An Understated Dominance by Marina Vittori Chapter 2069

“Ah~!”

Xu Yang gritted his teeth, veins popped out on his face, and a low roar came from his throat.

He put his hands against the sword and tried with all his strength to push the butcher's knife away from his shoulder.

However, no matter how hard he struggled, the butcher's knife pressed against the sword showed no sign of giving in.

Instead, the force on the knife became heavier and heavier, so much so that his knees directly pressed cracks into the floor.

“Hmph! With such little ability, you still dare to challenge my pig-killing gang. You are really overestimating your capabilities!” The bearded man sneered.

“Brother is awesome!”

“Brother is mighty!”

When the other boys saw it, they couldn't help but cheer.

Their Pig Killing Gang is a big and respectable gang in the north, how can they be provoked by some little shrimps?

“Boy! Daring to save a beauty in front of me is the worst decision you have ever made in your life. Today I will pick on your hamstrings and teach you a profound lesson!”

The bearded man laughed ferociously, and the butcher's knife turned sharply and quickly slashed towards Xu Yang's wrist.

“Qiang!”

Seeing that Xu Yang's hand tendons were about to be severed, a green sword suddenly stretched out, just blocking the slashing butcher's knife.

"Um?"

The bearded man frowned and looked up.

He saw the woman in green, holding a sword and looking at him coldly.

"Senior sister?!"

Xu Yang looked happy and finally breathed a sigh of relief.

His right hand was almost useless, but fortunately the senior sister provided timely support.

"Little girl, do you want to meddle in other people's business?" The bearded man smiled evilly.

"If you dare to hurt my junior brother, I won't spare you today." The woman in green said coldly.

"You're right! Scum like you, everyone will be punished!"

Another girl in red drew her sword and shouted softly: "Senior sister, I'm here to help you eliminate harm for the people!"

"No need, you and Junior Brother Xu are staying by the side. I am enough to deal with them." The woman in green looked silent.

"No need, you and Junior Brother Xu are staying by the side. I am enough to deal with them." The woman in green looked silent.

"Hey! So confident?"

The bearded man smiled wretchedly: "Girl, with your weak little body, I'm afraid you can't stop my brother's knife. How about we throw down our weapons and go to the bed to swipe?"

As soon as these words came out, everyone in the Shazhu Gang laughed.

A pair of evil eyes kept looking at the woman in green and making various comments.

“If you are stubborn, I will do justice for heaven today!”

The woman in Tsing Yi had a cold face and stopped talking nonsense. With a flick of her wrist, the long sword deflected the butcher’s knife with skill, and then stabbed out suddenly, heading straight for the chest and abdomen of the bearded man.

This sword is incredibly fast and silent, with hidden murderous intent.

Compared with Xu Yang’s swordsmanship, it is obviously a higher level.

“Well done!”

The bearded man was not afraid at all. The huge butcher knife made a half circle in the air and cut horizontally towards the sword of the woman in green.

“Qiang!”

The butcher’s knife collided with the sword and made a soft sound.

Everyone thought that the bearded man was incredibly powerful and would definitely have the upper hand in a head-to-head fight.

However, the fact is that the bearded butcher knife did not shake the sword of the woman in green.

On the contrary, at the moment when the two sides collided, the sword of the woman in green quickly spread forward along the butcher’s knife like a spiritual snake.

And at an extremely fast speed, he cut a deep wound on the bearded man’s arm, and blood quickly poured out.

The bearded man grunted, and under the sting, he took several steps back, trying to distance himself.

However, the woman in green didn't give this chance at all. She stepped forward and rushed forward in an instant, stabbing the bearded man with her long sword again.

The bearded man immediately raised his butcher knife and tried to block it.

As a result, the woman in green flicked her wrist, and the long sword deflected the butcher's knife, accurately stabbing into the bearded man's shoulder.

"What?!"

The bearded man's complexion changed and he backed away again.

The woman in green continued to pursue the victory, waving her sword continuously and striking out.
