An Understated Dominance by Marina Vittori Chapter 2056

Chapter 1128,

“I?”

Lily Zhang was stunned when Dustin pointed at him, and subconsciously asked: “Why?”

We were having a good conversation just now, but why did we suddenly change our minds?

“Because I hate people who repay kindness with hatred. Is this okay?” Dustin said coldly.

He has always looked down on Lily Zhang’s behavior, but because the other party did not affect him before, he turned a blind eye.

But it’s different now. If Lily Zhang hadn’t been a hindrance, why would there be today’s trouble?

If they were not strong enough, they might have been killed and cheated.

So he couldn’t forgive Lily Zhang for what he did.

“Senior Brother Dustin, please listen to my explanation. This matter has nothing to do with me. I am also forced to have no choice!”

Lily Zhang panicked and looked pitiful.

“It has nothing to do with you? We are forced to do nothing? There are only a few people who know that we have treasures. If it is not you, who else can it be? Who can be associated with the Yuanyangmen and the Golden Knife Sect?” Dustin asked.

“It’s not me...it’s really not me!”

Seemingly thinking of something, Lily Zhang said quickly: "It's Kevin Snow! Kevin Snow is behind it, adding fuel to the fire. I'm just following orders. If you have any dissatisfaction, go find trouble with Kevin Snow. It's none of my business!"

Empty sophistry is hard to convince, and a scapegoat must be found.

Now that Kevin Snow is not present and is involved in this matter, he is the most suitable candidate to take the blame.

"Um?"

Hearing the word Kevin Snow, Reid Gang couldn't help but frown slightly, but didn't say anything.

In the current situation, it is not suitable to be a leader. The best way is to protect yourself wisely.

"Kevin Snow?"

Dustin smiled coldly: "Do you think I'm an idiot? If it has something to do with Kevin Snow, why isn't he here now?"

Not to mention that Kevin Snow had secretly sent him a secret message before, even if he hadn't, he would not have suspected Kevin Snow.

"He just saw that the situation was not good and had already escaped!" Lily Zhang continued to quibble.

"Really? Since Kevin Snow has escaped, you will bear the blame. If you don't die, I will feel uneasy."

Dustin looked indifferent and grabbed the Cangqiong Sword in the distance.

Dustin looked indifferent and grabbed the Cangqiong Sword in the distance.

With a "swish" sound, the Cangqiong Sword lying dozens of meters away instantly turned into a black light and returned to Dustin's hands.

“Don’t...don’t kill me...”

Lily Zhang panicked and begged repeatedly: “As long as you spare my life, I can do anything you ask me to do. I can work as a cow or a horse for you, as a slave!”

Seeing that Dustin was unmoved, Lily Zhang looked at her master Caroline Thorne and cried: “Master, please beg for me! I’m still young and I don’t want to die yet!”

“well.....”

Facing the disciple’s call for help, Caroline Thorne just sighed and did not dare to say anything.

Now that she can’t protect herself, she still has the ability to care about the life and death of others.

“If I had known today, why bother? It’s time to hit the road!”

dahlia stopped talking nonsense and just raised his sword to strike.

“Keep someone under the sword!”

Suddenly, a loud shout sounded outside the hotel.

Dustin raised his brows and looked sideways, only to see Kevin Snow running towards this side in a hurry.

While running, he yelled: “Save someone under the sword! Save someone under the sword!”

Kevin Snow rushed forward as fast as he could and stood in front of Lily Zhang. He opened his hands like a hen protecting her cubs and begged nervously: “Brother Dustin! Zhang is just confused for a moment. Please don’t remember the child.” If someone passes by, open the net and spare her life!”

“Brother Kevin, this woman has a heart of snakes and scorpions, why do you want to protect her?” Dustin frowned slightly.

He somewhat admired Kevin Snow's character and style, so he didn't want him to get stuck in the quagmire.

"Brother Dustin! Zhang is my fiancée. I have the responsibility to protect her. Please consider our mutual treasure hunt and let her go!" Kevin Snow knelt on the ground directly.

"Brother Kevin, do you know that she just put all the blame on you? It's okay to not want such an ungrateful woman!" Dustin said.

"Brother Dustin! All the mistakes are my fault. I didn't persuade Qing Qing to stop. If you want to kill me, kill me. I am willing to atone for Qing Qing's sins!" Kevin Snow said seriously.

"What's the matter with you?" Dustin was a little helpless.

I have seen infatuated people, but I have never seen such infatuated people.

Even though he knew that Lily Zhang had been using him, he still defended him so wholeheartedly.

It's really hopeless.

"Brother Dustin! I have never begged anyone before, so I am begging you this time!"

"Brother Dustin! I have never begged anyone before, so I am begging you this time!"

Kevin Snow leaned down and knocked his head heavily on the ground.

"That's all, for your sake, I will spare her life today."

Dustin shook his head and finally put down the Sky Sword.

"Thank you, Brother Dustin!" Kevin Snow looked grateful.

"Thank you, Senior Brother Dustin, for not killing me!" Lily Zhang looked overjoyed.

"Don't be too happy yet. Although I won't kill you, it doesn't mean I will let you go easily."

As soon as Dustin finished speaking, he hit Lily Zhang in the abdomen with a palm from the air.

Lily Zhang groaned, took a few steps back, then his knees gave out, and he collapsed directly on the ground, bleeding from his mouth and nose.

“You...you actually ruined my cultivation?!” Lily Zhang covered her abdomen, shocked and angry.

“If I don’t destroy you, won’t you have to do evil again in the future?”Dustin said matter-of-factly.

Lily Zhang gritted her teeth, not daring to speak out in anger.

“Go away!” Dustin snorted coldly.

“Zhang, let’s go!”

Kevin Snow did not dare to hesitate and immediately supported Lily Zhang and left with one staggering step.

“Let’s all disperse!”

Margaret waved his hand, and the survivors of the two sects immediately dispersed.

The turmoil in the hotel alarmed many forces.

However, when they saw the masters from Twisted Sisters Sect and Golden Knife Sect fleeing, their scalps were numb with fear.

Being able to suppress so many masters of the two sects is enough to prove that there are unfathomable powerful people hiding in the hotel.

Anyone who dares to be greedy will undoubtedly be seeking death.

After the storm, it was a peaceful night.

The next day, early morning.

Dustin had just gotten up when a shocking news suddenly reached his ears.
