

The Ex-Husband's Revenge

The Ex-Husband's Revenge chapter 2516-"I didn't expect a Rainbow Flower to be found here in the western region. How amazing?" Leon snapped out of it and felt extremely excited.

There were a great variety of herbs and each had its effects. The Rainbow Flower was the best of all heavenly herbs and its effect was far better than supreme spiritual herbs.

It was hardly an exaggeration that it was so rare that one may not find one in decades.

Never in Leon's wildest dream, he would come across a Rainbow Flower in a small bouquet.

For a moment, he could not contain his excitement.

"Rainbow Flower?"

"What's that?"

The others were all confused and exchanged baffled looks.

Since they were not experts in herbs and the Rainbow Flower was far too rare, they never heard of it and did not know what it was.

"I remember now! Do you mean the legendary Rainbow Flower, the heavenly herb?" Contrary to others' reaction, Jaxon looked shocked.

As a member of the Feaks, he knew a lot about herbs.

Though he never saw the Rainbow Flowers, they appeared a few times over the past hundreds of years.

According to the record left by his ancestors, there were a few mentions of Rainbow Flowers. As soon as Leon mentioned it, realization dawned on him that he was looking at the legendary heavenly herb, Rainbow Flower.

"What?"

Jaxon's words shook everyone in the room.

They all thought that the herb was a supreme spiritual herb. To their bewilderment, it was a heavenly herb, which made it rarer than a supreme spiritual herb.

This completely caught them off-guard.

“Wow!” In the next moment, they all erupted into excited cheers.

When they thought that it was a supreme spiritual herb, they all decided to purchase it for the seniors in their families. Upon learning that it was a heavenly herb.

They were all pleasantly surprised and became more convinced that they needed to obtain it.

Naturally, Leon felt the same. With his skills in medicine and alchemy, any rare herb he obtained would hold an even better effect. There was no way that he would give up on such a rare herb.
