An Understated Dominance by Marina Vittori Chapter 2045

Reid Gang held the golden sword on his shoulder and said with great momentum: "Boy, it's really rare for you to have such cultivation at such a young age. We can't bear to kill the genius, so we plan to give you a chance, as long as you are willing Surrender and hand over the treasure, and we will let you leave safely!"

"Hmph! That's nice to say, but if I really hand over the treasure, I'm afraid I will be killed and silenced by you!" Dustin said coldly.

These so-called decent people from well-known families will do anything for the sake of profit.

Now that the treasure has not been obtained, the other party is still worried. Once it is actually handed over, he will immediately turn his back on him.

How can he be a person who keeps his word if he can commit murder and swindle goods?

"You have no choice now. You have to agree to our request. Otherwise, not only will you die, but everyone in this hotel will also die!" Caroline Thorne shouted sternly.

"From what you say, do you think you're going to kill me today?" Dustin raised his eyebrows slightly.

"Otherwise? Why do you think I've been nagging you for so long? Isn't it just to make the medicine work better? The longer it takes, the better it is for us, and you will only become weaker and weaker." Caroline said triumphantly.

Although Dustin was hit by Knockout Blow Powder just now, his strength will not dissipate instantly. If he is too anxious to attack, he may be counterattacked by the opponent before his death.

It's different now. The delay is enough for the medicine to take full effect.

The boy in front of her has become a piece of meat on her chopping board.

“Since you are so confident, why not give it a try?”

Dustin slowly raised his sword, pointing the tip of the sword directly at Caroline’s frown.

“Hmph! Pretend to be a ghost! I don’t believe you can make big waves!”

Caroline Thorne stepped forward suddenly, her whole body instantly turned into an afterimage, and she took the lead in attacking.

He turned his hands, and two arc-shaped mandarin duck knives immediately shot out, slashing toward Dustin’s neck like a hidden weapon.

Anyone with a keen eye will notice that there are two special steel wires hanging on the handles of the two Twisted Sisters knives.

“Headmaster Caroline! I’m here to help you!”

As soon as Caroline Thorne moved, Reid Gang was not far behind. He suddenly jumped up, holding up the steel knife in his hand, and slashed with force, and slashed at Dustin’s head.

The two of them moved in tandem, making deadly moves, and the timing of their attacks was so tacitly coordinated that it was difficult to look at the beginning and the end.

“Don’t overestimate your capabilities!”

Dustin flicked his wrist, and the Sky Sword swept away instantly.

“Whoosh!”

A half-moon-shaped black sword light shot out instantly.

The black sword light swelled when it encountered the wind, and spread to nearly ten meters in length in the blink of an eye. Like a huge death sickle, it enveloped Caroline Thorne and Reid Gang at the same time.

“Qiang! Qiang!”

Caroline Thorne's Twisted Sisters Knife bore the brunt of the attack and was strangled into pieces by the sword light, as easily as cutting tofu with a knife.

"What?!"

Caroline Thorne's expression changed, and she had no time to think. The huge sense of crisis made her body twist in the air.

While she was making dodge movements, the terrifying black sword light had already passed by her body.

Although there was no direct contact, the cold air on the sword still made her feel like she had fallen into an ice cellar, and she had goosebumps all over her body.

She was certain that if she hadn't dodged in time, she would have been cut into pieces!

"Fuck!"

Although Caroline Thorne escaped, Reid Gang was in extremely dangerous danger.

Because he really didn't expect that the sword light swung by Dustin, who was hit by Powder, would be so sharp and terrifying, as if it could destroy the world.

When he raised his sword to chop, his body was still in mid-air and he couldn't dodge at all. He could only switch from offense to defense, protecting the golden sword in front of him, and at the same time activating the gang energy throughout his body to build a thick protective shield. .

"Bang!"

There was an explosion.

The sword light struck the golden sword fiercely, and the huge force directly bent the golden sword into a bow.

There are even the slightest cracks on the blade that has been tempered for thousands of times.

At the same time, the energy contained in the sword light exploded, passing directly through the golden sword and hitting Reid Gang's chest heavily.

“Ah~!”

Reid Gang screamed, and was ejected ten meters away on the spot. A mouthful of blood spurted out high, spraying a mist of blood in the air.

Shocked everyone.
