An Understated Dominance by Marina Vittori Chapter 2067

As the saying goes, beauty brings disaster.

Although Yan Buqi is a man, he has a foxy face that is more beautiful than a woman.

When you go out, you will inevitably attract attention.

Especially now, when you meet some gangsters, you will inevitably be teased.

Dustin just pretended not to see it and drank by himself.

“Little beauty, what’s the point of drinking with this soft-footed shrimp here? Why don’t you have a few drinks with your brothers? My brothers promise to make you as happy as a god!”

The bearded man lifted Yan Buqi’s chin with his fingers, a lewd smile on his face.

“I advise you to spread your hooves, otherwise don’t blame me for being rude!”

Yan Buqi frowned slightly, his pretty face turned cold.

With his appearance, he often encounters men and women who strike up a conversation like this.

But chatting up is a chatting up, and such blatant flirting is very rare.

“Hey! Is the little beauty angry?”

The bearded man rubbed his chin and said jokingly: “I have to say, you look more and more attractive when you are angry. It is pleasing to the eye no matter how you look at it.”

As soon as these words came out, everyone burst into laughter.

Dustin’s mouth twitched, feeling that the big guy in front of him was quite seductive.

I just don't know what the other party's reaction would be if they saw that Yan Buqi was behind the man?

"I'll count to three, if you don't get out of here, I'll chop you up!" Yan Buqi said coldly.

"Chop us? Hahaha..."

Hearing this, the bearded man couldn't help laughing: "You can't tell, the little beauty is quite fierce. Otherwise, let's get a room upstairs and I'll let you chop it slowly in the room. How about that?"

"That's right, there are plenty of rooms upstairs. We brothers can wait in line for you!" the others joked.

"three....."

Yan Buqi was too lazy to talk nonsense and started counting down directly.

"Little beauty, stop struggling and go straight upstairs. Don't worry, brother, I promise I will love you well." The bearded man grinned, showing his big yellow teeth.

"two....."

Yan Buqi still had a cold face.

Yan Buqi still had a cold face.

"If you don't want to, then I will have to carry you upstairs myself."

After the bearded man finished speaking, he was about to get started.

Yan Buqi frowned, and just when he was about to take action, an angry shout suddenly sounded at the door.

"stop!"

Along with the shouts, three men and women with luxurious accessories and extraordinary bearing walked in quickly.

The leader is a tall, beautiful woman in Tsing Yi.

On his left side, followed by a sixteen or seventeen-year-old girl in red with a bun on her head.

To his right was a tall, handsome young man in blue.

The three of them carried swords and had noble temperaments. They were obviously not ordinary warriors.

“You are so brave. You actually dare to molest a decent woman in broad daylight. You are so lawless!” The young man in blue was the first to speak angrily.

Especially when his eyes glanced at Yan Buqi Juemei’s face, he felt a strong desire to protect her and was ready to stage a hero’s rescue of the beauty.

“Where does this little brat dare to interfere in my uncle’s business?”

The bearded man turned around with a somewhat evil look in his eyes.

“Brother, two more beauties have arrived. It seems that the brothers are in good luck today!”

A group of strong men smiled evilly and looked greedily at the woman in green and red. They did not take the young man in blue seriously at all.

The stunning beauty in front of the table is their elder brother’s prey, so the woman in green and red are their trophies.

Although the two girls are slightly inferior in appearance, fortunately, they have good figures, with bulging front and back. If they get into bed, they will definitely be delicious.

“A bunch of shameless people! I, Xu Yang, must teach you a lesson today!”

The brawny men’s wanton teasing instantly angered the young man in blue, Xu Yang.

Without saying a word, he just drew his sword and stabbed.

Xu Yang's sword is very fast and his attacks are very powerful.

As soon as the sword edge came out, there was a faint sound of dragons roaring and tigers roaring, and the power was astonishing.

"court death!"
