An Understated Dominance by Marina Vittori Chapter 2079

“Damn it! This little devil is so arrogant, he doesn’t take the disciples of the Sword Sect seriously at all!”

“What a fool! He’s just spewing arrogant words here without even getting a fight. We’ll see how he ends up if he loses!”

“I can’t bear it anymore! Get my knife!”

“...”

Yayoi Kusama’s arrogance and contempt have attracted many people’s anger.

Especially Xu Yang’s face instantly turned gloomy.

Being a disciple of the Sword Sect was a lifelong pride for him, and with his status, he was always highly sought after wherever he went.

Now to be humiliated in public by a little devil is really unbearable.

“Little devil! I don’t care who you are or how powerful you are. When you get here, if you are a dragon, you have to be coiled by me, and if you are a tiger, you have to lie down with me!”

Xu Yang said aggressively: “If you dare to compete near Longhu Mountain, today I, Xu, will personally teach you a lesson, so that you understand what it means to have people outside the world and heaven outside the world!”

After saying that, he pulled out his sword and pointed it at Kusama Yayoi from afar.

The whole person’s robes were making a rustling sound, and they were moving automatically in the absence of wind. They looked majestic and had an extraordinary demeanor.

“Well said! Come on Xu Yang! Kill this little devil!”

The onlookers cheered and cheered.

Yayoi Kusama put down her wine glass, picked up the sword on the table, stood up slowly, looked directly at Xu Yang, and said coldly: "Are you sure you want to challenge me?"

"I'm not challenging you, I'm teaching you a lesson!"

Xu Yang said enthusiastically: "Don't think that you can run wild in our Dragon Country just by learning some Kung Fu of a three-legged cat. Your skills are far from enough!"

"Yes, I admire your confidence. Come on, let me see how capable you are."

Yayoi Kusama nodded and slowly pulled out the sword in her hand.

This sword is called Onimaru, and it is one of the ten most famous swords in the Golden Crow Kingdom.

The blade is three feet four inches long and is red in color with water wave-like patterns on it. It looks very gorgeous.

Especially after being illuminated by the sun, the red pattern seems to be half alive, exuding an enchanting light.

"Look at the sword!"

Xu Yang didn't talk nonsense, he just raised his sword and stabbed him.

He not only wanted to win today, but also wanted to win beautifully and win the applause of the whole house. Only in this way could he live up to his reputation as a disciple of the Sword Sect and live up to the spotlight.

"well....."

Seeing this scene, Liu Rushuang in the crowd just sighed.

Others don't know, but she knows very well how much her junior brother weighs.

With Xu Yang's current strength, he can deal with ordinary innate warriors with ease, but when facing real masters, he will be overwhelmed.

It was obvious that Yayoi Kusama, who dared to set up a stage near Longhu Mountain, was not an ordinary person. It would not be easy for Xu Yang to win.

"Brother Lu, who are you more optimistic about in this battle?"

Yan Buqi gently shook his folding fan, but looked at Dustin intentionally or unintentionally.

"The two are not on the same level, so there is no way they can fight." Dustin said calmly.

"Oh? So, do you think Brother Xu can win?" Yan Buqi asked deliberately.

"Of course! Senior Brother Xu's swordsmanship is superb, second only to my sister. It's completely easy to deal with this little devil!" Liu Hongxue grabbed the topic and seemed very confident.

"win?"

Dustin shook his head and said very straightforwardly: "To be honest, Xu Yang can't win this battle at all. If he can save his life, it can be regarded as the manifestation of his ancestors."

"Hey! How do you talk?"

Hearing this, Liu Hongxue immediately became unhappy, put her hands on her hips, and shouted sweetly: "My senior brother Xu is a martial arts genius. He has become a master of the late Xiantian stage at the age of only twenty. He has advanced cultivation and superb swordsmanship. He is better than you." Ten times, a hundred times! Why do you look down on Senior Brother Xu?!"

An unknown person in the world actually dares to point out the world here and say that his senior brother is not good. What a shameless statement!

“I’m not looking down on anyone, I’m just telling the truth.”

Dustin said calmly: “With Xu Yang’s age, reaching the current level is indeed excellent, but he is still far behind those top geniuses. Unfortunately, the Yayoi Kusama he met today happened to be It’s the group of people who stand at the top of the pyramid.”
