Chapter 3511

The Lion King also roared, his aura erupting, ready to take action at any time!

At this moment, the two sides immediately became tense and were about to take action!

“Lion King, don’t be impulsive!”

The Thousand Faced Demon King still has sense. He knows that they will definitely suffer in a fight, and maybe all four of them will die here! So

he stopped the Lion King from impulsively taking action!

“Sect Master Luo, if you have something to say, let’s talk to you. We will just go with you...”

Thousand-faced Demon King said quickly!

Seeing this, Sect Master Luo said to Hai Dafu, “Sect Master Hai, since they are willing to follow us, don’t do anything...”

Hai Dafu snorted coldly and took back his breath!

Although the Lion King was dissatisfied, there was nothing he could do. After all, he really couldn’t defeat the people of the five major sects!

“Thousand-faced Demon King, let’s go...”

Sect Leader Luo said!

The four Thousand Faced Demon Kings could only follow Sect Leader Luo and the others to the five major sects!

The five major sects are in a depression south of Tianmo Mountain. To get to the five major sects from Tianmo Mountain, you have to pass through Fancheng of the Sheng family!

Originally, the area of the five major sects was a deserted land!

Later, five major sects established sects here, and the place became prosperous!

The five major sects are located in the direction of the Five Elements and Bagua. They are not far apart and take care of each other!

And in the middle of the five major sects, there is a tall building made of stones!

This is the central hub of the five major sects, and the five major sect masters usually hold meetings here!

The Thousand-faced Demon King and others were taken into the high-rise building, and then they were watched eagerly by the sect leaders of the five major sects!

“Sect Master Luo, now that we have been brought to the land of your five major sects, shouldn’t it be time to tell us why we were brought here?”

Thousand-faced Demon King asked Sect Leader Luo displeasedly!

But before Sect Master Luo spoke, Hai Dafu said, “What are you pretending to be? Why are you pretending?” You brought me here, don’t you know it in your heart? Don’t you know in your heart what you did on the battlefield of gods and demons? “

Hai Dafu’s words made the Thousand-faced Demon King and others feel puzzled. They didn’t know what they meant!

“Sect Master Hai, what did we do on the battlefield of gods and demons? “

The Thousand-faced Demon King asked in confusion!

“Fake it, just pretend it. I’ll see how long you can keep it up. “

Hai Dafu snorted coldly!

“Hai Dafu, if you have anything to say, just say it. If you can’t, just kill us. You are outnumbered and we admit defeat. “

But if you can't tell the reason, you just detain us and humiliate us. Believe it or not, we try our best to launch a wave of beasts, but we will die together with your five major sects..."

The Lion King stared and said loudly!

Seeing the unconvinced look of the Lion King, Hai Dafu was about to speak, but was stopped by Sect Master Luo, and then said, "Thousand-faced Demon King, do you know the five outstanding men of our five major sects?"

I know you. The five outstanding disciples are the most potential disciples selected by your five major sects. How could you not know them?"

Thousand-faced Demon King said!

"Okay, since we know each other, it's easy to say that five of us heroes entered the battlefield of gods and demons and died in it."

Sect Leader Luo said!

"What does dying inside have to do with us? Do you suspect that we killed the five outstanding men?"

The Thousand-faced Demon King frowned and said!

"It's either you who killed me because of suspicion. You helped David kill our five outstanding men."

"Then David alone cannot be the opponent of the Five Heroes, so a few of you guys from the Three Sovereigns and Four Kings helped to kill our Five Heroes. Hai

Dafu said angrily!

"Hai Dafu, you are slanderous. What evidence do you have that we helped David kill your five outstanding men?"

The Lion King retorted!

This matter is not trivial and must be clarified. The Lion King also knows the status of the five outstanding men among the five major sects!

Chapter 3512

“Am I slandering others?” Hai Dafu’s face was full of anger. He took out the storage bag of the five outstanding men and threw it in front of the Lion King. “This is the storage bag of our five outstanding men.

It fell out from David. What about David?” Realm, it is impossible for him to kill our five outstanding men.” “If it weren’t for a few of you Three Sovereigns and Four Kings to help David kill our five outstanding men, who would it be?” “And among you,

who would it be?

The Fox Princess has been following David, how dare you say that you didn’t help her?”

Looking at the storage bag on the ground, the Lion King looked at the Thousand-Faced Demon King at a loss!

The Lion King is well aware of the strength of the five outstanding men. Although those five people cannot compare with them, they are definitely the best among the younger generation!

It is absolutely impossible for David himself to kill the five outstanding men!

But they did not help David kill anyone!

Seeing Lion King’s expression, Hai Dafu was even more convinced that it was Lion King and several others who did it!

“Hmph, you dare to take responsibility. Are you orcs all shy and afraid to admit it?”

Hai Dafu snorted coldly!

“Master Hai, we really didn’t help David kill the five heroes. You only saw this storage bag falling out of David. Can you see us helping him kill people?” “

You guys ? It’s all just speculation, there’s no evidence at all!”

The Thousand-Faced Demon King argued!

Hai Dafu wanted to speak, but Sect Leader Luo said, “Okay since you want evidence, we will arrest David and make him confess on the spot. However, during this period, you must abide and cannot leave here!” “

Why don’t you let us leave?”

The Lion King roared!

“With my fists, if you can defeat me, I can let you go...”

Sect Leader Luo clenched his fists and said!

When the Lion King saw this, he could only suppress his anger and didn’t dare to say anything!

Seeing that the Lion King was silent, Sect Leader Luo waved his hand and said, “Lock them up...”

.....

“Ahead is the Spiritual Beast Valley, we will be there soon...”

Bai Qian glanced at the surrounding terrain and said!

David and the others had spent a lot of spiritual energy on their way. David regretted a little, so he might as well take Ji Yun’s flying boat!

Now David only hopes to successfully obtain the Rhinoceros Beast!

Soon, David and the others arrived at the Spirit Beast Valley. When David looked at the mountain peak not far from the Spirit Beast Valley, he was stunned!

David felt that this mountain peak was very familiar as if he had seen it somewhere before!

“It’s here, it turns out it’s here...”

David suddenly screamed!

This is the mountain peak where he got the God King’s Bow. At that time, David didn’t know that this was the world of heaven and man!

I didn’t expect that this place belonged to the territory of Tianmo Mountain!

At that time, the evil demon appeared and made David return to the secular world!

It seems that the Yin Demon is in the Heavenly Demon Mountain. Maybe the Wind Demon and the Blood Demon are also in the Heavenly Demon Mountain!

After all, this Heavenly Demon Mountain is considered a paradise for the demons in the world of gods and humans!

You won't be hunted here!

“David, have you been to this Spirit Beast Valley?”

Bai Qian heard David's scream and asked curiously!

David didn't speak. He didn't know what to explain to Bai Qian!

But Bai Qian quickly reacted and said, “Oh, I remembered, you must have been here because the mountain peak not far away is where the God King's Bow is stored. If you get the God King's Bow, you must have been there. The peak, I almost forgot...”

“Below the peak is the Valley of the Dead, and in front of the Valley of the Dead is the Valley of the Spiritual Beasts!” “

You look at the environment of the Valley of the Spirits, but it is different from the Valley of the Dead. ...”

David saw a huge valley surrounded by green trees and flowers, with small streams winding through it!

And in the valley, big birds were flying in groups, and there were all kinds of wild beasts running around!

Chapter 3513

And there are many buildings in the valley, and all kinds of monsters are peaceful!

Who would have thought that such a beautiful place would turn into a Valley of the Dead and be completely silent as it goes deeper!

“This Spirit Beast Valley is pretty good. I didn’t expect that rough guy like the Lion King to be able to manage such a good place!”

Huo Feng couldn’t help but admire when he saw the Spirit Beast Valley!

“It is precisely because this lion king has a rough temper that he can manage this beast tribe well.”

Bai Qian said with a smile!

After hearing Bai Qian’s words, David knew what she meant!

Every ethnic group has its own undercurrents. As the saying goes, kindness does not control soldiers, but justice does not control wealth. People like Bai Qian and the others, who are three emperors and four kings, must have their own set of management methods!

“Who are you?”

Just as David and the others were slowly falling, several figures suddenly appeared and asked with serious faces!

“Who is in charge of your Spirit Beast Valley now? Is that old boy from Lion King here?” Huofeng asked several people!

The fire phoenix at this moment has the aura of a powerful person. After all, the lion king will nod and bow when he sees the fire phoenix. He was always bullied by the fire phoenix in the past!

Now the Lion King and these little subordinates, Huo Feng naturally has the aura of a superior!

However, Huo Feng is now in the Fusion Realm, and these Spirit Beast Valley guards don’t know Huo Feng!

When several people saw that the fire and phoenix were in a small fusion state, and they kept calling their lion king “old boy”, they immediately became unhappy!

“Where did the little girl dare to call us, the Lion King, like that? She is seeking death...”

As they said that, several people actually wanted to attack Huofeng!

This made Huo Feng angry!

When Bai Qian saw this, he immediately frowned and said, “Stop, you guys who don’t know how to live or die...”

Bai Qian’s aura of the seventh level of Tribulation was slightly revealed, which directly made the guards’ faces...His face was pale and he knelt on one knee!

The eyes of several guards were full of panic and they were a little at a loss!

“I am the Fox Princess. Are you the Lion King here? Who is in charge of the Spirit Beast Valley now? Let him get out...”

Bai Qian said coldly!

“Lord Fox Emperor, I’m sorry, it’s all our fault that we are too blind to recognize Mount Tai...” “

Our Lord Lion King is not here. The elders are now in charge of the Spirit Beast Valley. We will report it right away...”

Several guards were scared to death. After all, Bai Qian is one of the Three Sovereigns and Four Kings, and the Lion King following them is the same. These little guards can’t be offended!

Several guards rushed to report it. After waiting for a while, several figures came quickly and soon arrived in front of David and the others!

“Lord Fox Emperor, I didn’t know you were here, so I didn’t welcome you from afar. I apologize...”

An old man in the lead said to Bai Qian respectfully!

The people behind the old man also hurriedly saluted Bai Qian. Although Bai Qian was not their direct leader, Bai Qian’s status in the orc tribe did not allow these people to dare to neglect him at all!

“You are the sect elder, do you manage this Spirit Beast Valley now?”

Bai Qian asked!

“Exactly, I wonder what the Lord Fox Emperor has ordered?”

asked the elder Zong!

“It’s not a big deal. Since the Lion King is not here, let me tell you. I need one of your telekinesis beasts now. Go and get one for me!”

Bai Qian said straightforwardly!

After hearing Bai Qian’s words, the sect elder’s expression changed obviously, and he looked very embarrassed!

“What? I want you a telekinesis beast, but you are not willing to give it to me? I don’t have any face at all?”

Bai Qian was a little angry!

Seeing Bai Qian getting angry, the elder sect hurriedly explained, “Don’t get me wrong, Mr. Fox Emperor. It’s not that we are unwilling to give, but that we also have something to hide, and the Lion King is not here, so I can’t make the decision...”

Chapter 3514

“What the hell is there to hide? I just don’t want to give it. Even if the Lion King is here and I ask him for a telekinesis beast, he wouldn’t dare to refuse!”

Bai Qian roared angrily!

“Lord Fox Emperor, we really have no choice. It’s not that we don’t want to give it to you...”

the sect elder said with anxiety on his face!

Bai Qian was about to continue scolding, but David said, “Elder Zong, is there something unspeakable in your Spirit Beast Valley? If it’s convenient, you can

tell us that the Lion King is not here. If we can help, we will definitely help.”
“Yes.”

The elder Zong glanced at David, but because he didn't know who David was, he didn't say anything!

Bai Qian pointed at David and said, “This is Mr. Chen. You lion kings will bow their heads when they see this person. This is the son of the dragon...”

Bai Qian introduced, while David also quietly said Exuding bursts of dragon energy!

Feeling the dragon energy in David's body, Elder Zong and others were obviously stunned, and then they became very respectful and said, “Mr. Chen, we have indeed encountered difficulties in the Spirit Beast Valley. You should go inside instead of standing here! “

After knowing that David was the son of the dragon, the sect elders respectfully welcomed David and the others into the Spirit Beast Valley!

“It seems that your identity as the Son of the Dragon is quite useful. For such a long time, you didn't ask me to come in and sit with you despite my identity...”

Bai Qian followed David with some dissatisfaction!

David smiled faintly, “I will fuse with you when I have time, so that your bloodline will become noble...”

Bai Qian smiled, “It's really time to increase the number of times in the future. If you can't find a place, go and fuse now...”

Chen Pingyi Listen, he waved his hands repeatedly, “I'm just kidding, don't make trouble...”

David hurriedly moved away from Bai Qian!

Huo Feng walked up to Bai Qian with a smile and said, “Fox Princess, it's almost time. You have to squeeze the master dry. The master hasn't been with me during this time...”

“Huo Feng, you are jealous... Ha.” Ha ha.....”

Bai Qian burst out laughing!

The sect elder pushed back the others, and he took David and the three of them through the layers of buildings in the Spirit Beast Valley and headed towards the depths of the Spirit Beast Valley!

As David and the others went deeper, the scenery around Spirit Beast Valley began to become a little desolate!

Waves of evil spirits began to emerge.

“Elder Zong, are you taking us to the Valley of the Dead? We are here to find the Spirit Rhinoceros. Why are you taking us to the Valley of the Dead?”

Bai Qian realized something was wrong, so she asked the elder!

“Lord Fox Emperor, I am taking you to find the rhinoceros beast...”

the sect elder replied calmly!

As David and the others went deeper and deeper, the surroundings became a little dark!

Soon, the surrounding flowers and plants completely disappeared. In the valley in front of David and the others, there was a layer of white. These were all skeletons!

However, on top of these white skeletons, there were many animal carcasses lying, which looked like they had just died!

When Bai Qian saw this situation, he couldn't help but be stunned!

“Lord Fox Emperor, the rhinoceros beasts you are looking for are here. For some unknown reason, these docile rhinoceros beasts poured into the Valley of the Dead a few days ago like crazy, and then died inexplicably...”

Zong The elder said helplessly!

At this moment, Bai Qian didn't know what to say. The sect elder just now seemed to have something to hide, and he didn't mean to be naughty!

David frowned and looked at the scene in front of him, his eyes full of doubts!

It's so good, why do these telekinesis beasts suddenly go to the Valley of the Dead and commit suicide?

"The Lion King went to the battlefield of gods and demons and has not come back yet. I don't know what to do about this matter..."

Seeing that Bai Qian and the others were silent, the sect elder continued!

"Is there not even a single spirit beast in your Spirit Beast Valley?"

Huofeng asked.
