Lana gritted her teeth, thinking that she hadn’t done anything wrong it was Auck who had robbed her of the manage and clean t for three years. A couple of taunts were nothing. Even if she were to kill Alice, that wouldn’t be snoom toquet her reserdinand,

Why would Jasper Sde with Alice? Why?

Half an hour later, lasser descended the stairs in casual wear with Mrs. Posie at his heels Halfway through, he overheard three women laughing and chating in the living room

Berty complanet. “We should really change me chef. We’ve been served crap after Alice left. I suppose she isn’t totally useless she’s pretty good at cooking.”

Lana wondered aloud, “Old Alice have to prepare your meals daily

Berty realet, “Of course! That country bumpkin had to prove her worth somehow after marrying up. The maids were talking behind her back saying that she was a nanny with the empty title of Mrs. Beckett. She might be a princess on paper, but she was only a pauper in reality!”

Jasper locket hostile as he denched his fists

Sophia chimet in. “I thought she’d cave in and get a divorce after one year. Jasper gave her the cold shoulder, and everyone in the family Stubbet ner. I was surprised when she took it all in for three years before getting a divorce. I couldn’t have survived that if I were her. She was pretty hardy.”

Berty agreeet. Thankfully, La’s back. If not, I bet Alice would have hung around longer—that shameless bitch!”

Jasper could not take it anymore and growled, “Are you done?”

The air immediately froze

“Lasser, we were Lana shot up to explain herself.

“You shouldn’t be talking behind Alice’s back when you have received her kindness,” he cut her off with such seriousness that she muddled

Sochia and Betty scowled.

“What are you talking accur? We

“Not only did you not appreciate Alice’s hard work, but you also treated her as a joke. Do you think you can walk all over me? The look in his eyes sent a chill down their spines

were shocked by the way he mentioned Alice. In his three years of marriage to Alice, he rarely called her by her name. As a result of ins cold treatment, everyone in the family perceived Alice to be a pushover.

To ther surance, he now referred to Alice by her name, as though he was close with her during the marriage.

The three women looked sale. The other maids were quiet.

“Aice was once my wife will not allow anyone to humiliate her, especially within our family.” Getting his teeth and frowning, he warned Sopma, Betty, as a wife and daughter, you’d better have some class. Don’t make a foot of yourself!”
