Chapter 3531

Looking at the sound transmission jade slip in Feng Mo's hand, David couldn't laugh or cry for a moment!

It seems that the various talisman masters in the human world are really lacking to the extreme!

Even these big demons can't refine simple spells!

"Senior Feng Mo, you should keep it for yourself. I have dozens of sound-transmitting jade slips here. I'll give them to you. As long as you miss me, you can use them. Don't be reluctant to part with them!"

"I can get this thing in a moment. Refined hundreds of them..."

David took out dozens of sound transmission jade slips from the storage ring and said!

"Fu**..."

Feng Mo looked at the dozens of sound-transmitting jade slips in David's hand and could only curse.

Feng Mo was not polite, took dozens of jade slips of sound transmission, and then left!

Looking at the back of Feng Mo, Old Devil Mountain Ghost was still in a trance. He didn't expect that he really saw the ancestor of Feng Mo!

After Feng Mo left, David said to Luo Shouhai and Mo Shan Gui Lao, "I met people from the Soulless Palace on the road and brought them here..."

"People from the Soulless Palace? Aren't they going to kill you? These people are all lackeys of the Demon Sealing Alliance..."

Luo Shouhai asked in confusion!

“Now the people from Soulless Palace want to break away from the Demon Sealing Alliance, so I brought them here. This Blood Spirit Valley is big enough. If the people from Soulless Palace are here temporarily, I don’t think it is possible for the Demon Sealing Alliance either. I thought of it.”

David said!

“If these people don’t target Mr. Chen, I have no objection to letting them stay in Blood Spirit Valley!”

Luo Shouhai said!

“Okay, I’ll take you to meet...”

After David finished speaking, he took Luo Shouhai and Moshan Guilao to meet Song Tianhai from the Soulless Palace!

Because they are both demons, we quickly became familiar with each other!

From now on, we will stay in the Blood Spirit Valley after the Soulless Palace, so that we can temporarily avoid the Demon-Sealing Alliance!

David asked Huofeng to take the Rhinoceros Beast to familiarize himself with the atmosphere of Blood Spirit Valley, while he himself has been studying the clock in seclusion!

Three days later, the Rhinoceros Beast became familiar with the aura of Blood Spirit Valley, and its relationship with Huofeng became even deeper!

During this period, Luo Shouhai was a little impatient!

He really wanted to know who was it that killed the entire Blood Spirit Valley!

“Huofeng, how’s it going?”

David asked Huofeng!

“No problem.” Huo Feng said confidently!

“Okay, let’s let the spirit beast find out who’s aura stayed in the Blood Spirit Valley before we came to the Blood Spirit Valley!” “

Then let the spirit beast follow the breath, and let's follow them to see what it is. People did it."

David said to Huofeng!

Huofeng nodded, and then followed the instructions from the Rhinoceros Beast!

Even though this rhinoceros beast has just been born, it is very sensitive to breath!

I saw the rhinoceros beast circling the Blood Spirit Valley, and then lingering at the entrance of the valley!

After a full quarter of an hour, the rhinoceros beast roared toward the southeast, and then ran quickly!

When David and the others saw this, they quickly followed!

Jin Dong and Luo Xi did not follow and asked them to stay and look after the Blood Spirit Valley. Besides, the people from Soulless Palace had just come to the Blood Spirit Valley and there were still many places they were not familiar with!

.....

Ye Cheng! Ye family!

Elder Chu and Ye Liancheng were both sitting in the Ye family hall!

Three days have passed, but there is no news from the Soulless Palace!

"Master Ye, it seems that the guys in the Soulless Palace have really betrayed. Three days have passed and there is no news at all."

Elder Chu said solemnly!

This time, he brought Zuo Xuan to Tianmo Mountain, but Zuo Xuan died, and the people in Wuhun Palace also rebelled. Elder Chu didn't know how to follow Zuo Tianzheng!

"Don't worry, Elder Chu. As long as these guys from the Soulless Palace don't leave the Demon Mountain, they will be found sooner or later."

Ye Liancheng comforted Elder Chu and said!

“Master Ye, how are things going with the Sheng family in Fancheng? The alliance leader has personally invited the Sheng family many times to join the Demon Sealing Alliance, but the Sheng family has always resisted.” “

If the Sheng family can join us in the Demon Sealing Alliance, Alliance, our Demon Sealing Alliance has our own formation master, and we can use various spells at will.”

Elder Chu said!

After all, the Sheng family is a well-known magic and talisman family, and everyone wants to win over them.

“Don’t worry, Elder Chu. It won’t take long before the Sheng family will beg to join the Demon Sealing Alliance.”

Ye Liancheng raised the corner of his mouth slightly, full of confidence!

Chapter 3532

David and the others are still running after the rhinoceros beast!

I’ve been running for a whole day, but the rhinoceros has no intention of stopping yet!

“Is this spirit beast OK? Where is it running to?”

Bai Qian glanced at the spirit beast running in front and asked with some displeasure!

“We’re at the boundary of Fancheng ahead. Going forward is the headquarters of the five major sects. After passing the five major sects’ headquarters, you’ll be out of the Tianmo Mountain area.”

Luo Shouhai was also a little confused, not understanding this spiritual beast. Why did you bring them all the way here!

“Fancheng? Is it Fancheng where the Sheng family is located?”

David asked!

“Yes, that’s Fancheng where the Sheng family is located!” Luo Shouhai nodded!

“Could it be someone from Fancheng who attacked Blood Spirit Valley?”

David asked in confusion!

“It’s impossible. Except for the Sheng family who has some strength, the rest of Fancheng are just young monks in the Fusion Realm. It’s impossible to destroy our Blood Spirit Valley.” “Even

if all members of the Sheng family send out to destroy our Blood Spirit Valley, I’m afraid it won’t be possible.” Easy, after all, they specialize in spells, spells, talismans, and are not really that strong.” “

Besides, our Blood Spirit Valley follows the Sheng family without any grudges, and the Sheng family has no reason to do this!”

Luo Shouhai directly denied Chen flat!

“Then it’s a bit strange that this rhinoceros beast is running in this direction. Where else can there be other places in this direction besides Fancheng?”

David asked!

“There is another Yecheng, not far from Fancheng. This Yecheng has the Ye family, which is considered the largest family. The name of Yecheng was also changed from the Ye family.”

Old Devil Mountain Ghost replied!

“Yecheng?” David seemed to have never heard of this name, so he asked Luo Shouhai, “Lord Luo, do you, Blood Spirit Valley, have any grudges against the Ye family in Yecheng?”

Luo Shouhai shook his head, “No, thisThe Ye family is very mysterious. It seems that they rarely interact with sects such as Tianmo Mountain. This time the battlefield between gods and demons was opened, and the Ye family did not participate!

“Don’t worry about anything else. I’ve been running around all day. Let’s find a place to rest. ” “

Bai Qian said angrily!

“Yes, let’s take a rest. Anyway, the spirit beast has remembered the aura, so we can continue to look for it tomorrow. “

This little consonant is so small. I’m afraid I’ll tire it out...”

Huo Feng felt sorry for the little consonant. It was tired after running for such a long time!

After all, he started working not long after he was born. !

Seeing Bai Qian and Huo Feng both saying this, David could only nod and said, “Okay, let’s go to Fancheng in front to take a rest, just in time to visit the head of the Sheng family. “

Coming out of the battlefield of gods and demons, Sheng Bushi warmly invited David. Now that he has this opportunity, David also wants to visit!

Seeing that David was going to Fancheng, Luo Shouhai and the devil mountain ghost elders looked at each other, and then He said with a slight embarrassment, “Mr. Chen, although no one in this Demonic Mountain area deliberately targets demon cultivators like us, we cannot easily step into human towns.

“We can rest here and wait for you. For practitioners, it doesn’t matter where you rest. ” “

I’m not going to Fancheng either. I’m going to take the rhinoceros with me and catch some game for it in the forest.” “Huofeng doesn’t plan to go to Fancheng Sheng’s house either.

“Okay, then the three of us will go, and we’ll rush back to meet up early tomorrow morning. “

After David finished speaking, he led Ji Yun and Bai Qian towards Fancheng!

Fancheng is a small town, and the city gate looks a bit old!

After entering Fancheng, no one stopped David and the others. There was not even a guard to be seen at the city gate!

David inquired about the Sheng family. In the entire Fancheng, almost everyone knew about the Sheng family!

Soon David found the Sheng family under the guidance of passers-by. The Sheng family!

Chapter 3533

Arriving at Shengjia, the door of Shengjia was closed!

Looking at the closed door, Bai Qian was a little puzzled and said, "The Sheng family is considered a wealthy family in Fancheng. Why did they go to bed so early and close the door?" "It

shouldn't be possible. Such a big family cannot close the door so early. Yeah, it's really strange."

Ji Yun also felt very strange!

It's not too late now, but the door of the Sheng family is closed, which is a bit abnormal!

"Ji Yun, go knock on the door and have a

look..." David also frowned slightly and asked Ji Yun to knock on the door!

He wanted to see why the Sheng family closed so early and if something happened!

Ji Yun stepped forward and knocked on the door. After knocking for a long time, the door was opened from the inside!

"Knock, knock, knock, what are you knocking on? Who are you, knocking on the door of our Sheng family randomly?"

A young man who looked young shouted angrily!

Seeing that the other party's face was full of anger as soon as he opened the door, and his tone of voice was not right, Ji Yun also became angry instantly!

"What's wrong with knocking? Can't you knock on the door of the Sheng family?"

Ji Yun replied with a cold face.

The young man was stunned and was about to curse, but David stepped forward quickly and said with a smile, "Fellow Taoist, we are here to find your family master. My name is David. Please let me know..."

David thought, as long as the gatekeeper tells Sheng Bushi his name, Sheng Bushi will definitely come to greet him in person!

But who would have thought that the young man waved his hand and said, "Our master is in seclusion, and no one has disappeared..."

"Retreat?" David was surprised. How could he be in seclusion just a short time after he came out of the battlefield of gods and demons?

"Then I'll find Sheng Jiayue, or Sheng Jiahui brother and sister..."

David felt that Sheng Bushi was in seclusion, so Sheng Jiayue and Sheng Jiahui brothers and sisters should always be there!

"The two of them are also in seclusion..."

the young man said impatiently!

"Also in seclusion?" David looked surprised. How could these two brothers also be in seclusion?

At this moment, David's brows already wrinkled!

"What about the Great Elder? I can also ask the Great Elder."

David continued to ask!

He didn't believe it. All the people he knew had gone into seclusion!

"The Great Elder is not in retreat, but the Great Elder is busy and is not here right now."

“You’d better leave and come back later!”

The young man waved his hand, and then impatiently closed the door!

David blocked the door and didn’t let the young man close it!

“What are you going to do? I told you to come back after a while. If you don’t leave, don’t blame me for being rude...”

the young man said with a gloomy face!

“Fuck you, who are you being rude to?”

“You’re a fucking watchdog. You dare to talk to Mr. Chen like this. You’re so tired of living!”

Ji Yun stepped forward and kicked the young man down. On the ground!

Ji Yun has changed a lot during this period of following David, but the attitude of this young man now really makes Ji Yun intolerable!

David didn’t blame Ji Yun. This young man really needed to be dealt with!

The young man got up and glared at Ji Yun and David. “You dare to attack our Sheng family. You have turned against you. Someone is coming. Someone wants to break in...”

As the young man shouted, an old man soon led him A dozen monks swarmed in!

“What’s going on? Who dares to break into my Sheng family?”

the old man asked with an angry face!

The young gatekeeper pointed at David and Ji Yun and said, “Second elder, it’s them. I told them that the head of the family is in retreat, but they are going to force their way in...” The

second elder looked at David and Ji Yun, his eyes full of disdain!

Ji Yun is in the Fusion Realm, and David is in the First Level Tribulation Realm. At this level, even if the Sheng family studies spells and talismans, they are still much better than Ji Yun and David in terms of cultivation level!

“Who are you? Why do you want to break into my Sheng family? If you can’t give me a convincing reason, then don’t blame me for being rude.”

The second elder snorted coldly.

Chapter 3534

“We are friends of Master Sheng. We came here specifically to visit, not to cause trouble.”

David said calmly!

“A friend of our Patriarch?”

The second elder looked at David, then sneered and said, “How could our Patriarch have a friend like you? Do you want to enter our Sheng family and deliberately get close to us?” Some talismans?”

“I’ve seen people like you a lot. No matter whose friend you are, if you want to get the formation talismans, you have to spend spiritual coins to buy them.” “

I’m really a friend of Master Sheng. Don’t believe it. You can just ask Master Sheng.” David said with a frown!

“Our head is in seclusion, so we can’t ask.” The second elder rolled his eyes!

“Then you can ask Sheng Jiayue, Sheng Jiahui brother and sister, they also know me.”

David said!

“I won’t ask anyone. Get out of here right now, otherwise don’t blame me for being rude...”

The second elder waved his hand, and a dozen monks surrounded David and Ji Yun!

David frowned and his face turned cold and terrifying!

He just came to visit the Sheng family, but he didn't want the Sheng family to be unreasonable at all!

And David had a vague feeling that something had happened to the Sheng family!

David couldn't tell exactly what happened!

"I won't leave until I see Master Sheng today..."

David said coldly!

"Okay, since I won't leave, I'll drive you away..."

The second elder made a gesture with his eyes, and more than a dozen monks took action towards David and Ji Yun!

These monks are at the first or second level of the Tribulation Realm, as well as the Fusion Realm. It can be seen that the overall strength of the Sheng family is still weak!

"I didn't want to take action. Since you forced me, don't blame me..."

The aura on David's body exploded instantly!

In the blink of an eye, no one saw what happened to David. With such a move, more than a dozen monks from the Sheng family all flew backwards!

These first and second level monks in the Tribulation Realm have long been unable to enter David's eyes!

Not to mention those Fusion Realm monks, they couldn't reach David at all and were blown away by David's explosive aura!

Seeing the sight in front of him, the second elder suddenly looked shocked, and then shouted angrily, "Good boy, come to our Sheng family to pretend to be a pig and eat the tiger. Do you think our Sheng family is so easy to bully?"

"Set up the formation, these two people today, don't even think about leaving..."

The Sheng family is a family of spells and talismans, so they are the most proficient in forming formations!

But just as the second elder finished speaking, a terrifying aura suddenly hit him, causing the second elder's body to retreat continuously, and the other monks all fell directly to the ground!

"Is this how your Sheng family treats guests? Your master personally invited us, so why are you avoiding us now?"

Bai Qian slowly walked in from outside!

The aura of the seventh-level Tribulation Realm on Bai Qian's body made the second elder's expression extremely ugly!

If at first, he didn't look down on the strength of David and Ji Yun, but now that Bai Qian has appeared, the second elder doesn't dare to look down upon them anymore!

"You are the Fox Princess among the Three Sovereigns and Four Kings, right? I'm sorry, I'm sorry..."

The second elder recognized Bai Qian and hurriedly stepped forward to get close to her!

Bai Qian glanced at the second elder coldly, snorted coldly, "Let your family master come out, I don't have time to talk to you."

"Fox Princess, our family master has really gone into seclusion..."

The second elder was very embarrassed. !

"What about his two children?" Bai Qian asked!

"This..."

The second elder opened his mouth, not knowing how to answer!

"Second Elder, since the other party is an old friend of eldest brother, please invite them in, and then ask Jiahui to come out. After all, they have come all the way." At

this time, a middle-aged man wearing a blue shirt came over. Said!

Chapter 3535

“Second Master, they...”

The second elder saw the person coming and was about to say something, but was stopped by the middle-aged man!

“Okay, stop talking and hand over Jiahui. Since you are a friend, you should receive her,”

the middle-aged man said!

“Understood, I’ll go and invite the eldest lady myself...”

The second elder nodded and then left!

The middle-aged man walked up to David and said with a smile, “I’m really sorry, these servants don’t understand the rules.”

“My name is Sheng Tiantai, and my brother is Sheng Bushi. Since you are familiar with my brother, then He is just a guest, what should I call this fellow Taoist?”

David saw that the other party was so warm and polite, and some of the doubts in his heart were dispelled!

“My name is David, this is my friend Ji Yun, and this...”

David pointed at Bai Qian and said!

“This needs no introduction. I’ve heard of the famous Fox Princess for a long time.”

Sheng Tiantai said with a smile!

Just when David was chatting with Sheng Tiantai, Sheng Jiahui came!

After seeing David, Sheng Jiahui was a little surprised and said, “Mr. Chen, why are you

here?” “I was passing by here to visit the head of the Sheng family!”

David explained!

Hearing David talk about visiting his father, an imperceptible look flashed across Sheng Jiahui's face for an instant, but after taking a look at Sheng Tiantai, Sheng Jiahui put a smile on her face again!

"Jiahui, since you are here to visit eldest brother, please entertain him. Remember to entertain him well!"

Sheng Tiantai warned Sheng Jiahui, and then led the people away!

Just after Sheng Tiantai left, David asked Sheng Jiahui, "Miss Sheng, did something happen to your Sheng family?"

Sheng Jiahui was stunned, then immediately shook his head and said, "It's nothing. Mr. Chen should come to my room." Sit down..."

Sheng Jiahui led David and the others towards their room!

But just nowThe change of expression on Gangsheng Jiahui's face had already been captured by David!

Arriving at Sheng Jiahui's room, Sheng Jiahui asked David and others to sit down, and then personally entertained a few people!

Seeing Sheng Jiahui busy, David frowned slightly!

"Mr. Chen, does the eldest lady of the Sheng family have to do it herself without anyone to take care of her?"

Ji Yun asked strangely!

After all, he has also been a young master, and he knows that in this kind of family, there are servants to serve, so there is no way for the eldest lady to be busy by herself!

Bai Qian was also surprised and said, "I think this Sheng Jiahui seems a little strange..."

David didn't speak, and kept observing Sheng Jiahui!

While making tea for David and the others, Sheng Jiahui brought it over!

“Mr. Chen, would you like some tea...”

Sheng Jiahui asked very politely!

David nodded, and after sipping the tea, he asked, “Miss Sheng, is Master Sheng really in retreat?”

“Ah...” Sheng Jiahui sighed, then nodded and said, “Yes, my father is in retreat!”

” Since the leader of the Sheng family is in retreat, let’s...”

David wanted to say goodbye, after all, Sheng Bushi was in retreat, Sheng Jiahui looked wrong, and David didn’t want to stay any longer!

But before David could finish his words, Sheng Jiahui said first, “Mr. Chen, are you leaving? My father has gone into seclusion, so I won’t leave you here...”

Sheng Jiahui was chasing David and the others out. David was even more surprised!

No matter what, David helped the Sheng family a lot in the battlefield between gods and demons, and even saved Sheng Jiahui. No matter what, it was impossible for Sheng Jiahui to chase David, but now Sheng Jiahui did this, which made David aware of it. There must be a reason!

“Miss Sheng, I don’t want to leave, I just want to stay here for one night and have a good rest!”

David changed his mind and decided to stay at the Sheng family!

“Mr. Chen, my father is in seclusion. It’s really hard for me, a girl, to entertain you for the night. You’d better leave!”

Sheng Jiahui took the initiative to drive David away with an anxious look on her face!
