

## **An Understated Dominance by Marina Vittori Chapter 2034**

Although she is also a martial arts master, she is still weaker than Kong Pei, the leader of Flying Sect.

If that person can defeat Kong Pei, then he will not be easily offended by Yuanyangmen.

“Master, I think we can win over that young grandmaster. If I can use him for my benefit, not only will I get a lot of help, but I can also get help from the woman named Margret. Get the treasure back!” Lily Zhang lowered her voice.

“Yes, if a young master like this can join the Yuanyang Sect, it will be of great benefit to us without any harm.” Waylon Mochou nodded in agreement, and then asked: “Qingqing, do you already have a clever plan?”

“I dare not tell you the clever plan, but you can try it. As long as you catch his heart, you won’t be able to conquer him.” Lily Zhang said meaningfully smiled.

She was rejected by Dustin before because she felt that the other party could not save face due to the large number of people.

So, she planned to try it again in private.

She is very confident in her charm. As long as she uses some means, I believe no man can resist it.

“Okay! Then I’ll leave this matter to you. It’ll be best if it works. If not, we’ll find another way.” Waylon Mochou affirmed.

My disciple is very outstanding in figure and appearance. If I use a beauty trap, the success rate is very high.

“Lily, I’m a little curious. What is the treasure you just mentioned in that woman’s hand?” Granny Feng asked abruptly.

“It’s a spirit bead!”

Lily Zhang said mysteriously: "This spirit bead is warmed by a large amount of spiritual fluid. It can The spiritual energy that is continuously produced is hundreds of times more valuable than the spiritual liquid in our hands!"

"Lingzhu?!"

As soon as these words came out, Everyone's expressions changed, and their breathing became rapid.

Spiritual liquid is already extremely precious, and higher-level spiritual beads are simply priceless treasures.

If the Yuanyang Sect can be brought back, a large number of martial arts masters will be born within the sect within less than ten years.

Even a few elders can take this opportunity to break through the realm of Grandmaster and soar directly into the sky, making the Yuanyang Sect the strongest sect in the southwest!

"Qingqing, is your news true?" Waylon Mochou asked in a deep voice.

"I saw it with my own eyes, and it's absolutely true. The woman contributed the most, but in the end she didn't want anything but the spirit bead, which shows how extraordinary she is." Lily Zhang nodded seriously.

"How many people know about the Lingzhu?" Waylon Mochou asked again.

"Many people have seen it, but not many can recognize its origin." Lily Zhang explained.

"Okay! Don't take this matter seriously now. You try your best to win over the young master. Regardless of whether it works or not, the follow-up matters will be handled by the master!" Waylon Mochou whispered. road.

"Yes!" Lily Zhang responded.

"Don't be stunned, hurry up and get ready, there should be a big battle tonight." Waylon Mochou squinted her eyes, a fierce light flashing in her eyes.

At this moment, she has already begun to think of killing people and stealing goods.

Although spiritual liquid is good, it will eventually be used up one day, but spiritual beads are different. They can continuously produce spiritual energy for warriors to practice.

It's simply an inexhaustible cornucopia!

Such a treasure is enough for her to risk the whole family to fight for it!
