

Super Rich Dad Chapter 301-303

Chapter 301 - Wang Li's Choice

Fan Deng was not stupid, he knew very well that just by the way he treated Jiang Hao, he could easily get himself killed.

So at a time like this, putting on a straight face and taking the initiative to apologize was not only not stupid, but a wise move.

But as soon as the words left his mouth, he was tugged by cousin Xue Yuning's coat corner, who spoke to him in a low voice, with a bit of reproach in her tone, saying, 'What are you doing you? Why do you have to admit your mistakes? And any punishment is fine, you're asking for death yourself!'

It had come to this, and this wife of his was still unrepentant? Fan Deng was so angry that he was about to explode.

He shrugged his wife away and scolded, 'Get lost, you woman, is there really something wrong with your brain? When did you even dare to say such words? Are you really not afraid of death, or do you sincerely want to get us killed? If you want to die, then go and crash your car on the road yourself. Don't drag us down with you!'

As he finished speaking, Fan Deng pushed his wife away and looked down at Jiang Hao with an air of heartfelt submission.

When he had just shoved his cousin Xue Yuning, his strength was not small, and he had actually pushed the other party directly into a stumble, almost falling down.

'Jiang Shao, please don't be offended, I know that what we did in the past two days was too ridiculous, and I also know that it's too late to say anything now, but I truly know that I was wrong, so please say how you want to be punished, and'

Fan Deng looked at cousin Xue Yu Ning with some hesitation, he couldn't help but grit his teeth and said solemnly, 'And I hereby declare that this woman is no longer related to me, I want to divorce her, we will go through the formalities when we return to our hometown!'

This decision, although made somewhat abruptly, was the result of Fan Deng's careful consideration.

Because after these two days of mania, and today's hijacking of a pile of events, Fan Deng considered that he had completely recognized this wife of his.

During the dinner at the Grand Hyatt Hotel, she could even give up her only mother for a seat, this kind of person was simply selfish and self-serving to the extreme.

This kind of woman who can do such things to her own closest relatives may not be able to do anything else to him at some point.

For one thing, Fan Deng made up his mind to make this decision in order to clear his relationship with his cousin Xue Yuning, and for another, in case he was sold out by this woman one day.

And he seemed to remain firm, without a hint of negotiation.

The moment he said this, he simply made cousin Xue Yuning and Wang Li both stunned and dumbfounded.

Cousin Xue Yuning looked at Fan Deng in a dumbfounded manner. It took her a long time to react, and tears instantly welled up in her eyes.

In a questioning tone, she said to Fan Deng, 'Fan, what are you saying? You want to divorce me? Do you dare to say it again?'

Wang Li, who also looked flustered, said, 'Fan Deng, you can't do that. You don't know how much your daughter-in-law loves you, how can you just say divorce? That's too hurtful, isn't it?'

Fan Deng looked at the mother and daughter, couldn't help but sneer and said back, 'Well then, I'll say it again, I want to divorce you, and I have to, without a hint of negotiation, how can I possibly continue to live with someone like you? I'm really afraid that one day, I'll be played to death by you and I won't even know it.'

Fan Deng then looked at Wang Li again, and there was even more than a hint of contempt in his eyes as he said, 'Hurt people? Remember how she almost sold you out for a seat at the Grand Hyatt Hotel? What the hell can she not do? I'm still living with her? Forget it, I still want to live for two more years!'

After saying these words, Fan Deng suddenly felt a lot more relaxed and could not help but let out a long sigh of relief.

It was only his words just now that exploded in Wang Li's heart like a heavy bomb.

Of course she would not forget what had happened at the hotel earlier, and the memory was still fresh.

To be honest, she was also clear about how willful and spiteful this daughter of hers was in the past.

It was just that that one time had really surprised her to no end.

Because she didn't expect that this precious daughter of hers would sell herself out with a seat.

It wasn't that Wang Li hadn't thought about what Fan Deng had said, only that she thought about it, but then hurriedly restrained herself from thinking in that direction.

One, because in the horror of it, she seemed to have foreseen the time when she would be betrayed by her daughter.

Secondly, it was a fluke, she thought that after all, she was her own daughter and would not do such a thing anyway, right?

But things in this world are unpredictable and people's hearts are wicked. What happened that day was just the beginning, who knows what will happen to them in the future?

Thinking of this, Wang Li couldn't help but shiver, and her gaze towards her daughter instantly underwent a subtle change.

In the end, Wang Li subconsciously, moved two steps away from cousin Xue Yuning and to the side

Chapter 302 - I'll give you whatever you want

'Mom, what are you you doing?' Cousin Xue Yu Ning was baffled and a little angry, pointing at Wang Li and questioning, 'What do you mean by that? The wall is falling down and everyone is pushing? I'm your daughter!'

Wang Li's face was a bit ugly, she lowered her head and didn't say anything, and then moved two steps to the side.

That feeling, as if cousin Xue Yuning was a plague, Wang Li had a feeling of avoiding her.

Seeing this scene, cousin Xue Yuning finally understood and became even more desperate.

She pointed at Fan Deng and Wang Li, trembling all over, and sat down on the ground with a poof, crying out in pain, 'Good, you guys, you really can, seeing that people are going to lay hands on me, can't you? Now you are all leaving me alone? You people are really good, good, good, you wait, all of you wait for me, one day, I will definitely make you regret it'

When Cousin Xue Yu Ning finished her words, she hid her face and cried bitterly.

Seeing this situation so, Wang Li's heart was also very hard.

She was a little hesitant to go up and comfort her daughter, but in the end, she held back.

On the other hand, Fan Deng didn't even look at cousin Xue Yu Ning. Since he had already made his decision, he obviously didn't even have the heart to turn back.

He then looked at Jiang Hao with a smile on his face and groveled, 'Jiang Shao, what happened before, it was actually my daughter who ordered me to do it, and I caused you so much trouble, I really shouldn't have done it, I'm a son of a bitch, why don't you give me a chance, let me redeem myself for your sins, I'm willing to be a dog by your side, as long as you're happy, whatever is fine'

Vanden rattled on and on.

But his words made Jiang Hao feel sick to his stomach.

Jiang Hao shook his head with a bitter smile, looked at Fan Deng with contempt and sighed, 'You want to follow me? Oh, and say this is atonement?'

Although Jiang Hao was not deeply involved in the world, he was not a fool, and he certainly understood what Fan Deng meant.

Fan Deng's words were really nice, apologizing and saying that he wanted to atone for his sins.

But of course Jiang Hao understood that this guy only wanted to use this as an excuse to get close to him and stick to him.

Perhaps in Fan Deng's opinion, Jiang Hao could even spend more than 10 million to fill the hole for them without blinking an eye, so if he could follow Jiang Hao in the future, he would definitely have a lot of benefits to reap.

After all, for one thing, Jiang Hao is very rich and not bad. Otherwise, he wouldn't have scattered more than 10 million so easily.

Secondly, he also thinks that Jiang Hao is too naive, this kind of master who is stupid and has a lot of money, and he is pretending to be a dog, but in the end, it is not certain who treats who as a stupid pig.

In Fan Deng's opinion, if he could follow Jiang Hao through this, he would be blessed by his misfortune, and he might even be able to soar to great heights because of this matter.

But he seemed to be too naive to think that Jiang Hao would not see this little thought of his.

Jiang Hao looked at her and couldn't help but sneer as he asked directly, 'You want to hang out with me?'

When Fan Deng smiled, he hurriedly nodded excitedly, as if he thought Jiang Hao meant to agree.

Only when he was in the middle of his excitement, he saw Jiang Hao suddenly put away his smile and said to him coldly, 'You're embarrassed, you're not worthy!'

After he finished speaking, Jiang Hao took Xue Yuning's hand and walked outside, leaving a dumbfounded and embarrassed Fan Deng standing frozen on the spot.

Seeing this, Qiao Dong on the side simply burst out laughing, pointing at the wretched Fan Deng and teasingly teasing him, 'Haha, it's really funny, who do you think you are? Who do you think you are? Just because you want to follow Jiang Shao? What are you, you're worthy too?'

After saying that, Qiao Dong also put on a stern face and said sternly to cousin Xue Yu Ning and Fan Deng and Wang Li, 'I don't care if you want a divorce or not, but Jiang Shao has already paid out 13 million, so he has already been kind to you, if you still dare to renege on the remaining 700,000 with me, then don't blame me for not being polite!'

Qiao Dong coldly threatened, 'Think carefully, our Qiao family has many ways to deal with others!'

After he finished speaking, Qiao Dong also walked out of the door, followed by Manager Wu, who also left with all the people, leaving the empty, wretched house with only Cousin Xue Yu Ning's family once again.

Cousin Xue Yuning, who was already desperate, suddenly burst into an uncontrollable burst of laughter as she pointed at Fan Deng and Wang Li and sneered wildly.

'Hahahahahaha really laughed me to death, how about that? You guys fall on your sword and people end up hanging you? You people, you really deserve it, what a relief!' Cousin Xue Yu Ning said contemptuously, 'Hmph, you people, you really think you're too clever, but what happened? This is what you get for being clever, this is what you get! Fan, don't you want to get a divorce? The house and the car are in my name, aren't they? Then let's get a divorce, and I'll see how you live!'

When Fan Deng heard this, he gritted his teeth fiercely and pointed at cousin Xue Yuning, 'What are you so proud of? So what if the house and car are in your name? You still have to meekly sell it to pay off your debts?'

Chapter 303: This is your first time

The family that had been living in harmony half an hour ago was now becoming divided, which no one had expected.

Cousin Xue Yuning glared fiercely at Fan Deng, then looked at her mother, picked up her purse, turned to leave, and finally said to Fan Deng, 'Let's meet tomorrow at the Civil Affairs Bureau back home!'

Fan Deng looked at Cousin Xue Yu Ning's back, mumbled something out of his mouth, and also left.

Wang Li was the only one left in the room, and she sat down on the floor with a dull stare, and after a while, she suddenly burst into tears with a 'wow'.

She had never imagined that she would end up in such a situation.

Her daughter and son-in-law were divorced, where was she going to go?

Originally, she had come here with the intention of swallowing the house in Xue Yu Ning's mother and daughter's hometown, but what had happened now?

Not only did she not get the house, but the family was also torn apart, and they even had a debt of 700,000 yuan.

'The family has been torn apart, and they even have a debt of 700,000. 'What the hell is going on here? My life, how can it be so bitter?'

At that moment, outside the hotel gate, Jiang Hao and Xue Yuning were about to leave when they saw Xue Yuning's mother hurriedly running out of a taxi.

With a nervous face, she saw Xue Yuning and Jiang Hao and hurriedly greeted them, asking, 'Daughter, what's wrong? What the hell happened?'

Seeing her mother, Xue Yuning couldn't help but frown: 'Mom? Why are you here.'

Xue Yuning's mother sighed and didn't bother to explain, but continued to ask, 'Oh you quickly tell me, what happened, where are your cousin's brother-in-law and aunt and uncle? Did something happen to them?'

Xue Yu Ning could not help but sigh when she heard this, she somewhat did not expect that the first thing her mother did when she came here was not to ask if something had happened to herself and Jiang Hao, but to ask about that family instead.

This couldn't help but make Xue Yuning a little disappointed.

Even if they are your relatives, even if you feel sorry for your dead second uncle, but after so many years, the deficit should have been repaid, right?

Besides, if it wasn't for Jiang Hao this time, their family would definitely be dead.

So Xue Yu Ning knew that she didn't owe them at all anymore, and with her mother still having this attitude, she felt a little sad.

Xue Yu Ning reached out and pointed behind her and said, 'It's inside.'

Xue Yu Ning's mother smiled and hurriedly turned around and walked inside without even turning her head back.

Xue Yu Ning looked at her mother with an ugly face, gritted her teeth fiercely and said to Jiang Hao, 'Let's go.'

'Not waiting for Auntie? Let's go have dinner together.' Jiang Hao said with a smile.

'She didn't even look at you, and you still want to invite her to dinner?' Xue Yu Ning said in an unpleasant tone, 'Jiang Hao, let's stop making a fool of ourselves and go.'

Jiang Hao scratched his head and was about to speak when the phone suddenly rang, it was Ye Yunjie calling.

'Sister Ye?' Jiang Hao hurriedly picked up the phone, 'Is something wrong?'

Ye Yunjie answered and asked, 'Young Jiang, where are you?'

'Cloud Mist Villa, what's up Sister Ye!'

Ye Yunjie hummed, 'There's a cooperation negotiation this afternoon, if you have time, I'd like you to go over there as well, do you have time?'

Jiang Hao looked at Xue Yuning and returned, 'Alright then, then please send me the time and location, Sister Ye, I'll take a taxi there directly then.'

'Okay Jiang Shao, if it's not convenient for you, you can actually not come.' Ye Yunjie finally had said, 'I just think that this will be our first project to land in Chu Jiang, so it's better for you to be personally involved.'

Jiang Hao said, 'I understand Sister Ye, don't worry, I will definitely go, but I don't know much about this, so I hope you can help me out when the time comes.'

The two of them chatted casually again before Jiang Hao hung up the phone.

'What, do you have something this afternoon?' Xue Yu Ning asked.

Jiang Hao nodded, 'Sister Ye said there's a cooperation project to talk about, it's the first project we've landed in Chujiang, so it's still good to pay attention to it.'

Xue Yuning also nodded solemnly, looking at Jiang Hao with eyes full of expectation and said, 'Go for it, this is your first time, I hope you can make a good start!'

Jiang Hao smiled heatedly, 'Well, I know, don't worry, I'm already starting from a higher place than others, I'll definitely work harder. Alright, let's find a place to go for dinner and celebrate.'

Xue Yu Ning smiled and nodded, 'Okay.'

At this moment, Qiao Dong, who had been standing beside the two of them, heard this and hurriedly waved his hand and called for his men, 'Quickly, go and take my car, take young Jiang and Miss Yu Ning to the city.'

The man hurriedly ran off to the car.

On the other hand, Xue Yu Ning's mother had just run into the hotel when she saw her cousin Xue Yu Ning running out in a rage, with undried tears in her eyes.

'Xiao Ya, what's wrong with you?' Xue Yu Ning's mother hurried over and asked with a heart full of worry.

Cousin Xue Yu Ning raised her head and glared fiercely at the other party, saying with contempt, 'Oh, what's wrong with me? Don't you know what's wrong with me? Surnamed He, are you satisfied with the result now?'

'I'm satisfied?' Xue Yu Ning's mother was astonished, 'What's wrong with me? Xiao Ya, what's going on, tell me quickly? Did Yu Ning and Jiang Hao bully you guys?'
