An Understated Dominance by Marina Vittori Chapter 2049

“What? You don’t even listen to what I say?!” Caroline Thorne’s face darkened.

“Master, are you sure...that man is really poisoned?” A Twisted Sisters Sect expert asked tentatively.

“Nonsense! When did I deceive you? Hurry up and do it! If it drags on any longer, his strength will be restored soon!” Caroline Thorne urged.

The medicinal effect of Knockout Blow Powder cannot last long for a powerful martial arts master.

Dustin tried to get through by knocking on the mountain and shaking the tiger, but she would definitely not give him this chance.

“Let’s fight!”

The two Twisted Sisters masters looked at each other and rushed towards Dustin with a bit of determination.

Caroline Thorne held the Twisted Sisters knife and stood still, waiting for the opportunity.

Whenever Dustin was even the slightest bit weak or tired, she would immediately rush forward and deliver a fatal blow!

“Die!”

Two Twisted Sisters masters, one on the left and one on the right, drew their swords at the same time and attacked Dustin’s upper and lower three roads at extremely fast speeds.

Dustin had no expression on his face and simply swung his sword forward.

“Whoosh!”

A half-moon-shaped black sword light shot out again, slashing at the two Twisted Sisters Sect masters with lightning speed.

This sword was so fast that even though the two Twisted Sisters masters were on guard, they couldn't react at all.

They felt a flash of black light in front of their eyes, and the sword light had already passed through their neck, making no sound.

Weird and deadly.

The bodies of the two Twisted Sisters masters suddenly stiffened as they sprinted, then their bodies separated and their heads fell to the ground.

Those two pairs of wide eyes were staring directly in Caroline Thorne's direction, as if they had untold grievances.
