

Good Day and Hello readers,

Firstly, I would like to thank your support in generating the traffic through my website, over December 2020 till January 2021, I finally made \$5 USD through your contributions which will be withdrawn and invested into the novel apps (Hinoval and Novelcat) so that I can catch up faster to reach the latest chapters and release them for you.

However, I am sad to hear that lately there are telegram groups and other sites that have been using my releases and asking for donations to support them, without giving me any credit for my releases.

Whether you want to support them, it is up to you, however they are only re-releasing my hard work and getting the benefit, while I take my time and effort to unlock the chapters, screenshotting each page, converting them to PDF and uploading them to my site for you all to enjoy for free.

I am not forcing you to donate, since I am unlocking them for free, it is fair that I am not asking for any donations in return. I would rather the ad provider to pay me so that I can use that generated income for unlocking more chapters and hopefully new novels in the future.

What I simply ask, is a little bit of your time to download from my site, skip the advertisement and download. It takes slightly less for you to wait for the advert to load and the skip button to appear in comparison to the time I invested in screenshotting and converting, so I believe the few seconds of wait time is worth the sacrifice.

If you are downloading from my site, I sincerely thank you for your contributions in making my first withdrawal happen and I hope you continue to support me in the future so that I can release more novels and chapters as well.

For your information, I am doing this alone. There's no team, no assistance. Just me and my laptop and own accounts that is used to collect coins/vouchers daily so that I can unlock more chapters and release them for you. If you want to help, your assistance is greatly appreciated if you just simply download through my website and generate traffic there, so the provider will generate the income for me through your web traffic. That my dear readers, is the greatest help you can offer me for the time being.

Please support my release at my website at <http://sandvich-gio.simplesite.com> and I hope that with your support, more chapters can be released and, in the future, more requests can be included and released as well.

Sincerely,

Sandvich-gio

So,

How does it feel when it is not updated as scheduled? Sucks right?

That is exactly how I feel after my hard work is not supported. It's provided free for you using my own time and resources and all I ask for is just 5 seconds to skip an ad and use my website to download.

Telegram channel is not answering your questions for updates? Of course, he's not answering because he is not doing the work!

As I said before, I am the only one working on the 3 novels that I am uploading. Telegram channel is not owned by me and the donation that they are asking for doesn't go to me. Not a single cent goes to supporting my work for the donation you provided to the telegram channel. Again, up to you if you want to support telegram channel and get irregular delayed updates because I will only update whenever I feel like sharing it or not. As for the Facebook group, I have left that group but didn't delete my post so even if you comment there asking for updates, I won't be there to answer anything at all.

Now it's up to you. Support the Telegram channel that doesn't support me, or download from my site and take 5 seconds to skip an ad, and get me paid so I can re-invest the funds to the novel, to unlock more chapters faster.

Sincerely,

An annoyed Sandvich-gio

## Chapter 221

Karen continued, "I heard that Alyssa's concert tickets have risen to more than 20,000 dollars. Why don't we test that guy tomorrow and ask him if he can get a few concert tickets?"

"First of all, let's see if he has any money. We can say that we have other friends. Let him get 10 tickets or so. In this way, it will cost more than 200,000 dollars!" Karen said, feeling that she was clever, "And, even if he has money, he may not be able to get so many tickets now, unless he has a very powerful background."

"If Ethan can get it, he definitely has a strong background."

After Karen finished her words, Roy's eyes suddenly lit up. He thought, "This seems to be a good idea."

For one thing, it wouldn't reveal their purpose. Ethan couldn't tell what they intended to do. For another, Alyssa's concert was something that they dreamed of for a long time.

After all, she was a superstar. In the past, they had only seen her twice on TV.

"I think it's okay!" Roy smiled mysteriously at his wife and said, "I guess, to attend the concert is your main purpose?"

Karen also smiled proudly and replied, "So what? If Ethan is really a rich man, won't that be great? We have a rich relative, and we will be at a super star's concert by the way. If he's fake, we'll expose him on the spot and get that bottle of wine back. And I will take revenge!"

Roy nodded and said, "Okay, I'll tell them tomorrow morning..."

That night, Ethan sent Linda's mother back to the hospital first, and then sent Linda back to the dormitory before returning to the dormitory.

At this time in the dormitory, Charles and Dylan had fallen asleep.

Ethan didn't disturb them. He washed up directly and returned to his bed.

Ethan was going to sleep, but as soon as he lay down, he saw a message in the class group chat.

"Everybody, Alyssa will hold a concert in Buckeye Gymnasium tomorrow. Does anyone want to go?"

This message suddenly stirred up the long-silent class group.

"That's so fast! I remember that it will be next week. I have been working part-time in the past month just to save money to buy concert tickets!"

"You must make a mistake. Alyssa's concert was arranged on tomorrow few months ago. I do want to go, but she's the diva. The tickets to the concert are too expensive. I heard that the ticket to the innermost corner costs more than 2,000 dollars."

"It's too late. I bought one half a month ago. The seat is not very good, but it cost me more than 5,000 dollars. My God, I really don't know how much the ticket for the best seats is!"

"Twenty-two thousand dollars! And this is the official price. I heard that the price of scalped tickets of the first row has been speculated to be more than thirty thousand dollars!"

"Oh my god, that's too expensive! If I had known that I would have spent all my money to stock up two first-row tickets, I would have earned tens of thousands of dollars to sell them again."

There was a heated discussion in the class group.

Ethan roughly looked at it, but just smiled.

To tell the truth, Ethan never had an interest in the top superstar, nor did he chase after the superstar.

Looking at the heated discussion in the class group, Ethan said nothing. Then he put his cell phone aside and prepared to go to sleep.

But soon, Ethan turned over and grabbed his phone with a hint of excitement on his face.

He clicked on his Facebook and sent a message to Linda, "Have you slept, Linda?"

Two minutes later, Linda replied, "No, what's the matter? How about you?"

Ethan sent a grinning emoji and replied, "No, I didn't sleep. I have something to ask you."

Linda replied, "You sounds mysterious... What?"

Ethan smiled and quickly replied, "Linda, do you want to go to Alyssa's concert?"

"Yes!" Linda sent an emoji and replied, "But I heard that it's very hard to get the ticket..."

"As long as you want to watch it, I'll deal with the tickets. I'll find you tomorrow morning!" After sending the message, Ethan directly logged out Facebook and dialed Maggie's number.

The phone rang a few times before Maggie picked it up. "Young Master Ethan, what's the matter at this late hour?"

Ethan answered, "Haven't you slept yet, Maggie?"

Maggie smiled and said, "I'm working overtime because I haven't finished my work yet. What's the matter, Young Master Ethan?"

As soon as Ethan heard that Maggie was working overtime, he felt a little embarrassed.

She was working overtime for his company, but now he was asking her to get concert tickets. It sounded unreasonable.

"Uh... Maggie, since you are busy now, work on it first! I'll call you tomorrow." Ethan said.

Maggie knew that Ethan had something to do. She smiled again and asked, "Young Master Ethan, if you have something to say, just tell me. I'm not that busy."

"It's really okay. You should go to bed early and take care of your body..."

Hearing Ethan's words, Maggie couldn't help feeling warm in her heart. Then she said with a smile, "Do you want concert tickets?"

## Chapter 222

Hearing this, Ethan was stunned. After quite a while, he asked, "How... how do you know that?"

Maggie giggled and said, "Just guess. Nothing is more sensational than Alyssa's concert in the past 2 days in Buckeye. Many of my friends have already called me and asked me to help them get tickets. Of course, I know."

Ethan nodded silently. "Oh, get it. Then... is the ticket easy to get, Maggie?"

Ethan was uncertain. Although he knew very well that Maggie was a resourceful person in Buckeye, he didn't think she could do anything.

"It's okay. I happen to have two tickets. I'll ask someone to send them to you later. They are the first-row tickets!"

Hearing Maggie's words, Ethan immediately breathed a sigh of relief and said with a smile, "Thank you so much, Maggie. Thank you so much..."

"You're welcome. Well, if you have nothing else to ask, I'll hang up first. I'll ask someone to send the ticket to you tomorrow morning."

After that, Maggie hung up the phone.

At this moment, Ethan was extremely happy.

He quickly sent a message to Linda and told her to rest assured because the ticket had been settled.

Linda was also very happy hearing it.

She was a student of vocal music, and naturally, she had been fascinated by Alyssa, this superstar, for a long time.

Moreover, Linda had long known that Alyssa was going to hold a concert in Buckeye, but at that time, she didn't even dare to think about it.

After she was with Ethan, Linda still didn't have the courage to say this to Ethan.

Although Linda knew that Ethan was very rich, she still felt uncomfortable using his money, no matter how little it was.

Thus, this matter was dragged to an end.

Linda didn't have any hope before, but this time, Ethan called her, brought it up, and easily bought the ticket.

How could Linda not be happy about this? She would soon be able to meet her idol that she had admired for a long time. How could she not be excited?

Linda couldn't help but secretly laugh in her bed. Her voice was very light and very

sweet.

But at that time, she suddenly heard someone reproaching her from the upper bunk.

"It's the middle of the night! Are you crazy laughing in the bed?"

Linda's face turned red and she replied softly, "I-I'm sorry for waking you up, Penny!"

Penny, who was lying on the upper bunk, didn't take this apology at all. She suddenly grabbed a pillow and threw it down, scolding, "Sorry, sorry. All you know is to say sorry. If you make one cent by saying a sorry, you'd be a f\*cking millionaire! You jinx!"

Although the pillow was not heavy, it hurt a lot on Linda's face. "Ouch!" screamed Linda out of pain.

A girl who was sleeping next to Linda's bunk hurriedly got up and accused Penny, "What are you doing, Penny? Linda didn't mean to disturb you. Moreover, you weren't asleep, what's wrong with her laughing?"

Hearing this, Penny immediately got up from the bed and said angrily, "It's none of your business. I'm in a bad mood today, so I don't want to hear anyone laughing, okay? If you are unsatisfied with it, get out of here!"

Penny glared at the two people below and grumbled, "I was already upset enough that I didn't get the concert tickets. Why were you laughing? You did it on purpose, didn't you?"

After that, Penny tugged on the blanket, covered her head with it, and lay down.

Linda and the other girl looked at each other and shook their heads helplessly.

The girl asked in a low voice, "Linda, what were you laughing at just now? Anything good happened?"

Talking about it, Linda immediately forgot about the unhappiness. A smile appeared on her face.

"My boyfriend just told me on Facebook that he got two tickets to Alyssa's concert. That's why I'm so happy!" Linda said.

"Wow!" The girl was a little surprised, but more envious, "Really? Linda, this is a good thing. You know what, I heard that the tickets can't be bought from the official channels now. As for scalped tickets, even the most ordinary ticket has been speculated to more than 3,000 dollars. Your boyfriend is so nice. He spent so much to buy tickets! Alas, my useless boyfriend can't do it. He also said that he would buy tickets for me at the beginning, but now, I guess that the money has already been used for his computer game."

What the girl said was sincere. Linda could even see the yearning in her eyes, which could not be faked.

The girl sighed and quickly asked, "Linda, did you ask your boyfriend? What's the location of the ticket he bought for you? Have you got the ticket? Don't be fooled by others!"

Linda smiled and shook her head, "Don't worry, it can't happen."

Linda looked very confident, and then said, "My boyfriend said that the tickets he bought are in the first seat!"

"First row tickets?" When the girl heard this, she was stunned. Her face was filled with shock and disbelief. "I've heard that scalped tickets of the first row tickets are already sold for more than 1,0000 dollars!"

## Chapter 223

Initially, that girl believed what Linda said. However, when she heard that the seats were in the front row, she started to doubt.

After all, the seats in the front row cost tens of thousands of dollars, and two tickets cost more.

They were just students from ordinary families, so they couldn't have so much money.

They were not like the local students with good family backgrounds who had fancy houses, luxurious cars, and even secretaries.

It didn't seem to be a big deal for those people to spend tens of thousands of dollars to buy a ticket and listen to the stars singing a few songs.

However, tens of thousands of dollars was a huge sum of money for students like them who came from other provinces and whose living conditions were not very good. It might be the annual income of their family.

Moreover, Lara was also very clear about the conditions of Linda's family. She knew that with the conditions of Linda's family, it was absolutely impossible for her to buy the first row tickets.

As for Linda's boyfriend, she had never seen him before and rarely heard Linda talk about him.

Although Linda was very good-looking, it was impossible for her to find a boyfriend from a rich family. After all, they all knew those wealthy young men in Buckeye University, and no one had ever heard of whom Linda was with.

So in Lara's view, it was either Linda was cheated by her boyfriend, or she said it out of vanity.

Lara hesitated for a moment and squeezed out an embarrassed smile. She said, "Linda, I think you'd better verify this matter a little more so that you won't be deceived..."

Linda also smiled and said, "No, he never lied to me..."

Linda seemed very confident. She said quickly, "Lara, I can't talk to you for now. I'm going to do my laundry."

After saying that, Linda picked up a few clothes and left the dorm.

Lara looked at Linda, shaking her head in disbelief.

"She must be boasting. If she can afford the first row tickets to Alyssa's concert, I'll

eat sh\*t and post it on Youtube!"

The moment Linda left, Penny, who was on the upper bunk, immediately sat up and pointed angrily at the door where Linda left.

Lara couldn't do anything about it. Although she didn't like Penny bullying Linda, her point of view was the same as Penny's when it came to the ticket.

"Alright, Penny, don't be angry anymore. I know you are not happy that you failed to snatch the ticket. I didn't manage to get it either. Calm down, there will still be opportunities in the future." Lara consoled her.

Penny sighed and said unwillingly, "We won't have a chance. This is Alyssa's national provincial tour. Buckeye is the only place that she will hold the concert in our province. If we miss this opportunity, who knows how many more years we'll have to wait?"

Penny added, "I'm just getting angry. What's Linda's condition? Who doesn't know her situation? What's she showing off for? What's there to brag about? Does she really think she's some big shot? It's so interesting. I'm so annoyed with her!"

At this moment, Lara said in a low voice, "Shh... She's back."

Just as Lara's voice faded, Linda walked into the room. She came back to get some laundry detergent.

Linda was about to return to the laundry room when she was suddenly stopped by Penny.

"Linda, wait a moment!"

Linda stopped and turned around to look at her. She asked in confusion, "What's wrong?"

A sinister smile appeared on Penny's lips as she said in a weird tone, "What? I heard that your boyfriend got you a ticket to Alyssa's concert? Is it real or fake?"

Linda didn't know why she asked it. She just nodded and said, "It is real. What's wrong, Penny?"

Penny chuckled and continued, "Nothing. Since your boyfriend is so powerful, why don't you ask him to help us get a few tickets? I mean, we are all good friends. Since you can get first-row tickets, you can definitely help us and make it, right?"

Linda was stunned when she heard that. She said, "Well, I'm not sure. My boyfriend did it. I don't know if he can do it this time."

Upon hearing this, Penny said with displeasure, "If you can't do it, just say it. Why are you still pretending? Do you really think we're fools? Don't you think that it is ridiculous to say that your boyfriend helped you get the first-line ticket. You could have picked a more reasonable excuse to brag about yourself. Do you really think

we're fools?"

It was just an excuse for Penny to ask Linda to help her get the ticket, what she really wanted is to humiliate Linda.

To tell the truth, Penny was extremely jealous of Linda. Penny thought that Linda was just a little more beautiful than her and had a better figure.

However, Linda's family was so poor with a half-dead mother in the hospital. Why did Linda have such a sense of superiority in front of her?

Penny was still angry, so she continued, "Don't say that your boyfriend bought you the tickets. God knows what kind of sh\*t he is? How dare you brag about this in front of us. Are you retarded?"

## Chapter 224

If Penny had only humiliated Linda, Linda would probably have put up with it.

But she scolded Ethan as well, which instantly made Linda feel uncomfortable.

Ethan treated her with heart and soul. She absolutely wouldn't allow anyone to insult him.

So Linda raised her head, looked at Penny and said, "Penny, you can scold me, but please don't scold Ethan. I'm not lying. Ethan did buy me the first-row ticket!"

Linda was very angry. She continued indignantly, "Please don't let me take the anger just because you can't buy the ticket, okay?"

Penny usually did not like Linda and treated her badly, but Linda endured it.

Today, however, she plucked up her courage and bravely fought back.

In Linda's view, she was defending Ethan's dignity.

However, Penny didn't take Linda's words seriously at all. Instead, she climbed down from her bed and walked up to Linda, staring straight at Linda.

"Yes, I did vent my anger on you, so what? You're just boasting. Don't you allow anyone to expose you? I'm telling you, don't pretend to be pitiful. Do you think I'll feel sorry for you? If you continue to talk nonsense, believe it or not, I'll beat you!"

Penny used to be bossy in the dorm. With such a posture, no one dared to provoke her.

Today, she got Linda. Now that she was full of anger, she wouldn't let Linda go easily today.

Seeing that Penny was about to fight, Lara hurriedly ran over to ease the situation.

"Penny, alright, Linda didn't do it on purpose. Don't take it to heart. I'll talk to her later. Go back to your bed..."

Penny pushed Lara aside and sneered, "Who do you think you are? Get out of my way. I've hated her for a long time. I'm gonna give her a lesson today."

Hearing this, Lara felt despaired. She had a very good relationship with Linda, so she naturally didn't want to see Linda being bullied.

Lara took a deep breath and suddenly stood in front of Linda, saying loudly, "Penny, I warn you not to bully others. I have tolerated you for a long time. Don't go too far. If you have something to complain, just say it. But if you dare to bully Linda for no reason, I will go to complain to teachers and school leaders!"

Lara curled her lips and continued with a cold smile, "I'm afraid you haven't

forgotten that you have been recorded a demerit before. If you..."

After hearing Lara's words, Penny, who had been extremely arrogant before, immediately became soft.

Of course, she knew better than anyone else that she had too many demerits. If she was accused again, she might really be dropped out...

Penny gritted her teeth and couldn't do anything. However, she still couldn't bear it.

So she took a step back, pointed at Linda, and said, "Well, let's talk about it today!"

Penny continued, "Didn't the fool just say that she got two first row tickets for the concert? If she can take it out today, I won't say anything then. But if she can't take out the tickets to prove it today, then I'm gonna do something!"

Penny laughed coldly and continued, "If I beat her, you can report it to teachers. But you can't do anything to me if I make fun of her in the entire Buckeye University's dorms. I didn't violate the law and I didn't violate the rules, right?"

Hearing this, Lara gritted her teeth hard. She was extremely angry.

Lara knew that Linda couldn't take out the ticket at all, so Linda would be humiliated by Penny.

People like Penny would do anything. To vent her anger, she would say everything even that was not true.

If so, Linda would be laughed at by everyone in Buckeye University and could never stay here any more.

As the saying went, bad things always had wings.

Even if there were some things that never happened, someone would make them sound real and spread them out.

People who didn't know the truth would naturally think that such things did happen.

Besides, the most annoying thing was that even though Penny did this, Lara could do nothing about it.

Just as she said, she did not violate the law, and neither did she violate the rules. Even though it proved to be lies, she just lost her face.

But if those things were really spread out, who could explain it clearly?

Lara looked at Linda with her palm sweating and asked in a low voice, "Linda, what's your opinion?"

At this time, Linda had seen it through. Penny dared to say these words because she was sure that Linda couldn't afford the ticket.

In that case, Linda could just ask Ethan to bring her the ticket.

Firstly, this could prove that she was not lying, so Penny had nothing else to say.

Secondly, she wanted Penny to see if her boyfriend was the so-called good-for-nothing Penny had mentioned!

Thinking of this, Linda raised her head, looked at Penny and said calmly, "Well, didn't you ask me to prove it to you? Then I'll ask Ethan to send me the ticket, but..."

Linda paused, gritted her teeth and said, "I have a request!"

## Chapter 225

Penny was slightly displeased. At this moment, She couldn't believe that Linda dared to negotiate terms with her.

However, she firmly believed that Linda couldn't take out the ticket.

In the end, Penny gave a disdainful smile and said indifferently, "Alright, tell me what's your term!"

Linda glanced at Lara and said, "Lara, I hope you can be my witness. I don't want to see someone flip-flop when the time comes!"

Hearing this, Lara was stunned. She could tell that Linda was serious.

But this silly girl, how could she be so confident? Could it be that she really had first row tickets to Alyssa's concert?

However, since Linda had said so, Lara naturally had nothing to say.

She nodded, took out her mobile phone and said, "Alright, Linda, I'll record everything between you. I don't think anyone can deny it!"

Penny seemed to have become impatient for a long time. She snorted and said, "Alright, I'll see who will deny it later! What is your term? Hurry up and tell me!"

Linda said, "My request is very simple, that is, if I can take out a ticket later, you must apologize to me, and also to my boyfriend!"

Hearing this, Penny laughed coldly. She didn't take it seriously. "That's it? Interesting! Fine, fine. I agree, but... I also have a request. Are you going to agree to it or not?"

Penny felt that she was meant to win, so she smiled and said, "If you can't take out the ticket, kneel down and say 'I made a mistake!' three times!"

The more Penny spoke, the more ruthless and arrogant her tone became. It was as if she was going to kill Linda.

Linda didn't think much of it. She said calmly, "Sure, it's a deal!"

Hearing what Linda said, Lara was so anxious that she almost jumped while whispering, "Oh, Linda, aren't you silly? How can you promise her? You..."

Seeing that Lara was going to poke her nose into other people's business, Penny immediately became unhappy with a sullen look. She pointed at Linda and said, "Alright, enough chitchat. Hurry up. I want to see what kind of tickets you have. Don't tell me you don't even know what the tickets look like?"

As soon as she finished her words, Penny burst into laughter.

Linda was somewhat unconvinced. She hurriedly took out her phone and called Ethan directly.

On the other side, Ethan was about to go to bed, but his phone rang again.

As soon as Ethan saw it was Linda, he was a little surprised, but he didn't hesitate to take it.

"Linda, what's wrong?"

When Linda heard the tiredness in Ethan's tone, she felt a little embarrassed.

"Ethan, I'm sorry. Have... Have you slept?"

"No, I didn't. What's wrong, Linda?"

Linda was a little embarrassed. After hesitating for a long time, she asked, "Well... can you do me a favor? I..."

Thinking something bad was going on, Ethan sat up, suddenly feeling a little nervous. "What's going on?"

"No, nothing serious. Don't be nervous!" Linda could tell Ethan's nervousness, so she explained in a hurry, "I just want to ask, can you... can you give me the tickets to the concert?"

Ethan was surprised. "Why? What happened?"

Linda hurriedly said, "Nothing, I just... just want to see."

Ethan looked at the time. It was already past nine o'clock in the evening.

He thought for a moment and agreed at once. "Well, then wait a minute. I'll ask Maggie to send it to me, and I'll give it to you later."

Ethan wanted to hang up the phone, but he suddenly thought of something and quickly said, "And, Linda, aren't your cousin and brother-in-law also in Buckeye? How about this, I'll ask Maggie to see if we can get a few more tickets and go together. After all, they are here. If they know it later, some bad influence may come to you or your mother."

Although Karen and Roy treated him that way today, in Ethan's view, they were Linda's relatives after all.

It didn't matter if he suffered a little, but if these people had a little conscience and said something good about Linda in front of relatives when they went back, it wouldn't be a waste of effort.

Upon hearing this, Linda hesitated for a moment. She did not think about it.

But after a second thought, she felt that Ethan was right.

Perhaps it would cost more money, but at least she were considerate to them, so they couldn't blame her for this.

"Well, you can ask Maggie, if there are any extra tickets, please give them a few."

Ethan said OK and hung up the phone.

After hanging up the phone, although Ethan wondered why Linda wanted to see the tickets so late, he still called Maggie.

"Hello, Maggie, are you still working?"

Maggie said, "I'll finish it soon. Hasn't Young Master Ethan slept yet?"

Ethan hesitated for a while and continued, "Erm... Maggie, could I trouble you with one thing?"

Ethan paused for a while and continued, "In fact, there are two things. The first thing is that I want two more tickets. Do you have extra tickets?"

Maggie smiled and said, "Oh, that's it. Ethan, how much do you want exactly? I'll tell the organizer later. There are as many as you want. Young Master Ethan, what's the second thing?"

Ethan smiled awkwardly. "Maggie, can you give me the ticket now?"

Maggie looked at her watch in surprise. "It's nine o'clock. It's late. Young Master Ethan, what do you want the tickets for?"

Of course, Ethan couldn't directly say that Linda asked for it, so he made up a reason and said, "I think, tomorrow I'll directly go there with tickets. I'm afraid that I'll get late if I get a traffic jam along the way there."

This reason was reasonable, and Maggie believed it.

She nodded and said, "Well, I'll ask someone to send the tickets to you later. Four tickets, right? If they are not enough, Young Master Ethan, you can call me."

Hearing this, Ethan breathed a sigh of relief and then thanked her repeatedly, "That's enough. Thank you so much, Maggie..."

## Chapter 226

"You're welcome, Young Master Ethan." After saying that, Maggie hung up the phone.

Ethan was very happy. He knew that Maggie could manage to do everything.

Ethan had already lain down, but he quickly put on his clothes, left the dormitory, and went straight to the school gate.

Less than ten minutes later, a black off-road vehicle slowly stopped in front of him.

A young man in black quickly got off the car, walked to Ethan and said politely, "Hello, Young Master Ethan, I'm sorry to keep you waiting. These are your tickets..."

After that, the young man respectfully handed over several concert tickets.

Ethan took the ticket with a smile and thanked him. The young man also politely replied and then left.

Ethan looked at the ticket in his hand and called Linda quickly...

At this moment, in Linda's room, the atmosphere was extremely nervous.

Linda was sitting on her own bed, feeling a little anxious. She would occasionally glance at her phone.

But Penny, who was sitting on the bed opposite Linda's, appeared much calmer.

Penny glanced at Linda, and when Penny saw the nervousness in Linda's expression, Penny knew that she had won.

She couldn't help but sneer and mutter in a strange voice, "You're really good at pretending. You even called people and ask them to send you tickets. I'll stay up all night today to see what kind of boyfriend you have. Will he send you the tickets tonight or no one will come the whole night."

Linda was about to argue, but her phone suddenly rang.

The call was from Ethan. Linda immediately became excited.

"Hello, Ethan, where are you?" Linda was very excited. In order to prove herself, she especially turned her mobile phone into hands-free in front of Penny.

On the phone, Ethan said in a depressed tone, "Linda, I'm sorry, I..."

When Linda heard Ethan say sorry, her heart couldn't help but skip a beat. She immediately thought that something might happen. This was what she didn't want to see the most.

"What... what happened, Ethan?" Linda asked.

"Alas..." Ethan let out a long sigh. "I couldn't get the tickets!"

Upon hearing Ethan's words, Linda felt hopeless, and she immediately froze on the spot.

"What did you say?" Linda couldn't believe her ears.

"I said that I failed to get the ticket and something happened to Maggie, so..."

The phone was hands-free. Everyone in Linda's dorm heard Ethan's words clearly.

Linda's face suddenly turned red. She looked at Penny with a despaired expression.

At this moment, Penny's face was full of pride. When she heard Ethan's words, she burst into a burst of wild laughter in an instant.

"Hahaha... It's so funny!" Penny laughed and said, "What the hell is this? Don't pretend any more. Don't you feel ashamed? You are pretending to turn the phone hands-free. Do you really think that your stupid boyfriend can get the tickets? Blow it off. Now, let's see what you say!"

Linda was completely dumbfounded. She didn't even know how she hung up the phone. Anyway, she was stunned for a while.

When Penny saw this, she immediately get excited. She pointed directly at Linda's nose and scolded, "Linda, what else do you want to say this time? And you, Lara, we made a bet just now, and you have all been recorded. Don't try to deny it. Linda, kneel down!"

Upon hearing this, Linda finally came to her sense. Her expression was extremely despaired. She never thought that the situation where she had locked onto the victory would actually have a world-shaking reversal!

Hadn't Maggie already promised Ethan? How could it still go on like this? Linda couldn't figure it out anyway.

"What are you standing there for? Hurry up and get down on your knees!" Penny immediately became unreasonable. She went forward and tried to beat Linda.

When Lara saw this, she quickly stepped forward to stop her and said discontentedly, "Hey, what are you doing? Even if you guys made a bet, Linda should do it herself. You can't force her to kneel down?"

However, right now, it seemed that it was too late to say anything. When the rules were set, everyone agreed. Now that she lost, of course, she had to fulfill her promise.

Linda was filled with rage as she glared at Penny. Her legs turned numb.

Penny quickly urged her in a smug tone, "Get down on your knees! That's what you

promised! If you don't kneel today, I'll give you a lesson! Hurry up!"

Penny was getting more and more severe. She looked as if Linda was her slave. If she had a whip in her hand at this moment, she would not hesitate to swing it at Linda.

When Linda heard this, she made up her mind. She gritted her teeth and was about to kneel down, when her cell phone suddenly rang again.

This time, Linda was not excited at all. She looked at the number and found it was Ethan.

"Hey, Linda, why did you hang up the phone?" Ethan asked with a frown, "I haven't finished speaking yet!"

## Chapter 227

Linda was extremely dejected as she replied, "Mm... I..."

The more Linda said, the more she choked. She felt pretty uncomfortable.

When Ethan heard Linda's voice on the phone, he suddenly became nervous. He asked in a hurry, "Linda, what happened? Tell me what's wrong. Don't scare me..."

At this moment, Lara was right next to Linda, so she could naturally hear the conversation between Linda and Ethan.

Hearing that Ethan even had the nerve to ask what had happened to Linda, she was a little angry.

Lara grabbed the phone in Linda's hand and shouted at Ethan, "Are you a man or not? You said that you would help Linda buy a ticket, but where is the ticket? Do you know that Linda lost the bet because she trusted you too much and cared too much about your reputation? Now she can't preserve her dignity as she lost the bet, she even has to kneel down!"

Hearing Lara's words, Ethan was stunned.

What on earth was going on? Why did Linda lose her face and even have to kneel down to others? What on earth happened?

He quickly said, "Well, please give the phone back to Linda. I have something to say to her."

"What else do you want to say?" Lara said angrily, "You are a jerk! You man just say something sweet, but do nothing. None of you is good!"

After she finished speaking, Lara stuffed her phone into Linda's hand angrily.

"Hello, Linda..." Ethan's voice came from the phone, and Linda quickly put it to her ear.

"Ethan, I'm fine. Lara's talking nonsense. I..." Linda choked with sobs and couldn't say anything.

Hearing Linda's voice, Ethan was so anxious that his heart was burning. He quickly said, "Don't cry, Linda! I was just joking. I've got the ticket and now I'm downstairs in your dorm. I didn't expect such a thing to happen. Don't worry, nothing will happen as long as I'm here!"

At this moment, Ethan almost wanted to slap himself hard on the face.

At the time, he just wanted to tease Linda, but he never thought that things would end up like this.

As for Linda, she was already dejected and about to give up.

But Ethan's words ignited her hope again.

"Ethan, are you telling the truth? Don't lie to me!" Linda asked seriously.

"Don't worry, how can I lie to you? Linda, you can look down from the window..."

Hearing this, Linda rushed to the window. Looking down, she saw Ethan standing downstairs, waving a few tickets in his hand. When he saw her, he even giggled.

At this moment, Linda cried with joy. Tears instantly welled up in her eyes, and then she turned around and was about to rush downstairs...

"Hey, where are you going, Linda?" Lara suddenly shouted.

Penny was even more shocked. However, she quickly came to her senses. With quick reflexes, she grabbed Linda.

"What are you doing? You want to run away, don't you? If you dare to do so, believe it or not, I will let you feel ashamed to even walk in Buckeye University!" Penny grabbed Linda tightly and threatened her fiercely.

Linda's arm was suddenly grabbed, which made her painful.

She looked at Penny angrily and complained, "What are you doing? Let go of me! I'm not running away. I'm going down to get the ticket!"

Hearing this, Penny burst into laughter and said, "Interesting! You just said that you didn't have tickets. Why did it suddenly appear now? You are such a liar. Why should I believe you? What if you run away?"

Linda was speechless and replied, "How can I run away? My belongings are all here, where can I run to? And you're not going to default on your debt, are you? In order to make me lose, you don't even let me take the tickets downstairs?"

Penny was silenced by Linda's words in an instant.

Penny felt somewhat embarrassed and looked at Linda. Penny was about to lose her temper, but she found that there was nothing she could do, because every word Linda said was reasonable!

Penny had no choice but to let Linda go. In the end, she did not forget to threaten Linda fiercely, "I'm warning you. If you dare to run away, I will do something really bad and you'll regret it!"

Linda paid no attention to her. She broke free of her hand and quickly ran downstairs.

"Linda, what's going on!" Seeing Linda go downstairs, Ethan rushed over and looked at her with concern, as if he was afraid of her getting hurt.

Linda smiled slightly, "It's okay, I'm really fine. Don't listen to Lara's nonsense on the

phone. Don't worry."

Linda then looked at the tickets in Ethan's hand and said, "You really got them! Hum, you just lied to me, which made me so embarrassed..."

Ethan saw that Linda was fine, and now she was talking and laughing, so he was relieved.

"Haha, I just wanted to tease you. I didn't expect you to take it seriously. These tickets are a piece of cake for Maggie." Ethan said with a smile.

Linda nodded and said, "Okay, I'm fine. It's so late. You should go back to sleep. As for the tickets... you can leave them here first. Let's go to the concert tomorrow."

## Chapter 228

Hearing this, Ethan nodded and said, "Well then, you go back. I'll call you later."

Linda smiled, took the tickets and went upstairs. Ethan also hurried back to the dormitory.

Linda sighed, thinking what could Penny say to when she took out the ticket later.

In fact, she didn't want to put their relationship in a stalemate. After all, they were all living in the same dormitory and saw each other every day. If they were really in this situation, there was really no way to stay together in the future.

But today Penny really went a little too far. Not only did she humiliate Linda for no reason, but she also used the excuse to abuse Ethan. Linda couldn't stand it no matter what.

Linda looked at the four concert tickets in her hand and thought that she should just give Penny a lesson today.

In Linda's dorm.

When Linda ran downstairs, Penny and Lara also rushed to the window to take a look.

Although they were in the same room with Linda, Linda didn't tell them her private affairs. So they just knew that Linda had a boyfriend, but they had no idea who he was and what he looked like.

Therefore, with the opportunity, Penny and Lara also wanted to see what kind of boyfriend Linda had.

However, when Penny and Lara looked down, they froze.

"How, how can it be him?" Lara exclaimed in surprise.

Even Penny was stunned for quite a while before she came back to her senses. However, Her mouth's curling into a slightly mocking smile.

"Gosh, I found that Linda is really interesting. I was thinking about what kind of boyfriend she had. It turned out to be him!" Penny grinned and continued, "They are a perfect match! An idiot looking for a poor man? Haha, perfect match..."

Ethan was very famous in Buckeye University before. Of course, he was famous for poverty.

Therefore, Penny and Lara had known Ethan a long time ago.

Ethan was a laughingstock in their eyes, but they didn't expect that this guy would suddenly become Linda's boyfriend!

"Linda looks not bad. Why does she fall in love with such a short and poor loser?" Penny smiled and said, "I really don't understand what she is thinking. She was even so stupid to trust him. This guy is famous for being poor at Buckeye University, and she even believes that he can buy her first row tickets to Alyssa's concert. Is Linda really stupid?"

Not just Penny, at this moment, Lara's face was filled with shock and astonishment as well.

Indeed, she was also a bit confused. Why did Linda have a crush on Ethan?

This guy got nothing special, especially his appearance.

Compared to Linda, although she was not well-born, at least Linda had good looking face and body. With Linda's appearance, as long as she dressed up well, she would be as popular the most famous campus belle at Buckeye University.

And Lara could also tell that Linda seemed to believe in Ethan very much.

No wonder Penny would say that. Considering Ethan's financial ability, it would be an idiotic dream to say that he could buy a concert ticket for Linda.

But what made Lara speechless most was that Linda actually believed in Ethan's words.

Lara was also very helpless. Now that things had reached this stage, she could only play it by ear. She hoped Linda would have good luck.

Penny looked at Lara who was extremely depressed and sneered, "Lara, I don't think you have anything to say this time, right? Linda definitely won't be able to take out the ticket. You have to keep your promise."

Lara lowered her head and felt very uncomfortable.

She was about to speak, when she heard footsteps outside the dorm. Then, Linda walked in.

"Oh, you're back!" Penny sneered, "You're good, Linda. I really didn't expect that your boyfriend would be such a big shot. Hahaha..."

As soon as Linda heard it, her face instantly turned gloomy.

Penny ignored Linda's facial expression and continued, "Hey? Tell me, are you blind? Otherwise, why did you choose him from thousands of boys in Buckeye University? Does this guy do a really good job in some respects?"

Saying that, Penny laughed out loud again. From her point of view, she had an even better reason to mock Linda this time.

Linda was poor, and now she had a boyfriend who was even poorer than her, which would be a hot topic in girls' dormitory.

Linda was very angry. She immediately said with dissatisfaction, "Please be careful when you talk. I chose Ethan because I like him. Don't be smug. Don't think that you are superior to him. Today you look down on Ethan. Tomorrow, he can be the one out of your league!"

## Chapter 229

"Haha..." Penny burst into laughter. She then shook her head with a sneer and said, "Fine! I wish you and your Mr. Right can make it big as soon as possible."

Penny glanced at Linda and asked, "Hurry up. Let me see what your poor boyfriend gave to you!"

Of course, Penny didn't believe Linda's words. After all, she couldn't even get an ordinary ticket with so much effort. How could Ethan get first row tickets with his power?

After Penny said that, she reached out her hand in front of Linda.

Linda did not panic at all. Just as she was about to hand over the ticket...

Lara suddenly reached out and stopped Linda.

Then she looked at Linda with a worried expression, shook her head repeatedly, and said, "Linda, why don't... let's forget about it and apologize to Penny? We're friends anyway..."

But Lara was interrupted by Linda before she finished.

"Forget it? Why?" Linda said with a serious face, "Lara, I don't want to do this today, but I have already got the tickets. Why do I have to let it go? Since Penny doesn't believe me, then I'll show her. I'll see what else she has to say!"

In Lara's view, Linda said it purely out of anger, which was useless. In the end, it could only make Linda more disgraced.

"Aye, why can't you take my advice? Alright, I am washing my hands of this matter. You can do whatever you want!" Lara said in a huff.

Linda glanced at Lara. Of course, she knew that Lara, as her good friend, didn't believe in Ethan as well.

Believe it or not, after all, they would see the truth with their eyes soon!

Directly, Linda placed the four concert tickets in Penny's hand.

"I hope you won't break your promise!" Linda said.

At first, Penny didn't care about these tickets at all. However, after she carefully looked at the ticket, she was instantly dumbfounded!

"They are fake, aren't they?" Penny said with her face full of disbelief.

She repeatedly browsed through the tickets in her hands, but she had to admit that the tickets seemed to be real.

Linda added, "There's a unique code on the ticket. You can check it out. Whether

it's real or fake, you'll know."

Of course Penny had to check it out. After all, this was a matter of dignity. If she didn't figure it out, she might be cheated by Linda.

Penny took out her phone and scanned the QR code on the ticket...

This time, Penny was completely desperate. Her face was ashen. She rubbed her eyes fiercely and scratched her head again.

"This... How can it be possible?" Penny asked in surprise.

Linda smiled when she heard this. "It's true, you've already proven it yourself. Do you have anything else to say?"

Lara thought that Linda would be humiliated this time.

However, when she heard Penny's words, she was shocked as well. She quickly moved closer and saw Penny's desperate face.

"These...these tickets are true?" Lara herself didn't know whether she was asking Linda or Penny. Anyway, she was also very surprised and felt that all this was unbelievable.

"Lara, of course these tickets are true. I have told you that Ethan will not lie to me!" Linda said with a slight smile.

This time, Lara finally heaved a sigh of relief from the bottom of her heart.

She was worried about whether Linda would be in danger this time. After all, Penny was going to humiliate her. Linda should have had no chance to escape.

But now, Linda seemed to have turned the situation around.

"That's good, that's good!" Lara looked at Linda and smiled. She then asked Penny proudly.

"Penny, you've already verified the authenticity of the ticket. You should apologize to Linda now!"

Lara didn't like Penny. This time, she also wanted to take the opportunity to teach Penny a lesson. She wanted to see if Penny dared to be arrogant again in the future.

Penny was slightly stunned and asked, "What... what do you mean?"

However, she quickly came to her senses and her face immediately turned red.

Although she looked rude and unreasonable, she was a person who had dignity after all.

As soon as she thought of what she had agreed with Linda before, she felt a surge of desperation in her heart.

"D\*mn it, I was fooled by Linda. D\*mn it, she looks so honest. I didn't expect that she has so many bad ideas in her mind!"

Penny inwardly cursed Linda entirely, but there was nothing she could do about it. After all, he had already showed her the real tickets. What else could she do?

Penny felt a little indignant. The anger in her heart grew even stronger.

At this moment, Linda said.

"Penny, now please apologize to me and Ethan! My request doesn't go too far. I'm not like you. You asked me to kneel down. I just need you to say sorry. You humiliated me first, so it's fair enough for me to ask you to apologize!"

## Chapter 230

Penny was set on fire by Linda's words.

She gave Linda a hard push and shouted, "Who do you think you are? Why should I apologize to you? How dare you talk about fairness with me!"

What Penny did shocked Linda and Lara.

They would never have imagined that Penny would be so desperate that she broke her promise.

She even showed such a domineering attitude.

Linda looked at Penny with indignation, pointed at her, and huffed, "Penny, I didn't expect you to be this kind of person. Do you have a little bit of conscience? Why don't you admit it? You almost pressed my head down to the ground when you heard that Ethan couldn't get me the tickets. Now it's your turn, but you don't admit it? You are shameless!"

It was the first time that Linda had fought with others. Because she felt it was unfair. It seemed that it was only after she was with Ethan that she gradually understood what was unfair!

However, Penny was determined not to admit to her wrongdoing. It didn't matter what Linda said.

When Penny heard Linda's words, she became even more furious. She quickly walked in front of Linda and slapped Linda.

"Slap!"

Linda instantly felt a burning pain on her face. It was as if a pot of hot water had been poured over her.

"Watch your mouth, b\*tch. If you dare to talk to me like that again, I'll f\*cking slap you to death!" Penny threatened Linda fiercely as her fingernails pressed against Linda's nose.

In Penny's opinion, no matter what she did, it was her own business. Linda had no right to interfere, nor did she have any right to speak of it.

"I can scold you, but if you dare to retaliate, or scold me, you are looking for death!" Penny was probably saying these words inwardly.

At this moment, Linda could no longer hold back her tears, which streamed down her face.

Lara couldn't stand it anymore and rushed over. She pushed Penny aside and

shouted, "Penny, how dare you hit others? Did Linda say anything wrong? It's you who lost. But now you refused to admit your mistake and even hit Linda. What are you trying to do? Are you a bully?"

Hearing that, Penny smiled disapprovingly and said in a low voice, "You're right. I'm a bully. I lost, I break my promise and I even hit Linda. So what? What can you do to me?"

Penny sneered and did not care about Lara and Linda at all. She continued, "Lara, don't poke your nose into other people's business. Otherwise, I'll beat you as well! Hmph, what's wrong with me slapping her? If you continue to mess around, I'll beat her again!"

Penny walked up to Linda. Penny suddenly raised her hand and was about to slap Linda again.

"Stop!" Lara suddenly shouted and stopped Penny. Lara said, "I'm telling you, if you dare to touch Linda again, I'll call the teacher immediately. I believe that tomorrow morning, the leaders in our school will definitely call you to the office. Then we'll see what you'll do!"

Seeing Lara threatened her with this again, Penny got very angry. She even wanted to give Lara a slap.

In her opinion, Lara was so hateful and always used this thing to threaten her.

However, Penny had to admit that Lara indeed got her. To her, this threat was powerful.

Penny raised her hand and trembled a few times out of anger. In the end, she let go of the hand sullenly.

Penny was really pissed off. She glared angrily at Lara and said angrily, "Alright, Lara, wait and see. I'll bear with it today, but you have to remember, the day you can't threaten me with this, you'll definitely die!"

After saying that, Penny turned around and was about to go to bed.

However, Lara stopped her proudly, "Hold on, get down!"

Penny was stunned. "What are you trying to do?"

Lara smiled and said, "Nothing. I'm afraid that you forget to do something? Now apologize to Linda, immediately, or you will have to bear the consequences!"

Penny was on the verge of exploding!

How dared Lara threaten her like this?

"I'm warning you, don't go too far!" Penny said, gnashing her teeth.

Lara raised her head and replied, "You are the one who goes too far, aren't you?"

What, do you have anything else to say? If you don't, then come and apologize obediently!"

Penny panted heavily. She stood where she was for quite a while, as if she was hesitating.

But soon, she got on the bed angrily and fiercely said to Linda and Lara, "Go to hell! Apologize to her? Are you insane? I am going to sleep. If you have the guts, go to the teacher and complain right away. I am done with it! But Lara, remember, if something bad happens to me. I am going to risk my life to destroy you!"

After that, Penny pulled the blanket over her head and covered herself. She looked like a shameless person.

"You... "
