Chapter 3481

“You dare to talk to me like this, you are dead...”

After David finished speaking, he took a step back!

And Bai Qian behind him instantly burst out with the aura of the seventh level of the Tribulation Realm!

This aura was like the weight of a mountain, and it directly suppressed the old man in gray to the ground!

When the other monks felt the aura of the seventh-level Tribulation Realm on Bai Qian’s body, their expressions changed greatly and they all stepped back!

“You dare to talk to my little brother like this, I think you are tired of living...”

Bai Qian looked down Looking at the old man in gray, he said with disdain!

The old man in gray clothes was full of fear, and he quickly begged for mercy, “Spare my life, spare your life, I was wrong, I was wrong...”

Seeing that the old man admitted his mistake, With a gentle wave of Bai Qian’s palm, the old man in gray flew several miles away in an instant!

When the other monks saw this, they turned around and ran away!

These people bully the weak and fear the strong.

And Sheng Bushi, who was in the magic circle, looked excited, “It’s Mr. Chen, it’s Mr. Chen and the others...”

The rest of the Sheng family People are also very happy!

The formation was quickly opened, the white mist dissipated, and everyone in the Sheng family walked out of the formation!

“Mr. Chen, thank you so much for saving us again...”

Sheng Bushi said gratefully!

“You’re welcome, Master Sheng. It seems that there will definitely be more chaos in the battlefield of gods and demons in the last few days. I’d better accompany Master Sheng out.”

David said!

“Mr. Chen, aren’t you staying here for a few days?”

Sheng Bushi asked in confusion!

“I won’t wait any longer. I guess the battlefield of gods and demons has been searched over a long time ago. It will be difficult to find the treasures.”

David shook his head!

“It would be great to have Mr. Chen leave with us!”

Sheng Bushi was so happy!

Now that David and the others are following, Sheng Bushi is not afraid that anyone will miss them anymore!

But just as Sheng Bushi finished speaking, a terrifying breath suddenly came from far away, and the entire sky seemed to become dark all of a sudden!

This made everyone nervous!

“It’s broken, Qi Peijia is here...”

David frowned!

Feeling the terrifying aura, the faces of the Sheng family also changed drastically!

“If you dare to lie to me, I will make your death ugly...”

Qi Peijia’s voice came slowly!

As soon as he finished speaking, Qi Peijia's figure appeared in front of everyone!

Looking at Qi Peijia, David looked extremely ugly!

He didn't expect this guy to catch up so quickly, and it didn't seem to have any impact!

My own Golden Silkworm Gu Poison King Insect could not kill Qi Peijia!

Now that everyone from the Sheng family is around him, David can't escape even if he wants to!

If he was alone, he could still find a way to escape, but with so many people around him now, not only could he not be of much help, but he would also have to worry about their safety!

"I will fight with Qi Peijia later. No one will care about me. I will take the Sheng family members away immediately. The sooner the better..."

David warned Huofeng and Bai Qian!

"How can you deal with this guy by yourself? Although I am not your opponent, I can always help you."

Bai Qian said!

Bai Qian is at the seventh level of Tribulation Realm, so he can still follow Qi Peijia through two moves!

"Don't worry, as long as you can escape, I can also escape, otherwise no one can escape."

David said anxiously!

When Bai Qian saw David like that, he could only nod his head. Maybe there was no concern, David could indeed escape!

"None of you can escape..."

Qi Peijia knew that David wanted everyone to escape, so he took a step forward, and suddenly a long black sword appeared. Stab towards David!

“Escape...”

David shouted, and countless golden lights erupted from his body. The indestructible golden body instantly wrapped David tightly. !

Moreover, under David’s feet, two flames actually rose. At the same time, David’s body disappeared directly, and Qi Peijia’s long sword pierced David’s afterimage!

“Space magic, I didn’t expect you to hide very quickly.”

Qi Peijia was slightly startled and said!

Chapter 3482

David was also surprised. Looking at where he was standing, the distance was just ten meters away.

David frowned slightly. He had accidentally used the fire-bending step just now. Although he had not completely mastered it, he had just taken a step back and was already more than ten meters away!

After discovering that the fire-bending step was so useful, David regretted it a little. If he had not made the Fire Star Lord angry at that time, perhaps his fire-bending step could now appear several miles away in one step. !

In that case, there is no need to be so afraid of Qi Peijia, but it is useless to regret it. There is no regret medicine in the world!

David can only study it slowly by himself in the future!

At this time, Bai Qian and Huo Feng led everyone in the Sheng family to escape quickly. As the Sheng family fled, they kept setting up formations to hinder Qi Peijia’s pursuit!

But Qi Peijia didn’t even look at it, but stared at David!

Then the full demonic energy in Qi Peijia’s body emitted from his body and instantly condensed into a tiger, charging towards David!

Seeing this, David wanted to use the Fire Step to dodge again, but this time he failed and was directly hit by the condensed tiger!

David's body flew backwards like an arrow from the string in an instant!

Then he kept hitting the trees behind him, making a deep hole in the ground!

“Master.....”

Huo Feng was knocked away when he saw David, and his eyes turned scarlet!

“Huofeng, don't be impulsive, walk quickly...”

Bai Qian grabbed Huofeng and ran away quickly!

Looking at David who was knocked down by him in one blow, Qi Peijia had a sneer on his face. As for Huofeng and the others who escaped, Qi Peijia didn't even look at them!

He wants to kill David, and then chase these people. With Tian Ming's eyes, he is not afraid that these people can escape!

David slowly climbed out of the pit!

Although the blow just now was very powerful, David had an indestructible golden body to protect him. Coupled with his strong physical body, Qi Peijia wanted to kill David with one blow. Reality!

Seeing that David was not dead, Qi Peijia took another step forward and headed straight for David!

David looked back at Huofeng and the others who were escaping, but this time he did not choose to dodge, but instead punched out with all his strength!

“Holy Light Fist...”

When David swung out his fist, golden light suddenly appeared, and the sky that was dark just now was instantly illuminated brightly. Incomparable!

“Huh, what a little trick...”

Qi Peijia snorted coldly, and his body was instantly covered with black magic armor!

The holy light fist hit the body and exploded directly, turning into countless golden lights and scattering like fireworks!

After the blow, David retreated quickly!

At this time, Huofeng and the others had already fled far away, and David was about to flee too. It was impossible to stay and fight with Qi Peijia!

“I said, you can’t escape...”

Qi Peijia’s body was filled with black mist, and then countless black mist turned into iron chains, like tentacles Usually go straight to David!

When David saw this, he could only take out his Dragon-Slaying Sword and slash towards the black mist!

A sword slashed out, directly cutting off an iron chain turned into black mist, but several more iron chains began to wrap around David’s body!

When David saw this situation, he knew that he couldn’t stop Qi Peijia without using the God King’s Bow!

Just when those black fog iron chains were about to reach David, David took out the God King Bow!

With a casual pull, the God King’s bow was fully drawn!

Countless densely packed light arrows appeared on the bow. These light arrows were crystal clear, like ice sculptures!

Between heaven and earth, countless light points gathered towards the bow of God King David!

Strange phenomena appeared in the surrounding sky, and the void began to twist.

The terrifying aura of the God King’s Bow continues to spread to all directions!

Whoa...

As soon as David let go, countless light arrows shot out. Those black iron chains touched the arrows shot by the God King’s bow. After the arrow feathers, it instantly turned into nothingness and disappeared without a trace!
