

An Understated Dominance by Marina Vittori Chapter 2031

“Humph! What’s so great? Pretending to be noble!”

Looking at Dustin retreating back, Leo Alexander couldn’t help but complain in a low voice.

No man would say no to such a beautiful beauty who takes the initiative to throw herself into his arms.

In his opinion, Dustin is just a pretentious hypocrite.

It’s one thing on the surface, but another thing behind the scenes.

Of course, he was unhappy because of the difference in strength, so he did not dare to be too arrogant.

After murmuring a few words, he left with several members of the Black Scorpion Team.

During this trip to the Death Desert, his team suffered heavy losses, but fortunately they got a lot of treasures.

As long as you resell it, you will be rich for a lifetime.

“Senior Sister Zhang, it seems that you are showing the wrong feelings. Senior Brother Dustin doesn’t take you seriously at all.” A disciple of the Golden Blade Sect said sarcastically.

Lily Zhang is beautiful, but her character is too bad and her thoughts are vicious.

If you get mixed up with this kind of woman, you don’t even know when you will be sold.

“Huh!”

Lily Zhang’s smile disappeared, and her pretty face became cold.

Her beauty trap has always been successful, but she was repeatedly frustrated by Dustin.

This made her angry, but also a little unwilling.

She didn't believe that she couldn't win over a man.

“Junior Sister Zhang, from what I have seen, Brother Dustin should have his heart set on something, and with his talent and strength, he doesn't even pay attention to the Stone Dragon Sect, let alone our sects. Yes.” Kevin Snow reminded kindly.

As early as five years ago, he fell in love with Lily Zhang at first sight. He has never forgotten it since then. He even shamelessly begged his master to go to Yuanyangmen to propose marriage. In the end, he paid a lot of money to achieve this Marriage.

Seeing Lily Zhang's attitude towards Dustin, he felt a little uncomfortable, but he didn't intend to force it.

Because Dustin is so good, it is understandable that Lily Zhang likes him, but the gap between the two is too big.

A proud man like Dustin cannot be reached by a small mandarin duck.

“Qingqing!”

At this time, a shout sounded from behind several people.

Looking back, they saw a group of women wearing Yuanyangmen costumes walking over in a hurry.

The leader was a middle-aged woman with a beautiful face and luxurious clothes.

She has an aura of a strong woman all over her body, which makes people dare not look directly at her.

Behind her were two imposing old ladies and a group of women, big and small.

These are all masters of the Yuanyang Sect.

And the middle-aged woman in the lead is none other than the master of the Yuanyang Sect, Waylon Mochou!

Although Waylon Mochou is not one of the strongest martial arts masters in the southwest, she has reached the level of a master and is quite famous in the world.

“Master? You are finally here!”

Lily Zhang took a closer look, couldn't help but look happy, and hurriedly came forward to greet her.

“Since I received your distress message, I immediately brought people over. Unfortunately, I have been unable to contact you and can only wait in the desert village.

How about you, are you okay? ?” Waylon Mochou looked up and down, looking a little worried.

Lily Zhang is her personal disciple and the future successor of the Yuanyang Sect. She has focused on training her since she was a child. She has taught her everything she can, so she is naturally particularly concerned.

“Thank you for your concern, Master. This disciple is fine. There is no signal in the Death Desert. In addition, we encountered many things during the period, so I didn't have time to inform you. Please forgive me, Master.” Lily Zhang explained.

“It doesn't matter, as long as you are fine.”

Waylon Mochou smiled and then asked: “Oh, by the way, your junior sisters What? Why didn't you see any of them?”

“Junior sisters and the others... have been killed!” Lily Zhang was about to cry.
