

The Ex-Husband's Revenge By Dragonsky

Chapter 1936

Chapter 1936

"Snow, are you alright? Did Gordon hurt you at all?' Leon asked in concern.

After that, Iris and Leon hurriedly checked on Snow, worried that she was hurt.

"I'm fine! Snow shook her head. The hope she lost earlier started to return to her!

"As long as you're fine!"

Leon and Iris breathed a sigh of relief when they saw that Snow seemed to not have been hurt.

After that, Leon hit a few of Snow's pressure points, unsealing her power.

At the same time, Gordon already started to climb up from the ground.

"Leon? How is this possible?!"

Gordon looked like he was struck by lightning when he saw that Leon and Iris were there!

He made sure everyone was a complete secret when he took Snow away. Furthermore, Seth and he split up to capture Iris and Snow!

Yet, he never would have dreamed that Leon already managed to save Iris from Seth's clutches, and even managed to find his private villa so easily!

That was just unbelievable.

He could not understand how Leon pulled it off!

"Gordon, you despicable man. How dare you work with Seth to capture Iris and Snow?! It's time for us to settle the score!" Leon said coldly as he walked toward Gordon.

"W-what are you doing? Don't come closer!' Gordon had a look of horror on his face as he quickly retreated, arriving next to the door.

Earlier, Darius kicked the door right open when he arrived.

With Leon already there, Gordon realized that the situation was dire. He did not dare to remain behind as he started to turn around and frantically tried to escape!

"You're trying to run? Will you be able to?!" Leon scoffed.

He punched out and a wave of immense power charged right at Gordon.

"No!" Gordon was horrified.

He knew how strong Leon was. Leon was far stronger than him.

He did not dare to take the attack head-on. So, he hurriedly retreated as he tried to avoid Leon's attack.

Yet, he was just too much weaker than Leon. Leon's attack felt like it followed him wherever he went, and he was not able to avoid it!

"I-I'm going to fight you then!"

Gordon clenched his teeth at that moment, striking forward and trying to take Leon's attack!

Bang!

With an intense clash, the spiritual energy around Leon's strike broke through Gordon's defenses. The remaining power strike Gordon on the hand and chest!

Crack!

There was the clear sound of bone cracking. Gordon's arm was broken by Leon's attack!

Right after that, his body was sent flying. He was struck several meters away by Leon before he slammed into the ground heavily!

After he landed, there was intense pain in his arm and chest. He could not help but spit out a few mouthfuls of blood before he collapsed on the floor!

After that, Leon walked forward, planning on settling the score with Gordon!

Right at that moment, Snow's voice was suddenly heard behind Leon.
