Chapter 3483

Looking at the countless light arrows shot by David, Qi Peijia's expression suddenly changed. He upgraded his black magic armor to a high level, and dangerous auras continued to approach him!

“Tian Ming Eye...”

Qi Peijia roared, and an eye instantly appeared on his forehead. The surrounding sky became gray, and countless energy poured into Qi Peijia's body. Gather!

Under this gray void, the arrows of light seemed to be slowing down, as if they were being stopped by something!

Above the sky, dark clouds gathered, and the entire sky became darker and darker!

The whole world seems to be slowly stopping, only David's God King Bow is shining!

Countless black energy condensed in front of Qi Peijia, and the light arrow penetrated the barrier and hit Qi Peijia!

Qi Peijia's body kept retreating, his face full of ferocity!

The light arrow slowly disappeared, Qi Peijia stabilized his figure, he was trying his best to control himself!

But a mouthful of blood surged up and he spit it out suddenly!

Qi Peijia was a little surprised. He was an eighth-level monk in the Tribulation Realm, but he was injured by David, a first-level monk in the Tribulation Realm. It was outrageous!

Qi Peijia knew that the Divine King Bow in David's hands definitely played a huge role!

However, if you have a good magic weapon and don't have enough strength, you can't hurt yourself across so many realms!

David looked at Qi Peijia who was vomiting blood, and his expression was extremely ugly!

This Qi Peijia's Tianming Eye is indeed powerful. At this moment, David is pulling the God King's Bow, and it is already difficult to condense the light arrows!

The whole world seemed to be shrouded in black mist by Qi Peijia!

"Boy, I admit that you are very strong. If I give you a period of time, you think you will become a serious problem for me."

"I won't do it today. Let you have the slightest chance of survival, not at all..."

Qi Peijia wiped the blood from the corner of his mouth, and the three eyes on his forehead actually shone with light!

Along with the flash of light, a terrifying aura is condensing!

soon, a beam of light suddenly fell from the sky and headed towards David!

This beam of light came very suddenly, as if it appeared above David out of thin air!

David had no time to dodge, so he could only shout loudly, and the indestructible golden body on his body exploded with maximum power!

Even David's skin began to glow golden, as if it had been coated with a layer of gold powder!

Boom...

The beam of light came down with a bang!

The whole earth trembled, and a deep pit of tens of meters was directly smashed into the ground!

David was hit, and his indestructible golden body shattered instantly!

Pieces of golden scales fell down and turned into nothingness!

David was lying in the pit, without a drop of blood on his face!

Qi Peijia's blow was too powerful!

At the eighth level of the Tribulation Realm, coupled with the power of the Tianming Eye, David, even with the God King's Bow and an indestructible golden body, still couldn't resist!

There is no way, the gap is really too big!

And this Qi Jia, who is at the eighth level of the Tribulation Realm, is much stronger than the others!

This guy obviously got a chance, maybe he got the true biography of the big devil, so he is so powerful!

David was lying in the pit, looking at the dark sky, his whole person seemed to be in a sluggish state!

At this moment, David seemed to feel powerless!

He cannot bridge this gap in realm!

"Mr. Chen, you have to cheer up, you have to cheer up..."

Zhe Yan shouted loudly in David's sea of consciousness.

He can't let David be intimidated, otherwise David will definitely lose. If David dies, Zhe Yan will also disappear!

But at this time, David's eyes were dull and he had no fighting spirit!

The God King took out his bow, but still couldn't do anything to Qi Peijia. David had no other means!

Qi Peijia slowly walked to the edge of the pit and looked at David lying at the bottom of the pit, with a bit of disdain on his face!

Chapter 3484

“You are too young to fight with me...”

Qi Peijia looked at the God King Gong beside David, his eyes full of greed, and he aimed a palm at David. Shoot it!

If David dies, then all the treasures on David's body will be his!

Qi Peijia's palm was very casual, because with David's current situation, he could send David to see the King of Hell with just one palm!

But just when Qi Peijia slapped his palm, David suddenly flashed with light!

Then a deafening roar resounded throughout the entire battlefield of gods and demons!

This loud roar directly shattered Qi Peijia's palm. The unprepared Qi Peijia was blown away by the huge sound wave!

The Sky-Swallowing Beast stood on David and actually stepped forward and licked David's face!

The palm-sized sky-swallowing beast exploded with such power with its roar just now!

David felt the breath of the sky-swallowing beast, his eyes gradually gained color, and he slowly climbed up from the bottom of the pit!

Seeing David get up, the Sky-Swallowing Beast seemed very happy. After turning David's shoulders twice, it jumped up and shot into the air like a meteor.

Then the Sky-Swallowing Beast opened its mouth, and half of the endless black mist was sucked in by the Sky-Swallowing Beast!

Qi Peijia looked at the palm-sized sky-swallowing beast in mid-air, with confusion and doubt in his eyes!

He didn't know what kind of monster it was. It was so small in size and could emit such a terrifying aura. It could also swallow the black mist emitted by his own eyes!

David was shocked when he looked at the sky-swallowing beast. He thought this little guy was too small and couldn't do anything. He didn't expect that such a small guy could be so powerful!

After the Sky-Swallowing Beast swallowed half of the black mist in one gulp, it fell from the air. David reached out to catch it and found that the Sky-Swallowing Beast's belly was bulging!

And the little guy kept burping, and it seemed that he was a little overstretched!

Looking at the little swallowing beast That cute look, David found that he liked it more and more!

Just when David wanted the sky-swallowing beast to help him fight with Qi Peijia, the sky-swallowing beast unexpectedly flashed and ran into David's storage ring, calling. Huda fell asleep!

When David saw this, he was speechless for a while. This little guy must have been evil just now and ran out to eat!

Now this sky-swallowing beast can not only swallow the immortal energy, but also the black mist of the demon clan. This surprised David. In this case, David would not have to go out of his way to The sky-swallowing beast is looking for immortal energy!

At this time, Qi Peijia looked at David in shock. He didn't understand how David could have such a powerful monster and be so small!

Because Qi Peijia didn't know what this monster was, he didn't dare to attack rashly!

David didn't have the help of the Sky-Swallowing Beast, and he didn't dare to take action rashly, so the two of them faced off!

Just when the two people were confronting each other, hundreds of miles away from them, the Lion King frowned and said excitedly, "God King Bow, the aura of God King Bow has appeared again... .."

After saying that, the Lion King quickly ran towards where David and Qi Peijia were!

The Monkey King, Thousand-faced Demon King, and Leopard King followed closely behind. For them, the God King's Bow was considered a top-notch magic weapon. Who wouldn't want to get it.

At the same time, after Huofeng and Bai Qian took away several members of the Sheng family, they found that David had not chased him for a long time, and they also felt the terrifying aura erupted by Qi Peijia. In order to comfort David, two people decided to return!

For a moment, Lion King and others headed towards the place where David and Qi Peijia were fighting. Huofeng and Bai Qian were also rushing there!

"Boy, it seems that I still underestimated you. You have more treasures than I thought."

Qi Peijia finally spoke, and then casually Catch it!

The remaining black mist in the sky was all captured by Qi Peijia and turned into a sword!

Qi Peijia took advantage of the situation and slashed towards David, and a bright sword light appeared!

Chapter 3485

"Die..."

A cold light flashed across Qi Peijia's eyes, and the sword light suddenly struck out!

This sword light was more than ten feet long, and wherever the sword energy passed, the space instantly collapsed.

David looked at this sword energy, his expression was extremely ugly!

At this moment, his indestructible golden body has been shattered and his body has been injured. He may not be able to withstand this sword!

If the sky-swallowing beast could come out and help, David might still be able to resist!

But the sky-swallowing beast was sound asleep and seemed not to care about David's life or death!

David had no choice but to pull the God King's Bow again. Because there was no obstruction of the black mist, when the God King's Bow was pulled, countless light points instantly came from all directions, and then condensed into streaks of light. arrow!

But before David could shoot those light arrows, he noticed that four terrifying auras came from behind him in an instant!

Immediately afterwards, four auras collided with Qi Peijia's sword aura instantly!

Boom...

After a loud noise, the color of the sky and the earth changed instantly, and the trees for hundreds of miles around were reduced to ashes!

Qi Peijia frowned and took three steps back.

Four figures came closer from far away and landed next to David. They were the four Lion Kings!

Qi Peijia's face looked so ugly when he saw Lion King and the others appeared!

However, after the four Lion Kings jointly blocked Qi Peijia's blow, they did not take action. They did not even look at Qi Peijia, but stared at the God King Bow in David's hand!

At this moment, the God King's bow in David's hand has been pulled, and the light arrow is ready to go!

The four people looked at it in shock, their jaws almost dropped!

They never expected that the Divine King's Bow would be in David's hands. What was even more unexpected was that David could actually pull the Divine King's Bow!

You must know that David is just a first-level monk in the Tribulation Realm, but he can actually pull the God King's Bow!

This is too outrageous...

Feeling the gazes of the four people, David Feeling a little panicked, he slowly released the God King's bow, and the light arrow slowly disappeared!

The greed in the eyes of these four people made David know that the four guys were not here to save him, but were interested in the God King Bow in his hand!

"I finally know why the Fox Queen has been protecting him. She must have known that this guy had the God King Bow in his hand, so she did that."

The Lion King spoke!

"The Fox Princess went too far. She didn't even tell us. It seems she wants to take it all for herself?"

The Leopard Emperor was also a little angry!

Qi Peijia saw that the four people took a fancy to the God King Bow in David's hand, and he felt a little relieved, as long as these four people were not here to save David!

Although these four people only have the strength of the seventh level of the Tribulation Realm, Qi Peijia cannot bear it if four people join forces.

What's more, there is David here. If they really join forces to deal with him, he won't be able to handle it!

"Four seniors, I have some grudge against this boy. I just want his life. As for the treasures on his body, I won't take away any of them. What do you think of the four seniors?"

Qi Peijia asked politely to the four Lion Kings!

None of the four people spoke, they all stared at David!

Finally, the Lion King said, "Boy, give me the God King's Bow. I can protect your safety and prevent others from killing you..."

The Lion King did not agree to Qi Peijia, but instead followed David to start a business using the God King Bow!

However, before David could speak, the Monkey King on the side was dissatisfied and said, "Lion King, what do you mean? Why did I give you the God King's Bow?" "And can you protect his safety yourself? You are only at the seventh level of the Tribulation Realm, and the guy who killed him is at the eighth level of the Tribulation Realm. Who can save him except us joining forces?" The Monkey King's words made the Lion King feel embarrassed. If others didn't help, of course he wouldn't be able to stop Qi Peijia from killing David! However, the Lion King only wants the Divine King's Bow. As for protecting David, he just said it casually, and he will not do it!
