

## Chapter 977 New Secretary

After leaving Glory Bank, Trevor returned to Glory Company and reported to Zakai.

Upon entering Zakai's office, Trevor gave him the bank card.

"Everything is done. The president of Glory Bank was very pleased."

Since Trevor deposited the money with his fake ID, he would have no problem taking it away at any time.

As Trevor was speaking, he noticed Zakai looked a little absentminded.

Zakai ran his tongue over his lips and smiled.

"I'll introduce you to my new secretary, Dragon. From now on, I'll leave the financial operations of my account to her."

New secretary?

Zakai's last secretary was an intelligent and competent woman. With his inadequate leadership skills, he couldn't manage the company on his own and mainly relied on his secretary, who was in charge of maintaining the company's normal operation.

But when Cyril withdrew his shares in the company, the secretary resigned.

Now, Zakai had hired a new one.

Now, Zakai had hired a new one.

Trevor remained calm and didn't think of it as a big deal.

He had opened an account under his fake ID. It wouldn't be difficult for him to transfer the money in secret. Even if the new secretary would be handling the account starting today, he wasn't worried.

"Please come in, Sigrid."

Zakai said he would introduce the new secretary later, but it seemed he couldn't wait any longer.

The crisp sound of the stiletto treading on the tiled floor followed.

"Did you call me, sir? Is there anything you need me to do?"

The secretary's flirty voice came into the room.

When Trevor turned around, he found an alluring woman by the door.

She had blonde hair and wore heavy makeup.

Her lips were red and full, and she had a nice body.

Despite the cold weather, her skirt was very short.

It was modified to flaunt her almost exposed buttocks. She looked seductive, especially with the sleek black stockings on her slender legs.

Grinning, Zakai spread out his arms and gestured for Sigrid Schneider to come over.

Sigrid smoothly leaned into his arms and smiled.

"Dragon, this is Sigrid. She will be handling all my financial accounts from now on, so you can hand everything over to her," Zakai said while subtly stroking Sigrid's waist.

Trevor nodded. "Okay."

But he was sneering inwardly.

Sigrid seemed to be a gold digger who only got her way around being Zakai's secretary by sleeping with him. Trevor didn't have to worry much about the money in the bank.

It would be a trouble if Zakai hired a competent secretary like the previous one. But the new secretary was more like a slut, so it wasn't a cause for alarm.

Glancing swiftly at Sigrid, Trevor turned to Zakai and excused himself.

"If there's nothing else you need me to do, I'll leave now."

Since Zakai wanted to be alone with Sigrid, he immediately waved his hand to dismiss Trevor.

Sigrid, on the other hand, gritted her teeth secretly as she watched Trevor leave.

After sleeping with Zakai, she felt she had earned the same noble status as him. In her eyes, Trevor was nothing but a bodyguard, but he treated her coldly. He didn't even greet her with respect.

Hiding her annoyance, Sigrid threw herself into Zakai's arms and smiled seductively. She decided to find an opportunity to teach Trevor a lesson and make him see that she was the future hostess of the Sanderson family.

Even if she was more like a sex buddy to Zakai than a lover, Sigrid was already full of herself. She wanted to show off to others and tell the world that Zakai Sanderson was her man.
