

The Ex-Husband's Revenge By Dragonsky

Chapter 1949

Chapter 1949

"Snow, this isn't your fault. You don't have to be so sad! It's not like Mister Hughes is done for anyway! Don't worry, I'll do my best to save him and prove our innocence! I'm here. No matter what happens, I won't let Gordon get away with his tricks!" Leon consoled.

Even though the matter got worse because Snow did not kill Gordon, he did not blame Snow for it!

After all, Gordon was Snow's ex-boyfriend. Furthermore, Snow was not a ruthless woman. Her not being able to kill Gordon was not unusual.

He would rather Snow be kinder than have Snow become a ruthless woman!

"Leon, thank you."

Snow felt a warmth in her heart.

Not only was Leon not blaming her, he was even standing in front of her and shielding her from everything!

It touched her a lot.

At that moment, she suddenly felt like Gordon was nothing compared to Leon!

She did not know why she was so blind back then. She did not know how she ended up liking someone as vile as Gordon and even suffered romantic trauma for several years because of it!

Gordon was just not worth it!

With that in mind, any of the good impressions she still had of Gordon completely disappeared!

From that moment on, she already opened up her mind. She stepped completely out of the shadows of the past!

Right at that moment, they heard the sound of some cars. Yuri caught up.

Right after that, the door opened, and Yuri walked over with his men.

"Ahem!"

Yuri coughed a bit when he saw that Snow's face was against Leon's shoulder. He had a strange look on her face.

However, Snow was Leon's sister in the end, and Iris was right there. He did not feel like they were doing anything wrong with the intimacy.

"Ah-

Snow cried out in shock, finally realizing that she was very close to Leon at that moment. So, she quickly left Leon's embrace and took a few steps back. Her face was completely red.

"Mister Wolf, what's going on right now?" Yuri asked curiously, not understanding why Snow suddenly sobbed just now.

"Oh, it's like this!"

Leon explained the situation briefly.

"What? You can still save Darius?"

Yuri was shocked to hear that. He could not believe his ears.

He thought that Darius was already dead, but Leon claimed to be able to save Darius!

It exceeded his expectations!

At the same time, he finally understood why Leon insisted on taking Darius away from Dawn before he left. So Leon was planning on curing Darius!

"Yes, that's right. Mister Hughes still has a chance! However, the Scammells don't have any five-hundred-year Ganodermas with them, so I'm not very confident I can't save him," Leon said regretfully.

"Five hundred-year Ganoderma? We have one at home, it's even eight hundred years old," Yuri said in a hurry.

"What? Do the Thompsons have one? Are you serious?" Leon was ecstatic to hear that. He even started to wonder if he was mistaken.
