

The Charismatic Charlie Wade Chapter 3863

Because she couldn't figure it out, Fei Kexin furrowed her brows and remained silent for a long time, still thinking about the possibilities.

skuna saw that her expression was serious and a little sleepy, so she couldn't help asking: "Miss, what do you think of this matter now?"

Fei Kexin sighed, staring at the pile of materials in front of him, rubbing his temples with his slender and tender white jade hands, and said in a melancholy, "From these materials, the entire Wilson family starts to count from Mrs. Wilson. If one counts one, if all their assets add up, it will be no more than 100 million yuan."

"However, if this Charlie is really the client of the Rejuvenation Pill I was looking for, then he is just a pill, probably worth tens of billions of dollars!"

"In that case, Charlie's strength is hundreds of thousands of times stronger than the Wilson family, so how can he be the son-in-law of the Wilson family?"

Speaking of this, Fei Kexin said again: "According to a proportional calculation, it is like a rich man with a net worth of nearly tens of millions, entering a pauper home whose family assets add up to 10,000 yuan, then I want to know. , Did he go to join the family, or to help the poor?"

"Yeah..." skuna also nodded in agreement: "If according to this value gap, the whole family of the Wilson family would have to treat Charlie as an ancestor, how could it be said that Charlie is the son-in-law?"

After that, she asked again: "Miss, could it be that we made a wrong judgment at the beginning?"

Fei Kexin pursed her lips, a firm look suddenly burst into her eyes, and said in a deep voice: "We have focused on here from the clues all the way, everything is right, there should be no mistake!"

"Furthermore, the case of Jacob is also here. He did have a hemiplegia due to a complete spinal cord injury, but he was completely healed in less than a day. This unprecedented medical miracle has really happened!"

"Regardless of whether this Charlie is the person we are looking for, I can be sure that Jacob must be cured by the person we are looking for!"

Speaking of this, Fei Kexin stood up, her expression and eyes were more determined and said: "This Jacob has a very mediocre personal resume, and basically there is nothing that can be easily obtained. If it is not for a person like him to help him, once he is in high position. Paraplegia, the second half of my life can only be paralyzed in bed, there is no possibility of recovery, and I have seen Jacob's family and connections, except for the mysterious background of Charlie, everyone else is as mediocre as Jacob, and it is impossible to help. I have Jacob!"

skuna hurriedly said: "Miss, Charlie's background is not mysterious at all. All his backgrounds are clear at a glance. Compared with the Wilson family, he is not even mediocre..."

"No." Fei Kexin said earnestly: "Charlie's life history before the age of eighteen is almost completely blank. This shows that he has never attended a formal elementary school, nor a formal junior high school, and nine years of compulsory education. This kind of resume accepted by the orphanage is almost blank. The more it is, the more unfathomable I feel."

Speaking of this, Fei Kexin said again: "As for why Charlie wanted to enter house, to be honest, I didn't want to understand, but I think he must have his reasons and reasons!"

skuna asked: "Miss, can you be sure now, is this Charlie the person you are looking for?"

"I can be sure!" Fei Kexin said firmly: "If it weren't for him, it would prove that I was wrong from the beginning to the end of this matter, but if I have one place right from the beginning to the end of this matter, then It must be him!"

Speaking of this, Fei Kexin quickly picked up Jacob's information and said, "This Jacob is now the executive vice president of the Aurous Hill Painting and Calligraphy Association. Please check the details of the Aurous Hill Painting and Calligraphy Association. What breakthrough has been found in Jacob's body!"
