

Magic Doctor: CEO Lady's Humble Husband

Chapter 91

Upon hearing this, Jimmy Wei hesitated for a second and could not make up his mind. After all, he had allowed Fade Chen to give it try, mainly for the sake of Tom Wei.

But now, Doctor Yee's words reminded him, which made him even more skeptical of Fade Chen's medical skills. He couldn't fail this time because treating the disease was not an experiment. If he failed, it was likely to cause irreparable damage to the patient.

After a glimpse of Jimmy Wei's facial expression which had changed, Dr. Yee was even more pleased and continued saying, 'Jimmy Wei, you can't joke about Madam Wei's health. There are many people making noise in Madam Wei's room, which is not good for Madam Wei's health. You should let this liar get out here!'

Tom Wei was furious and said, 'George Yee, you always criticize Chinese medicine, and you even accuse Fade of lie. What about you? You've been treating my aunt for more than half a year. You have tried all kinds of ways, but what is the result? You are the liar!'

After listening, Doctor Yee suddenly became anxious and shouted, 'In the past six months, I have tried my best managed to stabilize the patient's physical condition and slow down the rate of deterioration. Is it useless?'

Moreover, I was very confident that I am able to cure the patient as long as I have the Fire Flame Plant on hand, however, it turned out that someone had given away the Fire Flame Plant.' Doctor Yee said to Tom Wei bluntly.

When came to the matter that regarding the Fire Flame Plant, Tom Wei suddenly became discouraged. He lowered his head and doesn't dare to say anymore.

At this time, Jimmy Wei seemed to have made up his mind. He looked up at Fade Chen and he obviously believed in the word of Doctor Yee. Then, he was ready to get rid of Fade Chen.

A smile appeared on Doctor Yee's face when he saw this situation. He looked at Fade Chen delightedly and said, 'Liar, get out of here!'

At this time, Fade Chen became silent, then suddenly picked up a stack of list and walked towards Doctor Yee and said, 'Are these the medical instruments and medications you asked for in the past six months?'

Doctor Yee's eyes flickered slightly, then he looked at Fade Chen and said, 'So what? These are the top medical equipment and medicine from abroad. A liar like you can understand it?'

Fade Chen said with an evil smile, 'These are the Western medical equipment and medicine which are ultra costly! looked at it and found out that it cost about 20 million dollars in the recent two months. In total, Doctor Yee had spent 60 million dollars in the past six months.'

Doctor Yee said with a slight pause, 'These medical equipment and medicine are necessary!'

After that, Doctor Yee faced to Jimmy Wei and said seriously, 'Jimmy Wei, we can't let this cheat stay on. Hurry up and get him out of here now!'

Fade Chen sneered and said, 'Why? Doctor Yee, you seem to look so anxious to drive me away. Are you worried about that I will expose your scam?'

Doctor Yee was trembling after hearing what Fade Chen said and shouted at him, 'What are you talking about! I have nothing to lie about! Mr. Jimmy Wei, please hurry up and drive this liar away.'

Jimmy Wei was about to interfere, but Fade Chen made a hand gesture and said, 'Mr. Wei, perhaps you don't believe what I say now. However, you can send someone to check the income of Doctor Yee's account for the past six months, as well as the whereabouts of the relevant equipment and medicine purchased. I think there may be unexpected discoveries.'

Upon hearing this, Doctor Yee's facial expression suddenly changed. He was furious and shouted, 'That is absolute nonsense, you are slandering me. Mr. Wei, this liar is too absurd. We must get him out of there immediately.'

Fade Chen smiled faintly and said, 'Doctor Yee, why are you so agitated? Am I right in saying the facts of your cheating behaviour?'

'Nonsense! I didn't do anything wrong!' explained Doctor Yee.

At this moment, Jimmy Wei's facial expression changed. Finally, he waved to Tom Wei and said, 'Tom, go check on what Fade Chen mentioned just now!'

Tom Wei hurried down, then Doctor Yee looked ever more sombre.

Face Chen said, 'Doctor Yee, why are you looking so restless?'

Doctor Yee lowered his head and he looked crestfallen. After a few seconds uniform and threw it on the ground. Then, he said to Jimmy angrily, 'Sir, I don't understand why you would believe in this liar. His words are insulting me. I can't accept such silence, he suddenly took off his humiliation

'If you insist on this, then I won't cure your wife's illness, Ill just leave!' After that, Doctor Yee was about to leave in a rage.

Jimmy Wei calm down and persuaded, 'Doctor Yee, don't be triggered. I'm just checking. It's nothing serious.'

Doctor Yee shouted angrily, 'You mean that this is a casual investigation? In my opinion, such behavior is an insult to me, George Yee, and it also tramples on my personality as well as my medical skills. I can't tolerate this kind of slander. If Tom Wei does not cancel the investigation and drive this liar away, then you had better ask another doctor to cure your wife's illness. Perhaps you can count on this impostor doctor of traditional Chinese medicine to cure your wife's illness.'

Such words hit Jimmy Wei hard. Of course, he was not afraid of a doctor like George Yee. There were too many ways to deal with him. But there was one thing that he couldn't get over, which was his wife's illness.

Over the years, he had hired a lot of doctors, but in the past six months, the effect of George Yee's treatment was the most effective, and was the best hope to be able to heal his wife's illness. So, he did not dare to make this decision and also let the last hope of reviving his wife just slip away.

Seeing the hesitation in Jimmy Wei's eyes, George Yee knew that his threat had taken effect. He said arrogantly, 'If you can't make a decision, then I'm leaving.'

Jimmy Wei did not dare take any risks. He turned his head and looked at Fade Chen, ready to speak and drive him out.

When the moment he turned his head and looked over, he was startled. His eyes widened and turned scarlet. He jumped over agitatedly and said, 'What are you doing!'

At this moment, Fade Chen was actually using silver needles to prick on Madam Wei. As for Madam Wei, as the silver needles pierced into her body, the colour on her face constantly changed, and her cheeks were red, as if blood was gushing through her.

George Yee's eyes glittered with excitement. He shouted sternly, 'Hey liar, what have you done to Mrs. Wei. Stop it!'

Despite the angry roars of the two people, Fade Chen ignored them completely. Instead, he pricked a needle again. This time, Mrs. Wei's swollen cheeks turned even redder, as if they were about to burn up in flames.

Seeing this, Jimmy Wei was so anxious that he gritted his teeth. With a burst of anger, he struck out a palm towards Fade Chen. 'Get out of here!'

George Yee wanted to stir up trouble, so he shouted, 'This is not consider as treatment, but murder! Mrs. Wei is going to be tortured to death by him!'

Chapter 92

Jimmy Wei was anxious and angry, and his eyes were almost popping out. His hefty palm was about to hit Fade Chen.

At this moment, Fade Chen suddenly helped Mrs. Wei up and patted her on the back. Suddenly, Mrs. Wei spat out a mouthful of blood which stained the white quilt and sheets red.

Seeing his wife spit blood, Jimmy Wei was extremely angry and shouted, 'B*stard, I'm going to kill you!'

George Yee's eyes shone with excitement. He wanted nothing more than Jimmy Wei to kill Fade Chen with just a slap.

But at the last moment, Mrs. Wei, who was on the bed, after spitting out a mouthful of blood, she opened her eyes and called out 'Jimmy'

Suddenly, Jimmy Wei, who was furious, froze on the spot and stared blankly at his wife on the hospital bed. His face showed an unbelievable excited expression. 'Rolie, you, you wake up!'

'Jimmy, what's going on? I... Mrs. Wei was a little unclear about the current situation. But Jimmy Wei's eyes were already full of tears. He rushed over and hugged Mrs. Wei, crying bitterly. This big shot from North Bay City was crying like a child at this moment.

On the other side, George Yee, who was originally proud, was completely shocked by Mrs. Wei's sudden awakening. A few seconds later, he thought of something. His face changed and darkened. He quietly turned around and walked toward the door.

Just as he walked to the door, a cold snort sounded behind him. 'Doctor Yee, where are you going?'

George Yee was shocked and wanted to run away. But as soon as he took a step, he suddenly found himself in the air. He felt as if he was pulled back by an invisible force and fell to the bedside, uttering a painful wail.

Jimmy Wei also noticed that something was off. He let go of his wife, looked at George Yee coldly, and said in a cold tone, 'Why are you running away?'

Looking at Jimmy Wei's cold and fierce eyes, George Yee realized that the man in front of him was a big shot who could kill people as if they were insects. He couldn't help but tremble and said, 'I, I wasn't planning to escape. I just...

George Yee was still making up excuses, but at this moment, Tom Wei rushed in with a stack of materials. 'Uncle, there is something wrong. There is a big problem with George Yee.'

'Say it.' Jimmy Wei's face darkened.

Tom Wei said, 'I had checked George's bank account in the past six months and found out that in addition to the medical expense paid by my family, he also received more than 50 sums of income, totaling to of 22 million dollars. Moreover, half a year ago, the unclaimed instruments and drugs were secretly channeled to various private hospitals in Bay City.'

‘Basically, I’m sure that George has been selling the medical instruments and medicines purchased for Auntie in secret for the past six months.’ Wei sitting up. He was shocked and rushed over in a hurry. ‘Auntie, you’re awake!’

Tom Wei and Mrs. Wei embraced each other with tears on their faces.

On the other side, Jimmy Wei looked at George Yee coldly and said in a cold voice, ‘Now, do you have anything to explain?’

‘Mr. Wei, I, I didn’t...’ George Yee still wanted to argue.

‘Tell me the truth!’ Jimmy Wei roared, which scared George Yee and made him tremble.

Seeing this, Fade Chen said, ‘Mr. Wei, Madam just woke up and needs some rest. Let’s take him somewhere else!’

Only then did Jimmy Wei come back to his senses. He nodded to Fade Chen, then lifted George Yee with one hand and walked out.

Then, Fade Chen asked Tom Wei to prepare the medicine and injected some liquid into Mrs. Wei’s body to maintain her health.

After taking the liquid, Mrs. Wei looked better and fell asleep.

As for Jimmy Wei, the interrogation of George Yee also came to an end. It was true that George Yee was a doctor, but there was a huge gap between his actual education level and the national chief physician he claimed to be.

He was just an ordinary doctor of a second-rate hospital in a northern city. He accidentally found out that Jimmy Wei spent a lot of money to hire famous doctors all over the country to treat his wife.

Therefore, with the dream of making a fortune, he came to Bay City and learned about Mrs. Wei’s condition. He knew that his medical skills were not good enough to cure her. So he had an evil idea in mind. He waited until after all the doctors across the country were helpless. Then, he took advantage of Jimmy Wei’s anxious mentality and pretended to be a foreign doctor and said that he could cure Mrs. Wei.

Then he took some medical measures to win the trust of Jimmy Wei. In the past six months, he constantly bought a large number of things that were not needed by Mrs. Wei in the name of treating her illness, and secretly sold them to the hospitals in Bay City to seek benefits from them.

Even the Fire Flame Plant that Fade Chen used was what he used to make money. It had no effect on Mrs. Wei's condition. Unexpectedly, Fade Chen saw through his trick.

Therefore, George Yee was so agitated that he wanted to drive Fade Chen away, because he was worried that his scam would be exposed. But now, the scam was exposed.

But now, the scam was exposed. This guy cheated was cheating the powerful Wei family. Needless to say, the consequences were unfathomable.

After dealing with George Yee, Jimmy Wei immediately came to see Fade Chen. After entering, he slapped himself without saying a word. Then he bowed his head and bowed deeply to Fade Chen, saying, 'Mr. Chen, I'm really sorry. I didn't know what I was doing and I misunderstood you. I deserve to die!'

Fade Chen quickly helped Jimmy Wei up and said, 'Mr. Wei, you are too serious about it. As the saying goes, those who don't know do not deserve to be punished. You are deceived by others. Besides, Tom, Lily and I are good friends. I should also treat Mrs. Wei in any case.'

'Mr. Chen, I will never forget your kindness. In the future, as long as you order, I will give anything without hesitation.' Jimmy Wei said sternly.

'Me too!' Tom Wei echoed.

Fade Chen helped them up, then told Mrs. Wei some instructions where she should pay attention to, and left a few prescriptions.

Then, Jimmy Wei personally sent Fade Chen and Quin Lin out of the door, and Tom Wei drove them home.

On the way, Fade Chen suddenly thought that he had not seen Lily Wei around. He couldn't help but be curious and asked, 'Tom, where is your cousin? Why didn't I see her at home today?'

Wei Tian smiled bitterly and said, ‘Brother Chen, they don’t get along with each other very well. She won’t stay with my uncle at home. Besides, recently, because of the attack from the black-clothed man, my uncle asked me to find another safe place for my sister to live. She is not in Bay City now.’

‘I see!’ Fade Chen said.

Tom Wei said again, ‘However, you cured my second aunt this time. Perhaps the relationship between my sister and my second uncle can be eased.’

‘I hope so!’ Fade Chen sighed.

Chapter 93

When Fade Chen and Quin Lin got home, it was already midnight. After washing up, they went to rest. The next day, in consideration of Fade Chen, Quin Lin gave him a day off and told him that he did not need to go to the company for work.

The misunderstanding was solved, and with the change of his wife’s attitude, Fade Chen was feeling good. He took a good nap at home and didn’t get up until lunch.

After lunch, Fade Chen intended to continue sleeping, but he didn’t expect that Momo Soo would call and ask for Fade Chen to accompany her to go shopping. Fade Chen had no choice but to drive over.

Fade Chen accompanied Momo Soo for the whole afternoon. Finally, in the evening, he tiredly returned to her rented apartment with more than ten shopping bags with Momo Soo.

Seeing Momo Soo changing into those colorful dresses one by one and being asked to choose the most beautiful ones, Fade Chen suddenly had a migraine.

‘Momo, didn’t you try all of them in the afternoon? Since you bought them all, it means that you like them. You can wear any one of them!’ Fade Chen couldn’t help but complain.

As a result, Momo Soo pouted and said, ‘No, I must choose the most suitable and most beautiful one. After all the day after tomorrow is an important day!’

‘An important day? What day? Is it your birthday?’ Fade Chen asked.

Momo Soo curled her lip and said, ‘Brother-in-law, you don’t care about me at all. You don’t even know I’m attending the art festival, humph!’

‘What kind of festival is that?’ Fade Chen was confused.

Next to them, Yuri Zhang, with a ponytail, smiled and brought a glass of drink to Fade Chen. Then she explained, ‘The art festival held by our university is extremely large. They even invited some celebrities to perform with our university students. Momo will also perform a dance on that day.’

‘Dancing! Momo, I haven’t seen you dancing!’ Fade Chen said.

‘Brother-in-law, come and see me the day after tomorrow! Remember to cheer for me!’ Momo Soo said.

‘I was just joking!’ Fade Chen was speechless. He made an excuse and said, ‘What if I need to work the day after tomorrow?’

‘What’s the matter? I’ll just tell my sister and let her give you a day off. That’s settled. Brother-in-law, if you don’t come, you’ll definitely die.’ The little beauty gritted her teeth and said to Fade Chen.

Fade Chen could only nod and agree. What else could he say?

While drinking from the glass, Fade Chen chatted with Yuri. ‘Yuri, have you attended any events?’

Yuri Zhang quickly waved her hand and said, ‘I don’t have any talent, how can I take part in any event? I’m satisfied with my work now.’

Momo Soo said, 'Yuri, you are too modest. With your beautiful appearance, if you dress up and stand there without doing anything, it will be a good performance already. It will definitely attract the attention of many boys.'

'Of course not! I'm not beautiful. Momo, you're the pretty one.' Yuri Zhang blushed and waved her hand. However, there was a hint of envy and regret in her eyes.

Fade Chen could see that Yuri Zhang was good-looking and temperament. As a young girl of her age, she would naturally hope to show off her beauty to get everyone's recognition. It was just because of her family background that she was not so confident.

'Perhaps I have to find some opportunities in the future to let Yuri show herself to increase her confidence!' Fade Chen thought.

After chatting for a while, Momo Soo finally chose a gorgeous dress. Fade Chen was finally relieved and drove home.

Two days later, the Bay City University art festival had finally begun. Although it was only a campus festival, it still attracted a lot of media and society figures to the show. In particular, the organizer invited a recently popular local actress... Charlotte Gao, who attracted a large group of fans.

At five o'clock in the afternoon, the festival officially began. Under the large stage, tens of thousands of students and members of society surrounded the stage tightly. The cheers and shouts grew louder and louder. The stage was comparable to the stage from a concert of some celebrities.

At the beginning of the program, several singing and dancing performances were of average quality. There were no mistakes, but they were not very brilliant. The atmosphere at the scene was mild. After all, the real exciting performances were left to the end on purpose. For example, the solo singing of the celebrity Charlotte Gao was arranged as the finale show.

After watching for a while, when Momo Soo's dance came on in the middle of the festival, there was a burst of excitement and cheers. It had to be said that this was the power of the campus belle.

In the end, Momo Soo's performance won the most enthusiastic applause since the beginning of the festival. The little beauty, Momo Soo left the stage happily.

After Momo Soo's performance had ended, the quality of the following programs returned to ordinary. Fade Chen was also a little tired, so he got up and left his seat and slipped to the backstage.

At this moment, the backstage was very busy. The staff and actors were bustling in and out. Among these busy figures, there were a lot of students in the uniforms of Bay City University, who were frantically running around. Some of them carried things, some handed over clothes, and some were even needed to buy water and food. They were more tired than the actors at the front.

'Yuri is also a volunteer. It's really hard for her!' Fade Chen was thinking when he saw a girl passing by with a box lunch.

After recognizing that it was Yuri Zhang, Fade Chen smiled and cheered her up. 'Go Yuri!'

Hearing his voice, Yuri Zhang turned her head and saw Fade Chen. She immediately smiled shyly, nodded, and continued walking into the backstage area.

Smiling, Fade Chen put his hands in his pockets and was ready to go somewhere else. But at this moment, a scream came from the backstage area. Then, Fade Chen heard a quarrel.

Fade Chen heard Momo Soo's angry shout, 'This is her fault. She should apologize!'

Hearing this, Fade Chen frowned and walked backstage.

At this moment, the backstage was in chaos, and no one paid attention to Fade Chen's entry. Everyone squeezed into the middle and was trying to manage a situation.

Fade Chen walked in and glanced around. Soon he found Momo Soo in the crowd. Beside Momo Soo, Yuri Zhang lowered her head and sobbed softly.

Suddenly, Fade Chen pushed the crowd aside, walked to the two girls, and asked, 'Momo, Yuri, what happened?'

Momo Soo felt relieved when she saw Fade Chen coming over. Then she pointed to a twenty-five-year-old woman in front of her and said, ‘When Yuri brought her the food, she knocked over the meal. But she blamed Yuri and asked her to pick up the food on the ground and eat it.’

‘What!’ Fade Chen’s face became gloomy and he looked at the woman.

Chapter 94

The woman was wearing a gorgeous gown, surrounded by several makeup artists and assistants. At this moment, she was shouting angrily, ‘What are you doing? It’s my turn to go on the stage. You purposefully knocked over the dishes to dirty my clothes. This is obviously intentional.’

Fade Chen looked at the woman. She was a famous celebrity on the art festival poster, the popular star in Bay City recently... Charlotte Gao.

Yuri Zhang heard Charlotte Gao’s words and argued with a wronged face, ‘I didn’t mean it. It was you who knocked it down by accident. At that time, I was not even by your side.’

‘You’re still quibbling!’ Charlotte Gao roared.

Momo Soo fought for Yuri Zhang, ‘You are the one who is quibbling. I saw what happened just now. It was obviously your fault, but you blame others instead.’

‘Well, well, you still don’t admit your mistake.’ Charlotte Gao was furious and commanded the assistant beside her, ‘Hold them down. I want them to eat all the food on the ground for me.’

Suddenly, the four assistants next to Charlotte Gao rushed over. They were huge in size and tried to hold onto Yuri Zhang and Momo Soo. At the same time, someone on the other side grabbed the scattered food on the ground and was about to put it into their mouths.

Yuri Zhang was scared and started crying immediately, while Momo Soo glared at Charlotte Gao and began to resist and fight with the four assistants.

‘Disobedient girls, beat them!’ Seeing this, Charlotte Gao shouted angrily.

In an instance, several makeup artists around her also joined in, trying to press Momo Soo and Yuri Zhang to the ground.

Just as they were about to attack, a loud shout like a clap of thunder sounded. ‘Get out of my way!’

In just a moment, Fade Chen’s figure flashed and he rushed over. Then there was a crackling sound. Several assistants and makeup artists of Charlotte Gao screamed and flew out. They fell heavily on the ground and groaned in pain.

One of them fell beside Charlotte Gao and almost hit her, which startled her. After being startled, and seeing the people around her lying on the ground, Charlotte Gao burst into anger and shouted, ‘Who are you? How dare you hit my people, you are courting death!’

‘F*ck!’ Fade Chen snorted. He slid forward and landed a slap on Charlotte Gao’s face.

Charlotte Gao was stunned and stood still. After a few seconds, she came back to her senses and shouted, ‘How dare you hit me! How dare you hit me! Catch him and kill him!’

At once, all the people around Charlotte Gao were on it. Even the school’s security guards came and surrounded Fade Chen and were about to take action.

Seeing this, Fade Chen snorted and his fists and feet flew. In less than a minute, he put all the people around him to the ground.

Then, he looked at Charlotte Gao coldly and said coldly, 'Come here and apologize to Yuri and Momo!'

Charlotte Gao's face alternated red and white. Her feet seemed to be nailed to the ground and she couldn't move at all. After all, she was a celebrity. She couldn't do such shameful things such as apologize publicly to the two students.

Seeing that Charlotte Gao did not take any action, Fade Chen's eyes became fierce. He slammed his palm on a wooden table and smashed it into pieces instantly. He shouted angrily, 'Get over here, or I'll be smashing your head next.'

Charlotte Gao was so scared by his imposing attitude that she trembled all over. She couldn't stand anymore and walked towards him in a trembling manner. Her face darkened in fear.

At this moment, a middle-aged man in his forties, wearing a pair of gold-rimmed glasses, came in. 'What's going on? Why is it so noisy.'

Seeing this person coming in Charlotte Gao's face suddenly changed and she said, 'Director Huang, you're just in time. Please teach your students a lesson. They've stained my clothes and won't admit their mistake. Now they even asked someone to beat me up.'

When Director Huang heard this, his face suddenly changed and said, 'Is there such a thing? Who did it?'

Before Yuri Zhang could explain, Charlotte Gao pointed at them and said, 'It's them.'

Director Huang's face darkened. He walked over and shouted, 'Aren't you going to apologize to Miss Gao?'

'We did not do anything wrong. Why should we apologize? It's clearly her nonsense. She knocked it over...' Momo Soo wanted to explain.

However, Director Huang wouldn't listen to her and interrupted directly, 'There's nothing to say. Apologize quickly!'

‘It’s impossible. We did nothing wrong. It’s her who should be apologizing!’ Momo Soo stared at Director Huang and said with a tough face.

‘You, you..’ Director Huang was angry.

At this time, Charlotte Gao snorted and further fueled the fire. She said, ‘Director Huang, if you don’t deal with this matter now, I won’t be in the mood for the next show.’

Director Huang was shocked by Charlotte Gao’s words. After all, he was the chairperson of the school art festival. If the festival was messed up, he would definitely be responsible for it. And his position in the school would be affected. He would never allow such a thing to happen.

He quickly smiled at Charlotte Gao and said, ‘Miss Gao, don’t worry. Our school will solve this matter well. I’ll give you a satisfactory explanation!’

After that, his face changed instantly. He stared at Yuri Zhang and Momo Soo and said, ‘Go and apologize to Miss Gao immediately. Otherwise, it will affect the festival. Can you bear the responsibility?’

‘We’re right, we will not apologize!’ Momo Soo said toughly Yuri Zhang did not speak, but her eyes were full with tears of determination.

Director Huang’s face suddenly darkened and he said in a low voice, ‘If you don’t apologize now, it means that you are affecting the order of the school. I have the right to expel you!’

He deliberately emphasized the word ‘expel’ with a threat.

Yuri Zhang and Momo Soo didn’t expect that the principal of the school, Director Huang, would threaten his students with expulsion so indiscriminately. They couldn’t help feeling angry and sad.

‘Go and apologize now!’ Seeing that the two students did not move, Director Huang was angry. He waved his hand and shouted, ‘Security guards, come over and take them away!’

Hearing this, the two girls couldn’t help but tremble, and tears began to flow from their eyes.

At this moment, Fade Chen gently held the two girls' slender hands and whispered, 'Leave it to me!'

The two girls felt a sudden warmth, and their hearts inexplicably calmed down.

With a crash, several security guards came in.

Director Huang waved his hand and shouted, 'Take them away!'

Fade Chen narrowed his eyes and was about to take action. At this moment, a middle-aged man's voice sounded, 'Wait a minute! Director Huang, what are you doing?'

Hearing the sound, Director Huang turned his head and saw a suited man who was in his late thirties walking in. He suddenly frowned and said, 'Teacher Xu, what are you doing here?'

Chapter 95

Teacher Xu was also one of the school staff in charge of this festival. Of course, he was the vice chairperson, and Director Huang was the chairperson.

In order to be the head for this event, Director Huang often fought with Teacher Xu openly and in secret. At this moment, when he saw Teacher Xu coming over, he could not help but be vigilant. He was worried that Teacher Xu would take the opportunity to cause trouble and mess things up. If that's the case, Director Huang would naturally lose to him.

Thinking of this, Director Huang's expression became colder. He said, 'Teacher Xu, you are responsible for the affairs outside. The performance is not over yet. What are you doing here?'

Teacher Xu's face was gentle. He pushed the black-framed glasses on the bridge of his nose and said, 'Director Huang, it's not good to let the security guards attack the students!'

‘Student? This kind of student who disobeys teachers is not qualified to stay in our university!’ Director Huang shouted.

Hearing this, Teacher Xu frowned, turned his eyes to the student and asked, ‘What happened?’

All of a sudden, there was a lot of noise in the field, and many people began to talk.

However, Teacher Xu still listened to the general story and the opinions of both parties. He immediately frowned deeper and said, ‘Director Huang, we haven’t figured it out yet. If there is no conclusion, I’m afraid it’s not appropriate for you to treat our students like this!’

Without waiting for Director Huang to speak, Charlotte Gao, who was next to him, couldn’t help but commented sharply. ‘There’s nothing to investigate. This is obviously their fault. You just want to help your own students. If that’s the case, I won’t attend this art festival.’

When Director Huang heard this, he quickly persuaded Teacher Xu. Then he looked at Teacher Xu and said, ‘Teacher Xu, things have been very clear. It’s their fault!’

Teacher Xu shook his head and said, ‘Director Huang, I think it’s better to investigate this matter. Until then, we can’t make any conclusion.’

Hearing this, Charlotte Gao looked at her watch, snorted and said, ‘There is less than half an hour before the last show. It takes me 20 minutes to do my make up. If I can’t hear an apology within 10 minutes, I will quit this show.’

When Director Huang heard this, he suddenly became a little anxious and raised his tone. He said to Teacher Xu, ‘Teacher Xu, this affects the success or failure of this art festival. If the festival fails, will you take the responsibility?’

Teacher Xu’s face changed slightly, but he did not move his feet. He gently shook his head and said, ‘No matter how important the festival is, it is not as important as the innocence of our students. If our school wronged our students, it will be a big thing. I can’t allow such a thing to happen.’

When Director Huang heard this, he was so angry that he almost lost his temper. He said, 'Teacher Xu, what you said is pleasing to the ears. But if the festival is ruined, will you go report it to the school board and be responsible for it?'

Teacher Xu nodded firmly and said, 'If I really wronged Miss Gao and caused the failure of this festival, I am willing to bear the responsibility. But if I am not wrong, I hope Director Huang can apologize to the students.'

'You! Good, very good..' Charlotte Gao's face was vicious. 'If this is the attitude of your school towards celebrities, won't perform the finale. Let's see what are you going to do about it!'

Hearing this, Director Huang looked at Teacher Xu and said, 'Teacher Xu, we have already publicized the finale. This time, it's not only the students of our university, but also many media reporters have come. If Miss Gao doesn't show up in the end, how can you explain it to everyone?'

Hearing this, Teacher Xu could not help but frown slightly and showed a little worry on his face. After all, if Charlotte Gao did not go on the stage, the last show would definitely be a failure. At that time, even if he found out that Charlotte Gao was at fault, he would have to take the responsibility.

However, at the thought of the students, Teacher Xu nodded firmly and said, 'Director Huang, you don't have to worry about this!'

'You... Okay, let's see how you solve this matter.' Director Huang was so angry that he walked towards Charlotte Gao and was ready to leave.

At this time, Yuri Zhang, Momo Soo and other students and actresses surrounded Teacher Xu with gratitude.

'Teacher Xu, thank you for trusting us!'

'Teacher Xu, you won't be punished by the school, will you?' 'What should we do with the last show?'

Speaking of the finale show, Teacher Xu looked helpless. He sighed and said, 'Cancel the last show.'

'If this is the case, I'm afraid the impact will be bad!' 'Not only would it be bad, but it's going to be the end of us.'

There are a lot of media and fans on the scene, almost all of them here because of Charlotte Gao. If we cancel the last show now, I'm afraid it will cause riots on the spot.'

'Then what should we do? At this time, we can't give in, can we?'

The discussion of the students passed, making Director Huang and Charlotte Gao, who were ready to leave, deliberately slow down at this moment. They looked at this side with a proud look, as if they were watching a good show. 'Hmph, without Charlotte, how will you settle this matter?' Director Huang thought in his heart.

Director Huang secretly thought in his mind, Teacher Xu, you want to be a saint in front of the students? I'll let you be. If the festival turns into a disaster, you'll have to bear the consequences, humph!

Just as the two were feeling proud of themselves, Momo Soo suddenly cried out in surprise, 'I have a way!'

'What is it?' Everyone looked at her curiously.

Momo Soo said, 'Since we've canceled the last show, we can just add another one.'

'Just add another one. It will be less than half an hour before the final performance began. How can we just add another program?'

'Besides, no new program can be added!'

Momo Soo rolled her eyes and walked over to Yuri Zhang, She pushed Yuri Zhang out and said, 'The last performance, we will have Yuri to perform on the stage!'

'Ah, Yuri!'

'For Yuri to perform on the stage. Can she do it?'

Hearing this, everyone showed a look of suspicion on their faces. After all, Yuri Zhang was usually low-key and reserved, and she had never shown any talent at all.

Even Yuri Zhang herself, after hearing Momo Soo's words, quickly waved her hand and said in a panic, 'No, no, I can't do it. Momo, don't mess around. This affects the art festival greatly!'

Momo Soo hugged Yuri Zhang and said with a smile, 'Yuri, be confident. The songs you usually sing in the dormitory are very pleasant. You can sing that song later on the stage. There must be no problem.'

While speaking, Momo Soo took out her mobile phone, clicked on the recording, and said to everyone, 'Listen, this is a video I recorded.'

Everyone calmed down and held their breath to listen carefully. Even Fade Chen came over with interest at this moment. After all, Yuri Zhang had always been reserved, and she had never sung a song in front of him.

Chapter 96

The sound gradually appeared, and the recording of the mobile phone was not very clear. It contained all kinds of noises and there was no music accompaniment. However, a clear and beautiful voice could still be heard, which was like a voice from heaven, and everyone around was excited.

'Not bad!'

'That's good. Listen carefully!'

'Great, Yuri, you sing so well. Why don't you sing normally?'

The students nodded one after another, and even Teacher Xu showed a satisfied smile. He looked at Yuri Zhang and said, 'It's really good. Yuri, for the last show, you will go on stage and sing!'

‘But, I.’ Yuri Zhang was a little hesitant and timid. After all, she had never performed on stage. Moreover, it was such an important occasion, being the finale.

Momo Soo and other students hurriedly persuaded her to do it.

Fade Chen also smiled. He gently patted Yuri Zhang on the shoulder and said, ‘Yuri, don’t be afraid. We all will support you’

Yuri Zhang nodded slightly and agreed. Everyone couldn’t help but be excited. Teacher Xu quickly ordered everyone to are. After all, it was not long before the last show.

However, at this moment, Charlotte Gao and Director Huang, who had not left the backstage, heard their decision and mercilessly criticized them.

Charlotte Gao crossed her arms and said sarcastically with squinted eyes, ‘Oh, so this is also counted as good. Do you really think that everyone can be a singer? At this level, going on stage is just going to be embarrassing yourself.’

Director Huang also said, ‘This level is far worse than Miss Gao’s. Not to mention that everyone is coming for Miss Gao. Who will want to see a newcomer on the stage?’

The burst of sarcasm made Yuri Zhang, who finally had some self-confidence, feel uneasy again. ‘, I still can’t do it. If I screw up the last show, then...’

Teacher Xu, Momo Soo and others quickly encouraged her. However, Yuri Zhang was obviously affected by Charlotte Gao and Director Huang’s words. At this moment, her confidence was broken. Yuri Zhang hesitated and was reluctant to speak for a long time.

Seeing this, Charlotte Gao and Director Huang smirked in satisfaction.

‘That’s right. With your level, don’t make a fool out of yourself.’ Charlotte Gao sneered.

Director Huang also looked at Teacher Xu with a proud face and said, ‘Teacher Xu, this art festival has been screwed up. Please explain to the school board yourself!’

In this way, the pressure on Yuri Zhang was even greater, which made the tiny confidence that she gained, be pushed to the bottom of a valley. No matter how the people around her persuaded and cheered for her, it was useless.

Seeing that the situation was not good, everyone was anxious. At this moment, Fade Chen suddenly thought of something, and his eyes lit up. He took out his phone and made a phone call. Then he grabbed Yuri Zhang's delicate hand and took her aside, saying, 'Yuri, tell Brother Chen, what's your concern?'

Yuri Zhang hesitated for a while and whispered, 'Brother Chen, I know you all mean well. But, I don't want to ruin the art festival.'

Fade Chen quickly persuaded, 'Yuri, you sing beautifully. How can it be ruined?'
'But, but. Charlotte was right. The reporters and fans are coming for her. Even if I sing well, I'm afraid that it will be useless. Yuri Zhang said her worries.

Hearing this, Fade Chen smiled and said to Yuri Zhang, 'You don't have to worry about this at all. I can assure you that those reporters and fans will not be dissatisfied, and it will even exceed their imagination and they will be more than satisfied.'

'Really?' Yuri Zhang looked at Fade Chen in disbelief.

Fade Chen took out his mobile phone and showed it to Yuri Zhang. Then he whispered something in her ear.

After listening to it, Yuri Zhang's beautiful eyes immediately sparkled in excitement.

'Brother Chen, is what you said true?'

Fade Chen pretended to be angry, scratched Yuri Zhang's nose and said, 'Will Brother Chen ever lie to you? You can rest assured. Since I can guarantee you this, there will be no problem.'

'Well, I believe in you, Brother Chen.' Yuri Zhang said with a smile, then walked back, nodded to Teacher Xu and others, and agreed to perform on the stage.

All of a sudden, everyone was overjoyed and began to prepare.

On the other hand, Charlotte Gao and Director Huang could not help but frown slightly when they saw this.

'What did he say? Did he think of a way?' Charlotte Gao asked.

Director Huang quickly said, 'It's impossible. No matter how hard he tried, she will definitely be not as good as you, Miss Gao. After all, everyone is coming for you.'

'That's true!' Charlotte Gao nodded and turned to leave.

Seeing this, Director Huang quickly stepped forward and persuaded, 'Miss Gao, don't rush away.'

'If I don't leave, what am I doing here?' Charlotte said discontentedly.

Director Huang came over and persuaded, 'Miss Gao, think about it. When they perform on the stage, they will screw up. At that time, the audience will be agitated and the reporters will be unhappy. The situation on the scene must not be good.'

'Isn't that better? Do you still want to help them?' Charlotte Gao frowned. She wanted to see these people suffer.

Director Huang said, 'Miss Gao, of course not. I mean, when they can't settle down, you will come out and stabilize the situation. At that time, think about how effective it will be. What will the comments on you be?'

When Charlotte Gao heard this, she was immediately excited. Although she was quite a famous star in Bay City, but her reputation was not that good as she was notorious for being in relationships with rich playboys. If she came to help this time, it would be good for her reputation.

Thinking of this, Charlotte Gao nodded and said, 'Okay, let's do as you say. We'll be there last to save the show.'

'Good, good!' Director Huang was extremely excited. On the one hand, he was happy for Charlotte Gao, and on the other hand, he's happy for himself.

After all, the competition between him and Teacher Xu had been going on all these while. If Teacher Xu screwed up the last show, and Director Huang brought Charlotte Gao to save the show successfully, Director Huang would naturally surpass Teacher Xu in terms of merits.

Therefore, Director Huang and Charlotte Gao, both with their own thoughts, hurried down to prepare.

Meanwhile, backstage, Yuri Zhang and the others were well prepared. The performance on the stage was about to end. The finale was coming on soon.

After a burst of music, the lights gradually dimmed. Then, the host went on stage, but he didn't say anything.

There was a burst of cheers below. Many fans were holding LED lights and shouting the name 'Charlotte Gao'. Obviously, they were Charlotte Gao's fans.

The media reporters were also excited. They adjusted the cameras and aimed at the center of the stage, ready to capture Charlotte Gao's next performance.

Chapter 97

When the host saw the situation, he couldn't help but scream in his heart. He didn't know what happened to the person in charge, who temporarily canceled Charlotte Gao's performance and let a newcomer take over.

Although he was puzzled, the host still smiled and said professionally, 'Dear audiences, the performance coming up next is the final show for this event.'

'Charlotte Gao, Charlotte Gao!'

'I love you, Charlotte Gao!'

The fans of Charlotte Gao cheered.

The host's face twitched and his tone changed slightly. He said, 'Miss Charlotte Gao was supposed to be performing for the last show however, there is an accident hence Miss Charlotte Gao's performance was canceled at the last minute. We..

Before the host finished speaking, there was a buzz below.

‘What’s going on? Charlotte Gao is gone!’

‘Why am I even here if Charlotte Gao is not here!’

‘We want to see Charlotte Gao!’

‘What’s the problem now, I came all the way here for Charlotte Gao. As a result, you tell me now that Charlotte Gao is not singing?’

The host got a headache and quickly finished his opening speech, ‘We have arranged a new program for everyone, which will definitely bring everyone a surprise. Now, everyone, please enjoy the song ‘Four Seasons’.’

After that, the host slipped off the stage. He had no time to control the situation at the scene. Of course, he couldn’t control the situation well in any case.

A burst of music sounded. The lights around gradually dimmed, and the lights slowly gathered in the center of the stage. A girl with a ponytail and a white dress stood quietly on stage.

The girl held the microphone tightly with both hands and glanced at the bustling crowd below. Then, she immediately bowed her head and looked a little nervous.

‘Who is she? Why is she on stage?’

‘Four Seasons? I’ve never heard of this song at all!’

‘Hey, but look, she is pretty. She looks quite pure and she’s my type.’

‘Yeah, compared with a beauty like Charlotte Gao, I prefer this kind of pure girl.’

Seeing Yuri Zhang’s appearance, some students couldn’t help but praise her, they were interested.

But their words hit Charlotte Gao’s fans, which immediately made them uncomfortable.

‘What are you talking about? How can you compare her with Charlotte Gao?’

‘That’s right. Who knows where this young lady came from and let her go on the stage on Charlotte Gao’s behalf? Bay City University doesn’t take this seriously at all.’

‘Get out! We want Charlotte Gao!’

‘Get out!’

Although Charlotte Gao's fans were not too many, the orderly shouting suddenly drowned out the other people's voices. For a moment, the atmosphere in the field suddenly became strange.

On the other side of the stage, Director Huang and Charlotte Gao smiled proudly and thought to themselves, 'Let's continue. Let's see how embarrassing you guys will be! Hehe!'

On the stage, Yuri Zhang had gained a little confidence when she was encouraged by Fade Chen. However, at this point, when she heard the curses below, she suddenly burst into tears and could not stand firmly.

On the background, when Momo Soo saw this, she could not help but say anxiously. 'Oh no, Yuri Zhang is too anxious.'

Upon seeing this, Fade Chen moved his eyes and then walked towards the sound engineer. He grabbed a microphone and said, 'Let me do it!'

Before everyone could react, Fade Chen took a deep breath and roared. This sound was like a thunder exploding in the air, with a kind of oppressive momentum. The noisy crowd was shocked and the scene suddenly quieted down.

After the silence, everyone couldn't help but feel puzzled. They were muttering with confusion in their eyes.

Charlotte Gao, who was also frightened, frowned at this moment and snorted, 'Let's see what you can do further to quiet down the noise. This roar completely ruined the atmosphere of music.'

Director Huang nodded and said, 'I think they ran out of ideas. There is no other way, hence they can only mess it up.'

But just as everyone was whispering and questioning, suddenly, another roar sound, but this time the voice was lower than before, with a rumbling echo.

After the roar, a steady and magnetic voice sounded, 'Spring thunder is exploding, spring rain is falling, everything is recovering, spring is coming...'

After that, Fade Chen quickly winked at the sound engineer and asked him to start as she had prepared. The sound engineer suddenly came to himself and played a soft, rain like music with the sounds of birds, flowers, and rain.

On the stage, Yuri Zhang, who was originally nervous, immediately knew that the performance was back to the right track when she heard the first note. She calmed down and opened her mouth, letting out a clear singing sound.

As soon as she started singing, all the people present were shocked. Then they focused their eyes on the pure girl on the stage, and their eyes were full of surprise.

Because the girl's singing was clear and soft, like the clear spring in the mountains and the sound of running water. It suddenly gave people a sense of the freshness of spring and the revival of everything.

At this moment, everyone was immersed in it and recalled the roar just now. Suddenly, they had a different feeling. The roar was like a thunder in the air, waking everything from the hibernation, and the vitality gradually burst out.

On the background, Momo Soo was surprised, and then she came over with a smile. She held on to Fade Chen's arm and said with a smile, 'Brother-in-law, I didn't expect that you are so talented in music. You let the music have a different feeling with just a casual roar!'

Fade Chen smiled. 'That's right. Look at what kind of genius your brother-in-law is. Didn't you find that your brother-in-law has musical talent when I sang The Mouse Loves Rice back then?'

'Forget about it, brother-in-law. How can that be called musical talent.' Momo Soo rolled her eyes at Fade Chen. 'Brother-in-law, this time you've really gone all out and turned the bad into a miracle!'

'Momo, if you say so, I'm sad. If you don't believe me, brother-in-law will shout a few more times for you. It's definitely well-composed' Fade Chen looked as if he had been wronged.

Momo Soo took Fade Chen's arm in a hurry and said with a smile, 'Alright, alright, I believe you are talented, my brother-in-law. Don't mess around. It's not easy for Yuri Zhang to get into this state. Don't spoil it with your shouting.'

When Fade Chen heard this, he could only smile bitterly and did not explain anything. Although he did not know music, his voice just now was not just a casual roar. It was with the aura of the Kung Fu of JiuYang, and it was sent out especially to frighten people. Otherwise, it would not have such a good effect.

However, it was not the time to claim credit.

Fade Chen stared at Yuri Zhang, who was singing affectionately on the stage, with a smile on his face.

Chapter 98

Yuri Zhang's voice was clear and loud. With the charm of a song and the gentle background music, at this moment, the crowd felt immersed and soft. They couldn't help but listen to the song intently, and their faces showing looks of fascination.

Looking at the audience who were gently swaying along with the music, Charlotte Gao, who was standing at the side of the stage, looked gloomy. She punched her fist on the seat and shouted coldly, 'How could this happen?'

By seeing this, Director Huang rolled his eyes and whispered something in Charlotte Gao's ear. Then he moved quickly as a shadow towards Charlotte Gao's fans.

A few minutes later, Yuri Zhang finished singing and was about to begin the next tune, titled 'Summer from the four seasons'.

Yuri Zhang, who was on the stage, was much more confident than before and gradually sang better. She had a faint smile on her face. Her pure face, under the light, was more intoxicating.

‘The performance is successful!’ Behind the stage, Director Xu could not help but let out a long sigh of relief and said with excitement.

Momo Soo and others also nodded in agreement.

However, at this moment, the group of Charlotte Gao’s fans suddenly burst into shouts and scoldings as if they had planned this ahead.

‘What the hell is wrong with this voice? It’s terrible!’

‘Get out of here! We want Charlotte Gao!’

‘Let Charlotte Gao be on the stage. We want to see a singer, not a newcomer.’

‘Yes, we bought the tickets to see the singer, but it turned out to be a new person to fool us. This is cheating, we seek for a refund!’

The scene suddenly became chaotic again. Some audiences who were attracted by Yuri Zhang’s singing wouldn’t listen to their nonsense, so they argued with them.

‘Didn’t they say Charlotte Gao had emergency, so she left on short notice. Why are you guys making a scene?’

‘Moreover, the song just now was beautiful. I think it’s much better than Charlotte Gao’s song. If you don’t want to listen, leave by yourself. Don’t disturb us.’

‘Yes, and this newcomer is much more pure and beautiful than Charlotte Gao.’

The quarrel became more fierce and messy.

‘Bullshit. That was just a noise instead of a so called song.’

‘What are you talking about? I know that girl. She’s just a student of Bay City University. Letting her perform on stage is deceiving us.’

The scene became more and more chaotic. The smile on Teacher Xu’s face became anxiety again. He scratched his head and tried to find a way out, but he was very anxious.

Charlotte Gao and Director Huang, who had succeeded in their plan, showed triumphant smiles on their faces at the moment. They looked very excited. They smiled at each other and walked towards the backstage. When they saw the anxious crowd, the smile on their faces became more arrogant.

‘Teacher Xu, this is your plan! It seems that the ceremony will be screwed up by you.’

Director Huang looked at Director Xu with a gloating expression.

‘Director Huang, you don’t have to worry about it!’ Director Xu said coldly.

‘Really?’ Director Huang held his arms. ‘The ceremony was ruined, but if the audience was dissatisfied and caused a disturbance, it would be a big deal.’

Hearing this, even Teacher Xu couldn’t help but worry at this moment.

Seeing this, Director Huang was even more proud. He continued, ‘Before the matter is completely screwed up. we’d better find a solution as soon as possible.’

‘How?’ Director Xu asked instinctively.

Director Huang smiled and glanced at Charlotte Gao next to him. He said, ‘Since the audience calls for Miss Charlotte to perform on the stage, we can naturally calm down the riot.’

‘Of course, whether Miss Charlotte is willing to go on stage depends on your sincerity.’

Director Huang said.

‘What sincerity?’ someone asked.

Charlotte Gao snorted and glanced at Momo Soo and Fade Chen, saying, ‘Let them kneel down and apologize to me.’

Then, she turned to look at Yuri Zhang on the stage and said coldly, ‘And the one on the stage, I want her to apologize to me in front of the audience!’

‘That is impossible!’ Momo Soo and Fade Chen looked cold and said in a low voice.

‘Hum, it’s impossible.’ Charlotte Gao snorted. ‘Then you can just wait and see what’s going to happen!’

Director Huang also added, 'Look, the crowd is getting more messed up. If we don't control it, I'm afraid it will become a riot!'

Teacher Xu's face was very unpleasant. He didn't want to give in, but the situation in front of him made him feel embarrassed.

'I'll give you a minute to think about it. Otherwise, I'm leaving.' Charlotte Gao threatened without fear.

Teacher Xu looked crestfallen.

At this moment, Fade Chen's cell phone rang. He took it out and looked at it. Then he smiled and said to Teacher Xu, 'Don't worry. It will be resolved soon!'

'Deal with it right away! Hum, you're just boasting. Let's see how you handle it!' Charlotte Gao said in disbelief.

Director Huang added, 'Teacher Xu, they may brag, however, it's you who should be blamed!'

Teacher Xu's face changed slightly, but then his eyes were firm. He said, 'I can bear the responsibility. At least I have a clear conscience but I don't know if Director Huang has a clear conscience.'

'You are so stubborn!' Director Huang said angrily.

However, Fade Chen, Teacher Xu, Momo Soo and others ignored them and quickly gathered together to discuss the next plan.

Seeing this, Charlotte Gao's face darkened and she said coldly, 'You guys just continue to pretend! Humph!'

At this time, beneath the stage, the fans of Charlotte Gao made a fuss. Although a lot of people thought that Yuri Zhang was good at singing, but it was not good enough to replace Charlotte Gao.

Charlotte Gao's fans seized the fact that Bay City University replaced a singer with newcomer. They said that the university cheated their money and shouted that they were going to ask for a refund.

As for this point, those who supported Yuri Zhang could not say anything more. After all, this was indeed a fact. The price of this ceremony was much higher than usual because of Charlotte Gao's performance.

No one refuted this point. The fans of Charlotte Gao immediately seized this point and made a fuss. They cursed fiercely and some of them even rushed to the stage to drive Yuri Zhang away.

Just in the midst of the chaos, the lights suddenly dimmed.

Then, a bunch of lights hit the stage. The lights did not light up Yuri Zhang who was in the middle, but lit up to the left and the back.

Upon seeing this, everyone was curious and looked at the stage.

As for the fans of Charlotte Gao, after the shock, they began to swear again.

'What the hell? Are you trying to fool us with these ridiculous tricks?'

'I don't care what you are doing. Anyway, I'm here to see the singer. If there is no singer, you must refund my money.'

In the noise, a figure suddenly appeared and stood under the light. Then the person looked up at everyone.

Chapter 99

Upon seeing this person's face, the audience under the stage couldn't help but be stunned, and then burst into shouting and screaming.

The voices were so loud that it suppressed the noises of the Charlotte Gao's fans.

'My God, that, that's Michelle Chen, isn't she? She's that popular host! I like the variety shows she hosts!'

'Yes, that's Michelle Chen. Why did she come here?'

'Could it be that she got invited by the organizers?'

'No way. If it were the organizers, they would have called for help earlier. After all, Michelle Chen is as famous as Charlotte Gao!'

In the midst of the discussion, Charlotte Gao looked at Michelle Chen who was on the stage. At this moment, she was also stunned and frowned, 'Why is she here? What's going on?'

She turned to look at Director Huang, who was confused and dumbfounded. She could only look at Teacher Xu and the others, only to see jubilant smiles on their faces.

Suddenly, Director Huang felt his heart skip a beat. He felt that something was wrong and had a bad feeling welled up in his heart.

At this time, the group of Charlotte Gao's fans, who had been constantly cursing, was shocked by Michelle Chen's arrival at this moment, and their momentum suddenly weakened.

Some people who had seen them unhappy for a long time couldn't help but satirize, 'Those crazy fans of Charlotte Gao, didn't you guys say that you wanted to only see that singer? Now that another singer has arrived, it's embarrassing for you, isn't it?'

Charlotte Gao's fans were unhappy and began to fight back.

'Isn't she just Michelle Chen? So what? Can she even beat Charlotte Gao?'

'It's a scam for having a low class singer to replace our singer, we seek for a refund!'

While they were cursing, on the stage, the lights suddenly flashed again and then gathered behind the right side.

Then, another figure appeared in the light. In an instant, there was a burst of exclamation and shouts.

‘Caleb Huang, that’s Caleb Huang. The variety shows he was casted was so funny! I didn’t expect him to come.’

‘What’s going on? One is a beautiful host, and the other is a humorous actor. Why are they here in such an event?’

‘Charlotte Gao’s crazy fans, there’s another artist here now, you can shout again!’ Someone sneered.

Charlotte Gao’s fans looked embarrassed and tried to refute.

But before they could speak, there was a flash of light, and another superstar walked out.

‘Ray Mo, that’s Ray Mo the singer. She’s been on the singing variety show recently. She’s on fire.’

‘I like her new song that she composed the most. That’s great.’

‘Ray Mo is also here. This is really shocking!’

‘Yes, she is more famous than Charlotte Gao now!’

‘F**k, look, another one!’

‘He such a dashing young man. He’s so handsome!’

‘Fanny Mo, that’s Fanny Mo. I didn’t expect that he would come. Didn’t he say that he was filming abroad?’

‘Michelle Chen, Caleb Huang, Ray Mo, and Fanny Mo. This lineup is too big. Why would they come for such a campus event?’

‘What’s going on? There are so many artists all of a sudden!’

At this moment, Charlotte Gao and Director Huang looked at the artists who were still on the stage and were completely stunned.

There were not only a large number of artists present at the scene, but also they were famous in Bay City. At least their status would not be lower than Charlotte Gao.

But now, with so many artists gathered on such a small stage, everyone was shocked and curious.

In the midst of the discussion, the lights on the stage dimmed again, and the lights on the artists disappeared. Finally, they turned into a bright light shining in the center of the stage.

In the light, Yuri Zhang, who was wearing a dress, held the microphone with both hands. She lowered her head slightly and opened her mouth gently. The beautiful sound of her singing appeared like a beautiful spring.

In an instant, everyone felt a breeze in their hearts. They felt relaxed and peaceful, as if they had drunk a cold drink on a hot day.

What happened next shocked them even more.

The famous artists from Bay City began to sway with Yuri Zhang's singing at this moment.

Some of them sang well, but at this moment, they sang gently in the background for Yuri Zhang, and some who danced well were dancing along side.

Upon seeing this scene, everyone was completely dumbfounded.

They didn't understand why there was such a thing. A group of artists who were so influential in Bay City were willing to be supporting characters at this moment.

'Who is this newcomer?'

'Does she have any background?'

For a time, many people had these questions in their minds. And more and more people were intoxicated by Yuri Zhang's beautiful voice. They felt as if they were floating with the singing and their minds were flowing.

Seeing this, Charlotte Gao's eyes were cold and her face darkened.

Director Huang's forehead was also sweating. He couldn't help but make a gesture to the fan group and hinted at them.

Suddenly, someone in the fan club shouted, 'You've played so many tricks, but you haven't invited Charlotte Gao. You're a liar. Hurry up and refund my money!'

As a result, as soon as these guys spoke, someone behind them pulled out a stack of money and slapped them on their faces.

‘You want Charlotte Gao ? Take the money and get out of here. These artists can’t compare to Charlotte Gao!’

‘If you don’t enjoy it, give me your seat. With so many artists, your little ticket is not a big deal.’

‘Shh, stop arguing. You should listen carefully to such beautiful songs.’

This turmoil was quickly suppressed. Among them, there were not only other spectators, but also some of Charlotte Gao’s fans. At this moment, they turned against each other and beat those troublemakers down.

When Charlotte Gao and Director Huang witnessed it, they felt a chill in their hearts. They knew that their plans had completely failed.

They didn’t expect that Yuri Zhang, a poor student, could attract so many artists to her stage, which puzzled them a lot. They couldn’t help looking at Fade Chen.

At this time, with her soothing music, Yuri Zhang sang through the hot summer, across the lonely autumn, through the snowy winter, and finally ended the four-seasons, perfectly ending in a beautiful melody.

The song ‘Four Seasons’ ended here.

Under the stage, it was silent. Everyone was immersed in the beautiful singing and were completely absent-minded.

A few minutes later, some people came to their senses and burst into applause.

Suddenly, thunderous applause sounded. Many people’s palms were red and their faces were very excited. With a bright smile on their lips, they couldn’t stop.

On the stage, Yuri Zhang bowed and thanked everyone. After a long while, the applause gradually stopped.

Chapter 100

Yuri Zhang thanked him again and then turned to leave the stage.

At this time, someone shouted, ‘Beauty, please say something!’

‘Yes, say something to us!’

‘Beauty, introduce yourself and tell us something more!’

Countless cheered, then gathered into a neat shout, ‘Tell us something, tell us something.’

Yuri Zhang was a little surprised and she didn’t know what to do. But at this time, Fade Chen’s encouraging look from the backstage made Yuri Zhang feel warm in her heart, and she seemed to be filled with courage in an instant.

‘Hello, everyone. My, my name is Yuri Zhang. I’m a freshman from Bay City University.’

Yuri Zhang’s words immediately caused a burst of cheers. Especially for the students of Bay City University, when hearing that this beautiful singer was their junior at school, they immediately cried out with excitement.

Yuri Zhang continued, ‘The song I just sang is a song from our hometown called ‘Four Seasons! I hope everyone likes my performance. Thank you all.’

‘Love it. We love it!’ A burst of warm cheers, accompanied by a burst of applause, were deafening.

Then, Yuri Zhang and her team were ready to step down again. But at this moment, someone shouted again.

‘Michelle, you should say something.’

‘Caleb, you should say something too!’

Almost every celebrity on the stage was called on by their fans.

Suddenly, the atmosphere became excited again. Compared with the young Yuri Zhang, this group of celebrities obviously had more stage experience. They were familiar with facing this kind of situation and they spoke one after another eloquently.

Michelle Chen was the first to speak, 'Actually, coming to this art festival was not in my plans. Then, I just treated this like a normal job. But I didn't expect to hear Miss Zhang's beautiful voice. This trip was worth it.'

The crowd did not expect that Michelle Chen had such a high praise towards Yuri Zhang, and they immediately burst into a warm cheer.

Then, Caleb Huang spoke. Before he could speak, his expression made everyone laugh. 'In fact, I came with Michelle this time. On the way here, thought this job was worth it as I can be with this beautiful woman, Michelle. But, when I came here and looked at Miss Zhang, I knew that I am truly fortunate to be here.'

'With Miss Zhang's appearance and elegance, I dare say that she will definitely be famous in the future. At least, she will be more popular than Michelle.' Caleb Huang looked at Michelle Chen, acting like he was afraid of Michelle. 'Michelle, please don't hit me. I am just telling the truth!' Caleb Huang said playfully.

Caleb Huang was indeed a comedian. His teasing conversation with Michelle Chen immediately made the atmosphere lively.

Then, Fanny Mo said, 'I agree with Brother Huang partially, but in some parts, I don't agree.'

'Uh, what does that mean?' Everyone was confused.

Fanny Mo paused deliberately and said, 'I agree with Brother Huang that Miss Zhang will be famous, but what I disagree is that Brother Huang underestimated Miss Zhang. What mean is that, after Miss Zhang enters the entertainment industry, her popularity will definitely surpass mine in the future.'

Fanny Mo's words caused the crowd to burst into an uproar. Although everyone was surprised by Michelle Chen and Caleb Huang's appreciation of Yuri Zhang, they were not too surprised.

But now, they were shocked by Fanny Mo's words.

Because, Fanny Mo was now a popular celebrity, and he was not only famous in Bay City, but also in the whole country. He had said that Yuri Zhang would be more popular than him in the future. If that's the case, she would be one of the top stars. How could the crowd not be shocked by such a bold prediction?

Before everyone could comprehend fully, Ray Mo spoke in turn, 'I am a singer. Let me comment about Yuri's singing. To be honest, when I heard Yuri's voice, I was full of jealousy.'

'Ah!' Everyone was shocked.

Ray Mo continued, 'The reason why I am jealous is that Yuri's voice is too good, much better than mine. This is a gift from heaven, she's a natural singer. I can only envy her talent.'

'What's more, the song that she sang is clear and melodious, carrying the scent of the countryside. It makes me feel very comfortable and refreshed. I like her song very much. If she enters the singing industry, I dare say that she will surpass me in this field, by a lot!'

It was another high praise. What Fanny Mo said was just a prediction of Yuri Zhang's popularity. But for a skillful singer like Ray Mo to comment on her singing, Yuri Zhang's talent and strength was being acknowledge.

In all aspects, including talent, strength, appearance, and temperament, Yuri seemed to have them all, the spectators felt as if they were witnessing the rise of a superstar.

Amongst the cheering, Yuri Zhang and the others bowed again and stepped down.

As soon as she got off the stage, Momo Soo jumped over with excitement and hopped excitedly with Yuri Zhang in her arms. 'Yuri, you sang so greatly. You will definitely become a famous star in the future.' Momo Soo said.

Yuri Zhang was also very excited at the moment, but she, who was introverted and shy, just nodded with a smile. Then she looked at Fade Chen with her eyes and her cheeks flushed.

'Brother Chen, thank you.'

Fade Chen waved his hand and said, 'You're welcome. Yuri, you're awesome.'

With this, Fade Chen reached out and patted Yuri Zhang's head. He smiled and said, 'Yuri, did you see that? You're very good. There are so many people who like you. In future, be confident. Do you understand?'

'Yes, I will!' The shy little beauty nodded heavily with a firm look in her eyes. At this time, Fanny Mo and several other stars came over with a smile. Chen! reached out to greet Fade Chen, 'Hello, Mr. Chen'

Although they did not know Fade Chen and his identity, but they knew that the people who could make Master Scott Huang round them up in such a hurry were definitely not ordinary people.

Therefore, these celebrities were very polite to Fade Chen and did not put on any pompous attitude at all.

Fade Chen also shook hands with them with a smile and thanked them, 'Hello, thank you for helping today.'

The superstars shook their heads with smiles on their face, indicating that it was nothing. 'If Mr. Chen needs us in the future, just let us know.'

While Fade Chen was chatting with them, Charlotte Gao's face was terribly dark in the shadow beside the stage, and her whole body trembled with anger.

Beside them, Director Huang could not help comforting her, 'Miss Gao, it's getting late. Let's go. I'll send you back to rest!'

Charlotte Gao thundered, 'Why am I leaving? You invited me here today, but I lost my dignity and gained nothing. I'm not in the mood to rest!'

Chapter 101

Director Huang stood there and felt depressed. He didn't know what to do.

After all, the festival today was ruined, and Director Huang himself would be affected. He was already at a disadvantage in the competition with Teacher Xu. When the matter was exposed to the high-level leaders of the school tomorrow, his position as a director may be jeopardize.

Although he was unhappy, he had no choice but to let it go.

Seeing that Director Huang was silent, Charlotte Gao was even more displeased. She roared, 'Why don't you speak? Come on, I have to teach them a lesson today. I just can't let this go.'

Director Huang was cursing in his heart. What else could he do? Just when he was in a hurry, his eyes suddenly lit up. He saw a group of aggressive figures swaying not far ahead, as if they were looking for someone.

'Miss Gao, I have a solution.' Director Huang said excitedly.

'What is it?' Charlotte Gao asked.

Director Huang pointed to the group of people and then walked quickly over.

Charlotte Gao also followed them. After seeing the group of people, she was delighted.

Because the person who came was Leonard Zhu, the young master of Shang Enterprises Holdings, the second-largest cosmetics company in Bay City. Speaking of Leonard Zhu, he once had a good relationship with Charlotte Gao, so they were also familiar with each other.

After chatting for a while, Charlotte Gao learned that Leonard Zhu came with his men and happened to come to revenge on Fade Chen.

Some time ago, Leonard Zhu was beaten up by Fade Chen, and it was not until today that he recovered from his injury. Today, he received news that Fade Chen appeared in the campus. Therefore, Leonard Zhu, who wanted to take revenge, immediately brought people to beat Fade Chen.

Unexpectedly, they met Charlotte Gao at this time. After hearing that Charlotte Gao was bullied, they hit it off right away. At this moment, they fiercely rushed to the backstage, ready to teach Fade Chen a lesson.

In the backstage, Fade Chen and the celebrities exchanged a few words, left their contact information, and then sent them away.

Fade Chen had just returned to the backstage when he heard dense footsteps approaching quickly.

Before he could go out to have a check, a group of people stormed in. At the same time, there was a loud scream, 'Circle around, no one is allowed to leave.'

Then, with a crash, more than twenty gangsters with sticks surrounded the whole backstage instantly.

In the center, stood a tall young man in his twenties. He was Leonard Zhu, who had been beaten up by Fade Chen in the Taekwondo Club.

'Leonard, what do you want to do?' Momo So suddenly stood up and shouted at Leonard Zhu.

Leonard Zhu glanced at Momo Soo, turned his eyes to Fade Chen, and sneered, 'Fade, right? You beat me up last time. Do you think I can just let it go?'

'What do you want?' Fade Chen looked at Leonard Zhu calmly, without a trace of nervousness.

Leonard Zhu glanced at the backstage and said coldly, 'You and Momo Soo stay here! The rest of you, get out now!'

Immediately, some other students and volunteers fled in a panic.

Behind Leonard Zhu, Charlotte Gao, who came in with Leonard Zhu, quickly added, 'Young Master Zhu, Yuri Zhang is also with them.'

'How dare you come back!' Fade Chen looked coldly at Charlotte Gao.

Seeing Fade Chen's cold eyes, Charlotte Gao couldn't help but shiver. But when she thought of Leonard Zhu beside her, she immediately became confident. 'You and that stinking girl screwed up my performance. You must pay the price!'

‘Young Master Zhu, he beat me just now. I want you to help me beat him up.’ Charlotte Gao leaned against Leonard Zhu intimately and pointed at Fade Chen with a coquettish look.

Leonard Zhu gritted his teeth and said, ‘Don’t worry, teaching him a lesson today is my only purpose. It’s not enough just to give him a hard beating. I’m going to break his legs.’

Hearing this, Charlotte Gao showed a proud look on her face. Then she turned her eyes to Yuri Zhang and said, ‘Young Master Zhu and that b*tch. I’ll cut her face and see how can she steals others performance again.’

Yuri Zhang didn’t expect that Charlotte Gao, a celebrity, would be so vicious. She wanted to ruin her face just because she stole her spotlight. Yuri Zhang was so scared that she screamed and took a few steps back.

At this time, after hearing this, Fade Chen’s expression became colder. He said coldly, ‘Crazy woman, you are looking for death!’

Charlotte Gao pretended to be afraid. She held Leonard Zhu’s arm and said in a delicate voice, ‘Young Master Zhu, look, he is still threatening me now.’

‘He dares? After he got his beating, you can deal with him however you want.’ Leonard Zhu raised his eyebrows and said coldly. Then he glanced at those gangsters that he brought together and waved his hand, ‘Beat him!’

Suddenly, the twenty gangsters moved together and rushed to attack Fade Chen. They all looked fierce. They swung their sticks and beat Fade Chen with all their strength.

Leonard Zhu smiled with the pleasure of revenge. He sat down with Charlotte Gao in his arms and looked like he was watching a good show. ‘Humph, who ask you to go against me. You are courting your own death!’

Charlotte Gao complimented, ‘Don’t you know who Young Master Zhu is? They are just a bunch of guys who knew nothing.’

But the smile on their faces had not yet completely bloomed, then they saw a shocking scene and their smile froze on their faces.

Under the joint attack of the twenty gangsters, Fade Chen was able to fight with ease. At the same time, screams were heard.

In less than a minute, all the aggressive gangsters were lying on the ground, groaning in pain. They had no fighting capacity at all.

Fade Chen clapped his hands and walked to Leonard Zhu. He patted Leonard Zhu's cheek and said, 'Young Master Zhu, what did you said about dealing with me again?'

Leonard Zhu was completely stunned at this moment. He was defeated by Fade Chen in Taekwondo Club before, but he only thought that Fade Chen only knew a little martial arts. So this time, he specifically found more than twenty gangsters with good skills. Unexpectedly, they were completely beaten.

Fade Chen was incredibly powerful!

'You, what do you want to do?' Leonard Zhu's voice trembled.

'Bang!' With a crisp sound, Fade Chen slapped Leonard Zhu hard on the ground, and his cheeks instantly became red and swollen.

Next to him, Charlotte Gao was shocked and shouted in horror. Then she turned around and wanted to run away.

But before she could take two steps, Fade Chen pulled her back and she fell to the ground.

'How dare you beat me, I am a celebrity. I will expose you, will kill you. I am a superstar, I. Looking at Fade Chen who was approaching her, Charlotte Gao cried out in horror.

'Celebrity!' Fade Chen sneered. 'Do you think you can do whatever you want just because you're a star? In my eyes, you're not worth a penny.'

Chapter 102

After that, Fade Chen beat Charlotte Gao violently, especially her face. Fade Chen punched her several times and this caused her face to become swollen.

For this vicious woman, Fade Chen would not be kind to her. Charlotte Gao was beaten and she shouted wildly, 'I am a celebrity. My company and my fans will never let you live in peace because of this beating. I can assure you that they will never leave you alone.'

Seeing this, Fade Chen snorted and said, 'At this moment of time, you are still showing off your identity as a celebrity. Since you value this identity so much, then I will never let you be one.'

With this, Fade Chen took out his mobile phone, dialed a phone number and asked, 'There is a person named Charlotte Gao here. You do know her, right? From now on, don't want to see her in the entertainment industry anymore. Can you do it?'

When Charlotte Gao heard this, she yelled with her red swollen cheeks, 'Who do you think you are? You want to end my career with just a word? Dream on! Today's matter is definitely not over yet. I, Charlotte Gao, will definitely..'

Before Charlotte Gao finished speaking, a voice came in. 'Brother Chen is my friend. If he wants to end your career, it's just a matter of a word.'

'Who are you.' Charlotte Gao shouted and turned to look at the entrance of the backstage, only to see a fat young man walking in.

Suddenly, she was stunned. 'Young Master Huang, why are you here?'

It was Scott Huang, the young master of the entertainment industry in Bay City.

Scott Huang glared at Charlotte Gao and said in a cold voice, 'How dare you are to trouble my Brother Fade. Why do you think i'm here?'

‘Brother Chen?’ Charlotte Gao couldn’t think clearly. She looked at Fade Chen with an incredible expression, ‘Young Master Huang, is he the Brother Fade that..’

‘He is.’ Scott Huang said coldly, ‘Charlotte Gao, you’ve been blinded by lard recently. How dare you hit my Brother Chen? You’re courting for your own death.’

At this moment, Charlotte Gao finally Only then did she understand why Yuri Zhang, a poor student like her, could let those stars come and to support her. It turned out that everything that happened was because of Fade Chen.

In an instant, Charlotte Gao felt a chill all over her body. She quickly apologized, ‘Young Master Huang, Brother Fade, I was wrong, I..’

Fade Chen coughed and interrupted Charlotte Gao’s words. At the same time, he frowned unhappily.

Scott Huang understood and looked at Charlotte Gao coldly, saying, ‘From now on, you don’t have to come to the entertainment industry of Bay City. There is no place for you.’

This sentence made Charlotte Gao feel like she had been struck by lightning, and she was stunned. Because she knew that Scott Huang’s words were not a joke, but a real fact that could cut off her future.

As long as this news spread, Charlotte Gao, could never be a celebrity in Bay City in the future.

For a moment, Charlotte Gao felt cold all over her body, as if she had fallen into a bottomless abyss. She was stunned and almost fainted.

On the other side, Leonard Zhu, who was lying on the ground, secretly climbed to the exit and was ready to escape.

However, Fade Chen shouted coldly, ‘Where do you think you are going?’ Immediately, Leonard Zhu was petrified and dared not to move.

Looking at Fade Chen who was walking toward him. Leonard Zhu gritted his teeth and said, 'Fade, if you dare to touch me. Even if you have Scott Huang's support, my father will not leave you alone.'

After that, Leonard Zhu looked at Scott Huang again and shouted, 'Scott, I am not afraid of you. If you let him to leave immediately. I will not pursue this matter.'

Scott Huang looked at Leonard Zhu, shook his head in amusement, and said, 'Leonard, shame on you. You called yourself the rich of Bay City. But, you didn't even figure out the most basic thing!'

'What do you mean?' Leonard Zhu was puzzled.

Scott Huang said, 'What do I mean? It means that you don't know who this great man is at all.'

'This great man?' Leonard Zhu's face changed and he suddenly looked at Fade Chen. 'Aren't you his backer? What kind of man is he?'

Scott Huang smiled and said, 'I'm not qualified to be Brother Chen's backer. If Brother Fade is willing to accept me as a busboy. I can already celebrate.'

'What!' Leonard Zhu was shocked. 'Is he so powerful? Who is he?'

'Who is he?' Scott Huang said, 'Leonard, you are really a fool. You don't even know Brother Chen, but you still dare to come out and make trouble. You are an idiot looking for death.'

'Brother Chen? Brother Chen, this name..' Leonard Zhu chewed on this name and seemed to have thought of something.

At this time, his mobile phone rang, and Leonard Zhu picked up the phone instantly.

'Hello...'

'Leonard, it's me, Yasmin! I have an urgent matter... A woman's voice came from the other end of the phone.

When Leonard Zhu heard the name, he was immediately impatient and was about to hang up the phone. 'How many times have I told you? Abort the baby. Dont..'

Then, Yasmin Huang said in a hurry, 'Leonard, it's not about the child. It's about Fade, the one that Momo brought with her..'

'Fade!' Leonard Zhu trembled when he heard the name. He couldn't help glancing at Fade Chen and immediately asked, 'What, what's the matter?'

Yasmin Huang hurriedly said, 'Leonard, don't trouble Fade anymore. Don't provoke him. Don't think about revenge!'

Hearing this, Leonard Zhu felt a chill in his heart. Yasmin Huang's words had arrived late. 'What do you mean?'

Yasmin Huang said, 'Leonard, Fade is not an ordinary person. I heard that he is very influential in the country. Even Young Master Wei of the North Bay City has to call him Brother Chen when he sees him. Don't.'

Upon hearing this, Leonard Zhu was stunned and completely dumbfounded.

Young Master Wei of the North Bay City, Tom Wei of Long Enterprise, he is such a big shot, but he still needs to call Fade Chen, Brother Fade when he met him.

This, this is simply...

At this time, Leonard Zhu finally understood the meaning of Yasmin Huang's words.

For a moment, Leonard Zhu felt dizzy and cold in his heart. He held his last breath and said, 'Yasmin, if you had known Fade's identity, why didn't you tell me earlier?'

On the other side of the phone, Yasmin Huang felt wronged and said, 'I didn't know it until recently, and I was beaten up. Besides, I wanted to go to your house, but they didn't let me in. I called you, but no one answered. So...'

Hearing this, Leonard Zhu remembered that during the period when he was recuperating in the hospital bed, the phone was turned off. So he missed this important message.

At this moment, Leonard Zhu looked up at Fade Chen again and felt that the man in front of him had turned into a giant and looked very tall.

Leonard Zhu forced a smile and approached Fade Chen, saying, 'Brother Fade, I'm blinded but I knew my mistake now. I was wrong. I will change it. There will be no next time. You are such a generous and kind-hearted man. Please forgive me.'

Fade Chen said coldly, 'Destroy one of your arms and then get lost!'

Chapter 103

Leonard Zhu's expression froze and he hesitated for a moment. Then, he clenched his teeth, picked up a stick, held it in his right hand, and slammed it into his left arm.

With a crisp sound, Leonard Zhu screamed out loud. His forehead was dripping with sweat, blue veins stood out, and his eyes were bloodshot.

Obviously, this was not an easy job, especially for Leonard Zhu, a pampered young master.

Holding onto his left arm, Leonard Zhu slightly raised his head and looked at Fade Chen. Seeing Fade Chen nod slightly, he immediately rushed out as if he had been granted amnesty.

After Leonard Zhu left, Charlotte Gao was even more disappointed. Even Young Master Zhu was afraid of Fade Chen. Surely, she had no chance to turn over. From now on, her career in the entertainment industry would cease to exist, even in the whole of Bay City.

Thinking of this, Charlotte Gao couldn't breathe and fainted.

Fade Chen frowned when he saw Charlotte Gao fainted but still left with a group of people.

However, when he walked to the door, he seemed to have thought of something and suddenly turned around. Fade Chen looked at Director Huang, who was lying on the ground pretending to faint, and said coldly, 'Director Huang, you don't have to go to work tomorrow at Bay City University.'

After that, Fade Chen and the others strode away.

Director Huang, who was lying on the ground, felt a chill in his heart. He wanted to cry but had no tears. Looking at Teacher Xu, who went out with Fade Chen, he knew that he had lost completely. He had not only lost the competition with Teacher Xu, but also his work, and there was no possibility of second chance.

After leaving school, Fade Chen and others found a barbecue restaurant at the side of the road and ate with beer.

At the dinner table, Scott Huang kept praising Yuri Zhang while eating, saying that the celebrities would not stop calling him after they returned, that Yuri Zhang was born to be a star, so he must sign her contract and train her well.

Scott Huang gave Yuri Zhang an opportunity on the spot and asked her if she wanted to be a star. As long as she want to do it, Scott Huang will immediately sign her and try his best to train her.

Such straightforward praises made Yuri Zhang shy. She didn't say a word, just lowered her head and ate the food on the table. She was too shy to respond.

As for Momo Soo, when she heard that Yuri Zhang had the opportunity to be a star, she suddenly became excited. She kept glancing at Yuri Zhang and persuade her in a low voice. Finally, after a meal, Yuri Zhang could not help but be moved.

After all, she was a young girl in her prime age. Everyone had dreamed of becoming a star, and everyone wanted to be pursued by the public. However, Yuri Zhang was introverted and shy, plus her family welfare wasn't that good, so although she was moved, she did not agree on the spot, but said that she would go back and think about it.

In this regard, Fade Chen had no objection. He thought it was good to follow Yuri Zhang's idea. No matter what her decision is, she could just inform Scott Huang about it.

After midnight, they said goodbye to each other and went home. Fade Chen walked Momo Soo and Yuri Zhang back to the rented house outside the school.

Seeing the two women enter the room, Fade Chen waved goodbye, took out the car key, and was ready to drive home. At this time, Yuri Zhang rushed out. She stopped Fade Chen and said, 'Brother Chen, wait a minute!'

'What's wrong, Yuri?' Fade Chen turned his head and said with a smile, looking at the blushing Yuri Zhang.

Yuri Zhang pointed to the car key in Fade Chen's hand and said, 'Brother Chen, are you driving home now?'

'Yeah!' Fade Chen said.

Yuri Zhang shook her head and said, 'Brother Chen, you've drunk a lot. You can't drive. It's dangerous.'

Fade Chen waved his hand indifferently and said with a smile, 'It's okay. It's just two bottles of beer. I can't get drunk with this little liquor.'

Yuri Zhang, however, looked serious. She stood in front of Fade Chen and said solemnly. 'Brother Chen, it is illegal to drive after drinking. Moreover, it's late at night. It's too dangerous for you to go back like this.'

Looking at the serious Yuri Zhang, Fade Chen scratched his head and said with a smile, 'Yuri, you don't let me return home but it is so late already. Where should I rest? I can't sleep here.'

Fade Chen said casually, but he didn't expect that Yuri Zhang's pretty face turned red. After hesitating for a while, she blushed and nodded to Fade Chen, saying, 'Brother Chen, you can sleep here!'

'Ah!' At this time, Fade Chen was shocked. He looked at the shy beauty in front of him. His mind was all over the place, and he couldn't help thinking of some plot in some movies.

Yuri Zhang seemed to perceive the ambiguity in her words and hurriedly explained, 'Brother Chen, I have no other meaning. I mean, I can sleep with Momo. You can sleep in my room.'

Fade Chen touched his head, looked at the sincere eyes of the little beauty, nodded and said, 'Well, I'll rest here for a night. As long as you two little beauties don't mind.'

Then, Fade Chen followed Yuri Zhang back to the room. Yuri Zhang then explained to Momo casually.

After listening, Momo rolled her dark eyes and jumped to Fade Chen. She held Fade Chen's arm and said with a smile, 'Brother-in-law, are you planning to sleep here today?'

Fade Chen looked at Momo and felt that something was wrong. But he still nodded and said, 'Yuri said that it was dangerous to drive after having a drink, so she asked me to rest here for a night.'

'Oh... Momo Soo rolled her eyes and dragged the tone. She took out her mobile phone and looked at Fade Chen with a smile. 'Brother-in-law, then 'll call my sister and tell her that you'll sleep with us tonight.'

Hearing this, Fade Chen almost fell to the ground. He quickly grabbed Momo Soo's mobile phone and said with a smile, 'Momo, there's no need to call, no need.'

Momo looked puzzled and said, 'Brother-in-law, why is there no need to call? It's so late. You haven't returned yet. What if my sister is worried?'

Fade Chen was speechless and said, 'No, I will tell your sister.'

Momo picked up the phone again and said, 'Brother-in-law, it's different if you say it. It's more convenient for me to say it.'

'Momo, don't, don't!' Fade Chen was anxious. He couldn't imagine how Quin Lin would react if she heard Momo telling her that her husband was going to sleep with them tonight.

'Why not? Brother-in-law!' Momo Soo pretended to not understand.

‘I’m afraid that your sister will misunderstand, I’ll call so that she won’t think too much!’
Fade Chen held Momo So’s mobile phone.

‘What’s the misunderstanding? It’s nothing to us, it’s just brother-in-law sleeping together with us.’ Momo Soo said again, deliberately emphasizing the words ‘sleeping together’. At the same time, her big watery eyes rolled, and there was a smile at the corner of her mouth.

Fade Chen realized that the little girl was teasing him. He gritted his teeth and raised his palm. ‘Momo, you dare to tease me, i’ll teach you a lesson. Momo ran around in the house, running and shouting, ‘Help, brother-in-law wants to hit me, brother-in-law wants to beat me!’

Fade Chen’s was helpless whenever he meets with Momo Soo. ‘This little girl!

Chapter 104

After debating with Momo Soo for a long time, Fade Chen finally convinced Momo Soo not to call Quin Lin with a bribery of fulfilling one of her wishes.

Fade Chen was relieved. Then he called his wife and was about to talk about the matter of not going back at night. Unexpectedly, his wife’s mobile phone was turned off when he called her.

Looking at the time, Fade Chen found that it was already past ten o’clock in the night. According to Quin Lin’s daily routine, she had already turned off her mobile phone and went to sleep.

Fade Chen had no choice but to hang up the phone and decided to explain it to Quin Lin earlier tomorrow.

After washing up, Momo Soo slept in the same bed as Yuri Zhang, while Fade Chen slept in Yuri Zhang's room.

Compared to Momo Soo's room, Yuri Zhang's room was much simpler. There were not many cosmetics or toys. Apart from a bed, there was only a desk and a simple wardrobe.

The things on the bed were also the same old hand-made style. Although they were simple, they were very neat and clean with tiny creases. It was obvious that Yuri Zhang had changed them for Fade Chen.

Fade Chen immediately lay down. Then, he felt his body fall into the softness of the bed, and there was a faint fragrance on the pillow. Fade Chen felt calm and comfortable. He closed his eyes and soon fell asleep.

At night, in a daze, Fade Chen heard some noise, faintly accompanied by a suppressed grunt.

Fade Chen woke up immediately.

Fade Chen opened his eyes, with the moonlight that came in through the window. He saw a figure creeping in the room.

Fade Chen was alert. His relaxed body suddenly became tense. He held his breath and his eyes moved with the figure in the house.

The figure moved gently in the room, afraid to wake Fade Chen up. The figure walked gently to the wardrobe and opened the door of the wardrobe. The figure groped inside and seemed to be looking for something.

But a few minutes later, the figure seemed to not find anything. Instead, the figure stood for a while with hands covering the abdomen. Then, the figure gently closed the wardrobe and crept to the bed. The figure seemed to hesitate, and then stretched out a hand towards the bed.

'Thief, killer?'

Fade Chen was extremely alert. With the movement of the figure, his tight body bounced up from the bed.

Before the figure could react, Fade Chen covered the man's mouth with one hand and slammed the man's chest with the other hand, causing the man to fall heavily onto the bed.

Fade Chen was very powerful. After holding the figure down, he immediately raised his fist and was ready to fight.

But when Fade Chen pressed his hand on the chest of the figure, he suddenly felt something was wrong. At the same time, a muffled groan was heard from the mouth covered by Fade Chen's hand.

'A woman!' Fade Chen was shocked. He turned on the lamp at the bedside and looked at the figure pressed down by him.

The lamp beside the bed emitted a soft warm yellow light, Fade Chen was stunned when he saw the figure clearly, and his face was full of surprise.

Because this figure was not someone else. It was Yuri Zhang.

At this moment, she was wearing a thin pyjamas and her mouth was covered by Fade Chen's hand. Her cheeks were red and her eyes were full of tears. She was like a delicate flower.

'Yuri, why are you here?' Fade Chen released his hand from her mouth and asked in surprise.

Yuri Zhang immediately took a few deep breaths, and then her face turned redder. She glanced at Fade Chen, and her eyes immediately flashed over, whispering, 'Brother Chen, you, your hand!'

'Ah, my hand? This... oh.. Ahem!' Fade Chen looked down and found that his hand which covers Yuri Zhang mouth moved away, but his other hand remained the same position all this while.

'I'm sorry! Yuri, I didn't mean it. I thought it was a bad guy. so..' Fade Chen quickly moved his hand away, got up from Yuri Zhang, and explained.

Yuri Zhang's face was red. She lowered her head and adjusted her pyjamas which were messed up by Fade Chen. She whispered, 'It doesn't matter. Yes, it's my fault. I broke in at midnight, so it's natural that you misunderstood.'

At this point, Fade Chen thought of Yuri Zhang's action just now and asked, 'Yuri, why did you come here in the middle of the night? Are you looking for something?'

When Fade Chen asked this, Yuri Zhang's face turned redder. Her eyes flickered and she lowered her head. 'No, nothing. I'm fine. Brother Chen, go to sleep. I'm leaving now.'

While Yuri Zhang spoke, she quickly got up from the bed and wanted to leave. However, when Yuri Zhang was halfway through, her cheeks suddenly twitched and she moaned in pain. She covered her stomach with both hands and fell onto the bed again.

When Fade Chen saw this, his eyes narrowed. He rushed forward and said with concern, 'Yuri, you are ill.'

'I.' Yuri Zhang blushed and looked a little embarrassed to speak.

Fade Chen looked at her painful look with his hands covering her abdomen. How could he not understand what had happened at this moment? 'Yuri, are you having your period?'

'Yes!' Yuri Zhang nodded shyly and answered. Then she explained in a lower voice, 'I, I came to the room to find something to change.'

Fade Chen naturally understood what she was mentioning. He turned over the bed. 'Have you found it? Where is it?'

When Yuri Zhang saw this, her cheeks turned redder. She quickly shook her head and said, 'I think I've run out of it. It's fine, I'll just endure it.'

As soon as she finished speaking, a sharp pain came, which made Yuri Zhang's pretty face suddenly frown. She bent down like a shrimp.

Seeing this, Fade Chen held Yuri Zhang down and said seriously, 'How can you tolerate this? Lie down quickly, I'll treat you.'

With this, Fade Chen pressed Yuri Zhang's shoulders with both hands, guiding her to the bed. Then, his eyes shifted to Yuri Zhang's sleeping pants, finding a bright red color.

Yuri Zhang was shy again, and her cheeks began to heat up. She whispered, 'Brother Chen, no need. I, I will go and borrow from Momo.'

Fade Chen held Yuri Zhang down and said seriously, 'This is not a problem of changing things. You have a period cramp. It's an illness. It needs to be treated!'

Yuri Zhang whispered, 'Is this an illness? I'll be fine after I endure it.'

Hearing this, Fade Chen looked at Yuri Zhang who was dressed simply. Somehow, he felt a little emotional.

His voice became soft and explained, 'Yuri, this is an illness. You can't endure it. Otherwise, if you endure a minor illness it'll turn and become a serious illness in the future. At that time, you will be in trouble.'

Looking at Fade Chen's caring eyes and gentle words, Yuri Zhang felt a warm feeling gushing out of her heart.

Chapter 105

'I know, Brother Chen. I won't do it again next time.' Yuri Zhang whispered.

Seeing this, Fade Chen purposefully put on an angry expression and shouted in a low voice, 'What next time? Now, you should treat yourself well. Lie down and I'll treat you.'

Yuri Zhang looked at Fade Chen in surprise and said, 'Brother Chen, you know how to treat illness?'

Fade Chen suddenly laughed and said, 'Of course. Yuri, it's not that I'm bragging, but my medical skills are one of the best. Only a few people in the world can surpass me.'

'Really?' Yuri Zhang looked at Fade Chen with a look of disbelief.

'Little girl, are you really doubting your Brother Chen?' Fade Chen snorted, 'If you don't believe me, then I will immediately show you how I cure your illness.'

While speaking, Fade Chen reached out his hands to Yuri Zhang's lower abdomen.

Seeing this, Yuri Zhang instinctively felt shy. She bent her body to avoid Fade Chen's big hand.

Seeing this, Fade Chen held Yuri Zhang down and said, 'Yuri, you can't avoid my hand! Don't worry, Brother Chen's medical skills are very good. I'll cure you in a while. It won't hurt any more.'

'Really?' Yuri Zhang blushed.

'Try it if you don't believe me!' While speaking, Fade Chen lifted the hem of Yuri Zhang's pajamas.

Looking at the white skin and slender waist, Fade Chen felt his heart beat racing and swallowed hard. He widened his eyes and said, 'Yuri, I'm going to give you a massage. Please endure it!'

'Yes!' Yuri Zhang's body had never been exposed to a young man like this. Not only her cheeks but also all her skin began to turn red and hot.

Seeing Yuri Zhang's shy expression, Fade Chen felt a little hot in his heart and couldn't help swallowing again. He quickly calmed down and rubbed his hands quickly.

After rubbing his palms, Fade Chen pressed his hands down and began to massage them.

Unconsciously, Yuri Zhang felt that the pain in her abdomen had eased a lot, and her body was sweating with Fade Chen's massage.

Moreover, because of Fade Chen's massage action, the pajamas that were lifted had moved up a long distance. As a result, Yuri Zhang's breasts were half exposed, which made Fade Chen stare at it from time to time.

Seeing Fade Chen's strange eyes, Yuri Zhang was very shy at that time. She quickly pulled her clothes and wanted to get up, saying, 'Brother Chen, I'm no longer in pain. It's all right. You can rest!'

Fade Chen quickly pressed Yuri Zhang down and said seriously, 'It's not cured yet! You don't feel pain now, it's just to cure your illness today. The real problem has not been solved yet. Lie down!'

Yuri Zhang could only lie down with a shy face. She felt a surge of heat coming in. Not only her abdomen but also her whole body felt much more relaxed, as if she was bathing in a hot spring, comfortable and relaxed. She couldn't help but hum.

Hearing this voice, Fade Chen's heat rose again.

Fade Chen moved faster and continued to massage. A quarter of an hour later, Fade Chen took a deep breath, retreated his hands and said to Yuri Zhang, 'Yuri, it's over!'

Yuri Zhang was immersed in the comfort. After a few seconds, she came to her senses. When she saw Fade Chen's straight eyes, she suddenly felt extremely shy. She quickly sat up from the bed, pulled down her pajamas, lowered her head and said, 'Well, uh, thank you, Brother Chen. I, I feel completely better, I, I am going to sleep. Brother Chen, you rest too!'

Fade Chen's eyes moved away from her reluctantly, then he nodded and said, 'Well, you should rest early!'

With this, Fade Chen was ready to open the door and send Yuri Zhang away.

But at this moment, the door was opened outside, and then Momo Soo's confused voice sounded, 'Yuri, where are you? Are you in the bathroom?'

Yuri Zhang, who was about to go out, suddenly stayed where she was. Her cheeks were flushed and she don't know what should she do.

At this time, Momo Soo seemed to have walked to the bathroom. She opened the door and looked at it. She muttered, 'She's not in here? It's strange. Where is Yuri?'

Momo Soo walked around the living room and then moved towards Yuri Zhang's room.

Suddenly, the two in the room became nervous.

Fade Chen scratched his head and scratched his ears. He was shouting in his heart, 'Why is that whenever I did something, I will be misunderstood. Oh my!'

Beside him, Yuri Zhang was even more shy and nervous. Her whole body was completely stiff and she stood there, not knowing what to do.

At this moment, Su Mo had already walked to the door of the room. She knocked on the door gently and said, 'Brother-in-law, are you there? Are you awake?'

Fade Chen's scalp tingled and he didn't know how to answer. He was ready to pretend to fall asleep.

'Brother-in-law, you must be awake! I saw that the lights in your room were all on!' Momo Su said.

Fade Chen looked at the dim lamp and suddenly patted his head. He almost wanted to throw the lamp away.

'Brother-in-law, talk to me? Yuri is gone. She's not in the room, is she?' Momo Soo said.

Suddenly, Fade Chen was so scared that he almost jumped up. Yuri Zhang's face was redder. Her heart was beating so fast that even Fade Chen could hear it clearly.

'Brother-in-law, what's wrong with you? Is it true? Is Yuri with you?' Momo Soo said in surprise.

Fade Chen made a gesture of silence to Yuri Zhang, then coughed and said, 'Momo, it's so late. Why don't you sleep?'

'Brother-in-law, you are really awake!' Momo Soo said, 'I woke up and found that Yuri was gone. Do you know where she is?'

Fade Chen said in surprise, 'Ah, Yuri is missing.

'Well, I've looked at the bathroom, kitchen, and the balcony, but I didn't see her. Is she here?' Momo Soo said.

Fade Chen quickly denied, 'Of course not. How could Yuri be here with me? Maybe, maybe she went out!'
