“Let’s go together. It’s best if we can fight quickly. If not, you can hold each other back. I have a way to escape.”

David said to the Devil Mountain Ghost Old Man!

“Understood!” Old Devil Mountain Ghost nodded!

“You have to be careful!” David looked at Bai Qian and warned him!

“I can beat ten like you, believe it or not?”

“Ten? You beat me first and then talk...”

“Okay, since you are looking for death, I will help you...”

After saying that, the magic cultivator ignited a ball of supreme fire in his hand, and then the ball of supreme fire turned into a fiery red spiritual sword!

“I’ll kill you with one sword, and I’m using your magic whip!”

Even if David is extremely talented, it is a fantasy to think that he can defeat the seventh level of the Tribulation Realm by relying on the first level of the Tribulation Realm!

After all, the difference is huge!

David ran quickly, but the demon cultivator thought David was going to escape.

“Good boy, you do have some skills. After being hit by me, you still have the strength to run away!” “But it's all in vain no matter

how you try to escape!”

!

David used the Fire Control Step, and balls of flames rose up under his feet. Although he hadn't fully understood it yet, his speed was indeed much faster!

“I didn't expect you kid to be able to play with fire, so today I will compete with you on who has the most powerful fire!”

Come on, the demon cultivator instantly threw a ball of fire!

The fireball caught up with David at an extremely fast speed, and then exploded above David's head!

A large amount of flames directly covered David!

Seeing David immersed in flames, the demon cultivator burst out laughing!

“Haha, the feeling of being burned by the fire is not good. Now give me the magic whip, and I can save you from the punishment of being burned by the fire.” The

demon cultivator laughed and looked at David with amusement . Struggling in the fire!

Soon, there was no movement from David. When the demon cultivator saw this, he waved his hand, and the blazing flames disappeared instantly.

But after the flames disappeared, they were surprised to find that David was standing intact!

And around David’s body, there was a faint blue flame beating, seemingly protecting David!

Seeing this scene, the demon cultivator’s eyes widened instantly, his face full of disbelief!

“You...you actually have ultimate fire? Where did your ultimate fire come from?”

The demon cultivator asked David!

“Why should I tell you, who do you think you are?” “

Your demon’s supreme fire will not work when it encounters my supreme fire, and it will not hurt me at all.”

David raised the corner of his mouth and said!

“Boy, since you are so arrogant, let’s see which one is more powerful, your Ultimate Fire or mine!”

The demon cultivator waved his palms, and two flaming red flames quickly climbed into the air!

Then it exploded like fireworks, and then the two fireworks merged together and fell rapidly from the mid-air!

Just when the fireworks were falling and David was attracted by the fireworks in the sky, several flames appeared from around David's feet!

Soon a flame cage appeared, trapping David inside!

At this time, the fireworks in the sky fell, and their power was even greater than before!

David was trapped in the fireworks cage and had no way to break free!

"I don't believe you can survive being trapped here!"

The demon cultivator snorted and watched David being burned!

Chen Pingping faced the raging fire. Instead of being afraid, the corners of his mouth actually raised and he laughed!

In fact, David was just irritating this guy!

Only if this guy brings the Ultimate Fire to the extreme can David absorb the opponent's Ultimate Fire!

I saw the origin star of fire in David's body begin to flicker, and streams of suction force emanated from the origin star!

Those blazing fires are being absorbed by the suction force!

Soon, the flames became smaller and smaller, and finally even the flame cage disappeared!

The demon cultivator looked incredible!

He didn't recall the Supreme Fire, but the Supreme Fire disappeared?

This sudden change made him stunned for a moment!

David took the opportunity to whip him!

The demon cultivator came to his senses and wanted to dodge, but found that it was too late!

He was not prepared at all, and he never expected that David could escape from this flame prison!

Snapped!
