Chapter 1962

Chapter 1962

"You!"

Sebastian looked uncertain, and his expression darkened.

He thought that Angus would only have the Sixth-Uncle on his side, so he thought victory was firmly in his hands!

Yet, he never would have dreamed that Angus brought two more Almighty State experts!

Since there were very few Almighty State martial artists in the Southern region, whether it was the Hiltons or the Thompsons, Almighty State experts were rarely mobilized!

He could not understand why Angus was so prepared to have brought three!

It was as if they specifically prepared for the Hiltons!

Did Angus have some ability of foresight?

Of course, he did not know Angus rushed over to the Scammells to stop the Hughes from doing something to Leon!

This was not because Angus had some ability of foresight. The Hilton was just incredibly unlucky!

"Sebastian, Almighty State martial artists are practically unbeatable in the Southern region! Right now, we have a three-to-two advantage. You don't have the right to go against us!" Angus sneered.

Even though Sebastian still had a lot of other experts from the Hiltons and the Golans other than the two elders, and looked like they had the number advantage, the Thompsons had one more expert at the Almighty State. It was enough to make up for the number's disadvantage!

In the end, when it came to overall power, the Thompsons were at an absolute advantage!

"Angus, what do you want?" Sebastian said with a dark look on his face.

"Sebastian, since the both of us are ancient martial arts families from the Southern region, I'll give you and the Golans a chance. As long as you sincerely apologize to Mister Wolf for this conflict, we won't pursue the matter! Otherwise, you'll suffer the consequences!" Angus said coldly with his hands behind his back.

It was not a good fight to take anyway!

Even though the Thompsons were at an advantage at this moment, the Hiltons and the Golans were not going to be easy to deal with. They were not that much weaker!

If the two sides did start to fight, even if the Thompsons would be able to win in the end, they would have to sacrifice a lot to do so!

It would do the Thompsons no good at all.

In the end, as long as the Hiltons and the Golans were willing to lower their heads and apologize to Leon, the matter would be settled there!

"Impossible!" Sebastian rejected it without any hesitation.

A few days ago, Sebastian was forced to apologize to the Elegante Group on behalf of the Hiltons Group out of desperation.

It harmed the Hiltons' reputation quite a bit!

If he was forced to apologize to Leon in public again, the Hiltons might end up becoming a laughing stock if word got out!

That was something he could not accept!

"Impossible? Then let's see who will come out on top!" Angus said coldly.

After that, he waved, and all the experts from the Thompsons started to fan out to surround Sebastian, Eliam, and the others.

The atmosphere between the two sides was incredibly tense. A battle was about to start!
