

Chapter 901 Love In The Bathroom

Liam was taken aback by Julie's words.

Drops of water glimmered on Julie's pretty face, enhancing her charm.

When she opened the bathroom door, steam filled the room.

Julie extended her arm gracefully, adding an air of allure to the scene.

When Liam observed this sight, he couldn't help but feel a sudden arousal.

He had spent five years on Genesis Island, maintaining peak physical strength. Looking at Julie now sparked certain thoughts in his mind.

He handed Julie a towel and tried to control his desires. But Julie suddenly said, with a hint of shyness, "Liam, I got a message from the property management saying there would be a hot water glitch today. Do you... want to join me for a shower?"

Liam's eyes widened in surprise. "Julie, are you serious?"

Julie, noticing Liam's startled reaction, got a bit upset

Liam's eyes widened in surprise. "Julie, are you serious?"

Julie, noticing Liam's startled reaction, got a bit upset and exclaimed, "Never mind! I'll shower alone. It doesn't matter if you shower or not!"

Julie, clearly annoyed, was about to slam the bathroom door shut.

Liam quickly got up, grabbed the doorknob, and stated, "I'm feeling a bit tired. I could use a shower to relax. How about we shower together, Julie?"

Julie bit her lip, barely concealing a smile, her cheeks flushing even more.

Liam tiptoed into the bathroom, experiencing something like this for the first time.

Once both were undressed and in the tub, Julie's face was a deep shade of red.

Liam, gazing at her, picked up the shower gel and started to gently wash her back.

Feeling shy, Julie immediately shut her eyes, though a sound of contentment escaped her.

Her skin looked so soft under the water droplets that clung to her waist, shining like jewels in the steamy bathroom.

"You're so beautiful, Julie," Liam whispered, his eyes filled with warmth.

Julie responded with a soft smile and a gentle kiss on Liam's lips.

Liam continued his gentle gestures, and it wasn't until the bath was full of bubbles that Julie whispered, "Liam, I... I want to..."

After speaking, Julie gently took Liam's hand and placed it on her chest.

As Liam softly caressed her breasts, Julie's moans grew more frequent.

At that moment, Liam felt himself becoming aroused.

Suddenly, he felt a hand gently touching his penis.

Liam glanced down and noticed Julie's hand playfully handling it.

Overwhelmed with happiness, Liam lifted Julie up.

They embraced each other closely. Julie wrapped her legs around Liam, sitting on his lap, and began to kiss him passionately.

Gripping Julie's waist firmly, Liam, unable to resist any longer, gently entered her.

The moment he entered, Julie's face flushed with intensity. Her eyes, alluring and tender, seemed as if they could captivate Liam completely.

Liam wrapped his arms around Julie's waist and kissed her deeply. The two of them began to have passionate sex...
