana realm, wouldn't Mr. Chen be in danger?"

Sheng Jiahui said!

"I want to find the master..." Huo Feng began to feel uneasy and wanted to go to the top of the mountain to find David!

"Huo Feng, don't be impulsive. We don't know what the situation is yet. If you go up hastily, you might cause trouble to David. Let's wait here to see what happens."

Bai Qian grabbed Huo Feng!

Huo Feng clenched his hands tightly, his heart beating rapidly. "Master, you must be fine, otherwise I will go with you..."

Everyone looked up at the top of the mountain, and there was a strange silence between heaven and earth. , there are no more flashes of thunder and lightning in the Thunder Tribulation Cloud!

Not even a hint of wind!

It's like the whole world has stopped!

David glanced at the spirit beast egg that was about to break out of its shell, and cursed in his heart, "If you hatch a little monster for me, I will burn you to death..."

David was now spending almost all his spiritual power to help the spirit beast. Eggs resist thunder tribulation. If the hatched spiritual beast dissatisfies David, David will be angry to death!

Rumble...

Under Duan Zai's silence, a thick Tianxuan Thunder Tribulation crashed down!

David raised his eyebrows, jumped up, and went straight towards the Xuan Lei Tribulation that day!

David is going to use his abnormal body to resist the Tianxuan Thunder Tribulation!

Zou Qi and others looked at David who suddenly rushed into the air, their eyes widened in shock!

They had never seen a monk take the initiative to face the thunder calamity.

“What a terrifying thunder disaster...”

At this time, Qi Peijia's voice actually sounded from behind Zou Qi and others!

When Zou Qi heard this, he quickly looked back. When he saw Qi Peijia, he was stunned for an instant!

“Gang... Gang Leader, you... why are you here?”

Zou Qi asked in disbelief!

Qi Peijia frowned and said, “Why can't I be here? Those monsters just now turned out to be illusions, and they were almost trapped inside.” “

How did you get out?”

Qi Peijia's words made Zou Qi and others blush. Confused.

“Gang leader, didn't we break the illusion formation together? And you are still in the hall to overcome the tribulation. Now aren't you resisting the thunder tribulation?”

Zou Qifeng asked in confusion!

## Chapter 3469

“Overcoming the tribulation?” Qi Peijia was also stunned. Then he looked at David in mid-air and understood instantly, “You have been fooled. I am the one who overcame the tribulation. Are you blind?”

Qi Peijia said, Zou The seventh class of people are looking into the air!

I found that David had changed his appearance at this time, with golden armor covering his whole body, and a terrifying aura spreading around!

The whole person is like a god of war, his eyes are wide open, a golden dragon appears behind him, and he keeps making dragon roars!

The golden dragon roared and rushed towards the Heavenly Mysterious Thunder Tribulation, opened its bloody mouth, and actually swallowed the Heavenly Mysterious Thunder Tribulation directly!

David’s eyes flashed, and the original stars in his body kept flashing. The thunder and lightning origin stars emitted a dazzling light, and the thunder and lightning origin was also surging crazily!

A huge suction force began to absorb the original aura in the Xuan Lei Tribulation that day!

Seeing all this, Zou Qi was dumbfounded. He didn’t expect that Qi Peijia just turned out to be David!

It’s all his fault. He was attacked by a monster at that time. He was so frightened that he didn’t notice it!

And Qi Peijia looked confused when he looked at David in mid-air!

“How is it possible? He is just a first-level monk in the Tribulation Realm. How could he trigger the Tianxuan Thunder Tribulation? This is impossible...” “

What is going on? Who is this guy?”

Qi Peijia was a little confused!

Ever since he had an unexpected encounter in the Demon Swallowing Cave, he has always thought that he was the most talented person on the Demonic Mountain!

But now seeing David, Qi Peijia became deeply suspicious!

The Tianxuan Thunder Tribulation was refined and absorbed by David, and the thunder tribulation clouds in the sky were slowly dissipating!

As the thunder cloud dissipated, a colorful ray of light shot directly into the sky from the hall!

The colorful brilliance shines on David's body, making David's golden armor even more dazzling!

David looked down and saw that the colorful brilliance was emanating from the spirit beast egg.!

To be precise, it is no longer a spirit beast egg, but a little guy only the size of a palm!

The little guy is shaped like a lion, with something like antlers on his head, and his whole body is furry!

David slowly fell from the air. After taking a long breath, he stared at the little guy in front of him!

“Little Qilin Beast, not bad...”

David looked over carefully and then laughed!

David reached out and touched the little Qilin beast, but as soon as he touched it, the little guy bit his finger, and blood flowed out!

“Damn, I'm your master, and you actually bite me?”

David quickly retracted his hand and glared at the little unicorn!

The little Qilin beast licked the blood flowing out of David, and then let out a roar!

With such a small body, the roar resounded throughout the entire mountain. The terrifying aura almost made David fall to the ground!

And the little Qilin Beast began to emit golden light, and a familiar aura rushed towards David!

“Isn’t this my breath?”

David was stunned for a moment, and then he suddenly realized that the little Qilin beast that bit him just now was trying to swallow his blood to recognize its master, so that the little Qilin beast would have David’s breath!

“I’m sorry, I wrongly blamed you, but your small body can’t be used as a mount.” “

For you, I almost exhausted my body, and now I don’t even have the strength to walk.”

David held the little Qilin beast in his hand and said helplessly!

The little Qilin Beast actually stuck out its tongue at David, turned around and ran back to the storage ring!

When David saw this, he could only smile helplessly and didn’t care about it. He couldn’t let a palm-sized unicorn carry him!

Just keep it for now and it will grow up over time!

By the time I have a spiritual beast mount, I’m afraid I’ll have to fight in the world of heaven and humans!

Chapter 3470

Just when David was thinking beautifully, a dangerous breath came!

Qi Peijia was outside the main hall and witnessed David resisting the mysterious thunder tribulation that day. He also heard the roar of a beast from inside the main hall, which made Qi Peijia suspicious, so he wanted to use his spiritual sense to explore the situation!

David immediately felt that this was Qi Peijia’s aura, and his whole body became nervous!

When he is weak now, even though he has absorbed the origin of thunder and lightning in the Tianxuan Thunder Tribulation, relying on the power of the origin, there is no way he can fight with Qi Peijia!

Just when David was at a loss, he suddenly discovered the copper tripod that had absorbed all the fairy liquid!

Originally there was fairy liquid in the bronze cauldron, but now it has been absorbed by the spirit beast eggs, but the bronze cauldron is still there!

The copper cauldron that can store immortal liquid must be a treasure! Chen

Ping planned to enter the bronze cauldron himself so that Qi Peijia's consciousness could not detect him!

When David returned, the reason why Qi Peijia didn't rush in directly was probably because he was shocked by the thunderstorm just now and the roar of the Qilin beast just now!

Qi Peijia didn't know the situation in the hall, so he didn't dare to rush in rashly.

Now as long as David hides himself so that Qi Peijia cannot detect him, then Qi Peijia will not know the true situation in the hall and will not dare to enter!

First, scare Qi Peijia, David is thinking of a way to escape!

David's body jumped into the bronze cauldron. The remaining immortal energy in the bronze cauldron enveloped David, and a white light actually emanated from the bronze cauldron!

David looked along the white light and found that there were words engraved around the bronze tripod!

David stretched out his hand and touched the four walls of the bronze cauldron. In an instant, holy fairy lights radiated around the bronze cauldron, and the entire hall was enveloped in fairy lights!

Coupled with the fairy mist surrounding the main hall, the main hall at this moment seems to be the Lingxiao Palace in the fairy world!

Qi Peijia and Zou Qi were dumbfounded!

Immortal light comes from the bronze tripod  
When the light came out, David's whole body was immersed in the fairy light, and the surrounding area turned into a vast white area. There was no shadow of the bronze tripod anywhere!

Just when David was at a loss and didn't know where he was in the depths, a heat wave swept towards him!

After the heat wave, an old man with flames burning all over his body slowly appeared!

Under the flames all over the old man's body was a bright red Taoist robe, which was so red that it was a bit dazzling!

"Who are you?"

David instantly became more vigilant!

The old man did not speak, but looked David up and down. After a long time, he smiled slightly and said, "I didn't expect that the one who would be inherited by me in the end would be the Dragon Clan, the most noble Golden Dragon Clan."

"Well, since I The inheritance remains here, and no matter who discovers it first, he should get it..."

After saying that, the old man waved lightly, and the flames on his body suddenly turned into the shapes of various beasts, and they continued to change.

David looked at the old man acting like a juggler and asked impatiently, "Who are you? Is playing with fire your inheritance?"

"If it is playing with fire, I will also..."

After David finished speaking, fire The origin stars flashed, and a ball of supreme fire beat in the palm of David's hand!

"Eh..."

Looking at the flames in David's hand, the old man seemed a little surprised. "The Demon Clan's Ultimate Fire? You actually still have the Demon Clan's Ultimate Fire in your body. It seems I need to check it out..."

The old man moved directly towards David waved his hand, and a ball of flame surrounded David!

And the fire in David's hand, like a mouse seeing a cat, began to weaken, and finally went out in David's hand!

“What are you going to do?”

David was shocked!

He found that no matter what method he tried, he could not get rid of the flames surrounding his body.

The old man didn't speak, but after a moment, the flame gradually extinguished!
