

The Ex-Husband's Revenge By Dragonsky

Chapter 2181

Chapter 2181

"I see!" Leon and Henry both gasped in realization when they understood Chandler's refusal to join them.

Leon's tight expression began to relax when he discovered that Chandler had good reason to do so.

"Don't worry, Elder Quinn. He's just the Scarlet Thief, and he's no match for me! I've already told you that if he dares to show his face, I'll do everything in my power to defeat him and avenge you and Elder Yates!" Leon declared, smiling.

"Um," Chandler and Henry exchanged dubious glances. They were both aware of how powerful the Scarlet Thief was, and neither of them agreed that Leon would fare well during combat against him!

Yet this young man was declaring over and over to them that he would do everything in his power to help them bring down the Scarlet Thief!

Neither of them could understand where Leon got the confidence to make such a daring claim!

"What an arrogant young man!" All of a sudden, a bloodcurdling cackle rang out from behind them.

With that, a black car sped toward them at breakneck speed as though it appeared out of nowhere and screeched to a halt.

The car door swung open, and an elderly man in his midsixties, wearing a black eyepatch and a scowl, stepped out of the car. Even the air seemed to turn cold around him as he gazed at them with malice.

"It's you, Scarlet Thief!" The color drained from Henry and Chandler's faces when they saw who it was.

This was none other than the fourth-ranking man on the Criminal List-the infamous Scarlet Thief!

Ever since the Southern Boss found out about Henry's arrival, he notified the Scarlet Thief immediately and sent his men to keep an eye on Leon and Henry.

Therefore, he found out about Leon and Henry's visit to Chandler's house, and so the Scarlet Thief managed to track them down with this news!

"What a nice surprise! I never thought you'd be here too, Chandler! It seems luck must be on my side!" the Scarlet Thief cackled, a glimmer of malice flashing through his cold, penetrating eye.

He followed Henry all the way here after hearing of his whereabouts from the Southern Boss, but he never once imagined that it would lead him to not only Henry but Chandler's hiding place!

This was certainly a pleasant surprise!

Since Henry and Chandler ganged up against him in the past, leading to him losing his eye, he was longing to take revenge on them for a long time now!

Now that both of them were gathered here together, things could not be more perfect!

He could defeat them both at the same time and avenge his loss!

"We didn't think you'd deliver yourself straight to our door, Scarlet Thief! Well, if that's the way things are going to be carried out, so be it!" Henry and Chandler both sneered.

Although neither of them knew how the Scarlet Thief managed to trace them here, they were mortal enemies and would never pass up the chance to avenge their loved ones' deaths!

The hatred in their eyes was so evident, it was as though they wanted nothing more than to skin the Scarlet Thief alive right that instant!
