An Understated Dominance by Marina Vittori Chapter 2089

Chen Xingwen's fearless appearance moved many people.

Although the opponent was defeated, he was still full of pride and did not surrender to the little devil.

This spirit is worth learning from everyone.

But... Chen Xingwen is now seriously injured and his silver spear has been cut off. If he continues to fight, he will really die.

A genius like this shouldn't have died here.

"Chen Xingwen! The victory has been decided, don't be willful anymore, and retreat immediately!" Dong Qianqiu angrily yelled.

Although Tianxiahui has many disciples, there are only a few who can truly be called geniuses.

Undoubtedly, Chen Xingwen is one of them.

With the strength of a half-step master, he was able to compete with a martial arts master for so long. This achievement is enough to be proud of.

Naturally, he didn't want the other party to die impulsively because of a temporary victory or defeat.

"As long as I am still standing, I will never bow my head and admit defeat!"

Chen Xingwen held half of the silver gun and shouted angrily: "Yayoi Kusama! Fight me again!"

As soon as he finished speaking, he stepped forward and rushed forward.

"Nonsense!"

Dong Qianqiu couldn't stand it any longer, so he stepped forward and struck Chen Xingwen's neck with his knife.

Chen Xingwen groaned, his body went limp, and he fainted.

"Come here! Carry him down and treat his injuries!"

Dong Qianqiu gave the order, and soon two Tianxiahui disciples carried away the seriously injured Chen Xingwen.

Chen Xingwen's departure brought the atmosphere to a freezing point.

Two challenges, two failures.

There were so many warriors in the audience, but it was a bit embarrassing to be overwhelmed by a little devil and unable to lift their heads.

If I can't find my place today, I'm afraid I will become the laughing stock of the world.

"In the second challenge, my young master will still win. You have one last chance. If you can't win, don't blame me for laughing at you that there is no one in the Dragon Kingdom!" the suit butler said proudly.

"Who else wants to go up and try?"

Dong Qianqiu looked around, trying to find a suitable candidate.

Although there were whispers at the scene, no one dared to come forward, especially the warriors who came into contact with Dong Qianqiu's eyes and lowered their heads unconsciously.

Even masters like the Little Spear Immortal Chen Xingwen have been defeated. Who dares to go up and humiliate themselves?

In this current situation, I am afraid that only those strong men on the list of geniuses can stabilize Yayoi Kusama.

The question is, are there such people here?

“Sister, what should we do now? That little devil is too powerful. Even the little spear fairy Chen Xingwen is no match for him. Who can beat him?” Liu Hongxue was a little anxious.

As a patriotic young man, she naturally couldn't stand the little devil showing off his power on the territory of the Dragon Kingdom.

“In this current situation, only Mr. Dong can turn the tide by personally taking action.” Liu Rushuang looked a little solemn.

She has already seen that Yayoi Kusama is a martial arts master. Looking at the whole audience, only Dong Qianqiu can fight with her.

“With Mr. Dong's strength, he can indeed win, but Mr. Dong's seniority and age are such that even if he wins, he will be considered weak.” Xu Yang shook his head.

Dong Qianqiu is the protector of the world and has a high prestige in the world.

Letting such a big shot compete with a young brat is undoubtedly a waste of talent and overkill.

“No matter what, as long as we can win, we can regain some ground and prevent the little devil from being too arrogant!” Liu Hongxue said angrily.

We have lost two games in a row, and we must not lose the last game, even if the big one bullies the small ones, we must win.
