

## An Understated Dominance by Marina Vittori Chapter 2132

An Understated Dominance by Marina Vittori Chapter 2132

### Chapter 2132

William's words directly made Park Guochang angry: "You white-faced monkey, you dare to slander our country of Korea, I will fight with you!"

Being exposed in public, as a fierce general of the Goryeo Kingdom, he naturally couldn't bear it.

"Duel? Haha... I'm happy to accompany you."

William smiled, and a murderous intent flashed in his scarlet eyes.

"Okay! Everyone here is a partner, there is no need to fight over a trivial matter!" Bailey immediately stopped him.

Although he was somewhat dissatisfied with Park Guochang's behavior, he did not want him to seek death.

Duel with William the Blood Demon? No one in their right mind would choose this.

"Mr. Bailey! This is not a trivial matter, it is related to the majesty of our country!"

Park Guochang said righteously: "The glory of our country, Koryo, will never be allowed to be trampled by outsiders! This white-faced monkey has insulted our country, Koryo, and he must pay the price for his actions!"

Facing Park Guochang's clamor, William just drank red wine leisurely and didn't take it seriously at all.

"Mr. Park Guochang, do you know who you are challenging?" Bailey frowned.

"I don't care who this white-faced monkey is. Either kowtow to me and apologize today, or accept my challenge. There is no third option!" Park Guochang shouted sternly.

He is one of the top three warriors in the entire Goryeo Kingdom. He is a rare opponent in the country. Even the king treats him with courtesy when he sees him.

With his strength, it was easy to deal with a skinny white-faced monkey.

“Mr. Bailey, this is such a rare opportunity, why not let Mr. Park fight with Mr. William to open our eyes.” Brahma of Tianzhu said with a smile.

“Yes! I’m also curious, how powerful is Mr. Park Guochang from Korea?” Vishnu echoed.

Although Shiva remained silent, he nodded.

It was obvious that Tianzhu’s three ace killers were just watching the fun and not taking it too seriously.

“Mr. Park Guochang, let me solemnly ask you one last time, do you really want to challenge William?” Bailey asked seriously.

“Of course! I will make him pay for his rude behavior!” Park Guochang was furious.

“Okay! Then you two will have a duel between warriors, and you will win or lose based on your own abilities!” Bailey stopped blocking him.

At this point, no matter how much we talk, it’s not as real as a fight between the two of them.

In this world, the strong are respected.

Whoever has a strong fist will make sense in what he says.

“White-faced monkey! I’m going to beat you into submission today!”

Park Guochang picked up the golden spear, strode to an empty area in the yard and stood there, while looking at William fiercely: “Show your weapon!”
