

Married At First Sight

Married At First Sight Chapter 2887-Zachary asked her warmly, "Do you want me to accompany you?"

"No, I'll go by myself. Your work is important." Serenity declined.

Zachary didn't say that he had to accompany her. She was going to the business, so he didn't worry.

When they arrived at the hotel and got off, Serenity saw Carrie again.

Carrie was originally going to go back to the villa for dinner, then change her clothes, take off her human skin mask, and then quietly return to her rented house and resume her identity as Miss Newman.

Halfway through, she changed her mind and asked the bodyguard to take her to the Wiltspoon Hotel for dinner.

Zachary and Serenity often visit the Wiltspoon Hotel.

Carrie wanted to practice her courage again. If she encountered that loving couple by chance and was not afraid or ran away, then she had developed courage.

The two bodyguards didn't object to Carrie's decision, and they supported it.

Therefore, when Serenity and Zachary arrived at the Wiltspoon Hotel, she saw Carrie with a changed face again.

"Husband, that's the young lady. She went to my bookstore to buy information. Her figure really looks familiar to me. Do you recognize her?" Serenity touched Zachary, he asked.

Zachary just glanced at her, then averted his eyes and said calmly, "I don't know her. I don't know any young women, whether married or unmarried."

He would also keep a long distance from young women.

He didn't want to compare himself to other people's husbands.

Serenity wanted to say something, but thinking of Zachary's virtue, she stopped.

Carrie entered the hotel first. She didn't see Serenity anymore, and naturally, she couldn't see Zachary either.

Zachary took Serenity through the green channel, and Carrie had no chance to see them.

After the meal, the young couple stayed at the hotel for a lunch break.

At two o'clock in the afternoon, Zachary left the hotel with his bodyguards. Serenity was still sleeping. Zachary was reluctant to wake up Serenity, leaving only two bodyguards behind. When Serenity woke up, he asked the two bodyguards to take her to the store.

What Carrie didn't expect was that she would see Zachary when he left the hotel.

What was her reaction?

In order to hide herself from Zachary, she quickly squatted down with her back against the car body.

By the time she reacted, remembered that she had changed her face, and stood up, Zachary had already left.

The two bodyguards of the Labbe family looked at Carrie with sinister eyes again.

"No thief is as guilty as you." The bodyguard mocked Carrie coldly.

Carrie: "..."

"boarding!" The bodyguard ordered it coldly.
