

The Ex-Husband's Revenge By Dragonsky

Chapter 2031

Chapter 2031

The next moment, something happened right as Poisonwielder was about to ingest the motherwort to undo the poison!

A few needles shot out with a cold glint on them, shooting at his wrist with astounding speed!

"Who is that?"

Poisonwielder was shocked.

He pulled his hand back and tried to avoid the attack.

However, he was already too weakened by the poison. He was already struggling to stay alive, so his skills and speed were all incredibly weakened!

In the end, he was only barely able to avoid two of the needles. Two of the other needles hit him right on the wrist, drawing blood!

Poisonwielder hissed as he immediately let go of the motherwort, and the motherwort fell to the ground.

"Poisonwielder, looks like the poison is getting to you!"

At that moment, a cold laugh was heard. Leon walked in majestically with his mask on!

Earlier, he was alerted by the sound of Poisonwielder breaking the table after he snuck in, so he quietly made his way over.

When he saw that Poisonwielder was trying to ingest the motherwort, he quickly guessed that Poisonwielder was probably trying to use it as a cure!

So, he did not bother hiding himself anymore as he shot out his needles to stop it!

He was worried that Poisonwielder already managed to alleviate the Deadly Veratrum Poison. If that happened, the situation would be a lot more difficult!

Yet, at that moment, Poisonwielder failed to avoid his attack even though he was only at the peak of Overlord State!

There was only one possibility, which was that the poison weakened him too much. He was already so weakened that he was not even strong enough to stand at the Emperor State!

Did that not mean Leon had nothing to worry about?!

"Brat, it's you! How did you find this place?!"

Poisonwielder was shocked at Leon's sudden appearance. He could not believe his eyes!

This was his hideout. It was an incredibly well-hidden place. He was very careful when he fled earlier as well. He repeatedly made sure that no one was following him!

Yet, Leon somehow managed to find him so easily!

It caught him completely off guard!

The shock on his face was incredibly evident!

"You want to know how I found you? Why don't you ask the god of hell after you die?!" Leon sneered.

"You-"

"Don't be so arrogant! Since you're here, I'll make sure you die!" Poisonwielder was furious.

He already hated Leon to the bone, and wanted to kill Leon!

With Leon being alone, he did not even think about it as he summoned up all his might and rushed at Leon!

"You're the one who will die!" Leon said coldly.

He shot forward and advanced, punching forward with immense power right at Poisonwielder's attack!

If it was before, he would not have dared to face Poisonwielder head because Poisonwielder was at the Almighty State!

Yet, he could tell that Poisonwielder was heavily poisoned. The man was barely at the Emperor State!

It meant that he was not that much weaker!

So, he forgot about using the Potential Energy Forces against Poisonwielder, and planned on trying to fight the man first. He did not want to waste such a valuable trump card if he did not have to!

Bang!

After a violent clash, Poisonwielder's true energy broke past Leon's attack, and the attack continued for Leon!

Leon did not panic at all as he twisted around, using the Mirror of Sovereign to take on the rest of the attack!

Boom!

At the same time, he used Double Attack. A wave of true energy at the advanced Supreme Master level surged out from his fist, charging right for Poisonwielder!
