

# The Charismatic Charlie Wade Chapter 3918

Seeing that Mr. Luo was taken away, Charlie turned around and returned to the box without delay.

At this time, Fei Kexin in the box was completely unaware of what was happening outside.

After all, this place is located next to the national highway, and the traffic is whizzing by, and the movement is extremely high. From time to time, an overloaded truck passes by, and even the entire ground will vibrate.

Therefore, Fei Kexin could not hear other movements outside.

After Charlie came back, he smiled and said to Fei Kexin: "I'm sorry, Miss Zhan, there was something just now, which made you wait for a long time."

Fei Kexin hurriedly said: "Mr. Wade don't need to be so polite, are you finished?"

Charlie nodded, and said casually: "After the solution is over, the client is just asking for a little feng shui trivial matter, and it will probably be almost enough to explain it to him."

Charlie's acting was too sincere, so Fei Kexin didn't have the slightest doubt.

So Fei Kexin smiled and said: "By the way, Mr. Wade, I don't know if your wife told you that the villa I bought in Shuiyun Villa has been entrusted to her to design and decorate it."

Charlie nodded and said, "my wife told me about this. She herself is very happy because she has never encountered such a good project."

After speaking, charlie said politely: "I also want to thank Miss Zhan for being able to put such a big project in her hands."

"Where." Fei Kexin said hurriedly: "Mr. Wade helped me see Feng Shui, but didn't take any cents. I'm also reciprocating a peach, so please don't be polite to me."

charlie smiled slightly, and said sincerely, "Since Miss Zhan is so interesting, then there will be any place in Aurous Hill where charlie is useful in the future, please don't be polite to me, Miss Zhan!"

Hearing charlie's words, Fei Kexin's big eyes couldn't help shining with excitement.

She approached charlie deliberately, just because she wanted to accumulate some personal friendships and favors with him.

Only in this way, can one day be possible for him, cheeky, to beg him to sell himself a rejuvenation pill.

And what charlie said just now gave her great confidence.

She believes that as long as she keeps on working hard and continues to get closer to charlie before the auction begins, the rejuvenation pill will really be sure!

As for the excitement, she couldn't help holding up the water glass and said to charlie: "Mr. Wade, I will use tea instead of wine. Toast you!"

charlie nodded and smiled, and also touched her slightly with the water glass, and said politely: "Come on, Miss Zhan, eat more meat!"

After that, he used his own chopsticks to hand her a few pieces.

Seeing that these chopsticks were used by charlie, Fei Kexin was taken aback for a moment, her heartbeat accelerated a bit, and blushed and said, "Thank you, Mr. Wade!"

charlie said with a smile, "You are welcome, you must eat well!"

Twenty minutes later, Fei Kexin finally put down his chopsticks, and while gently wiping her lips with a tissue, she said softly: "Mr. Wade, I'm full...this may be the one I grew up and eat the most. One meal..."

charlie smiled and said, "It's best if you like to eat. I'll take you some other local specialties if I have the opportunity in the future."

Fei Kexin followed his words and said, "That's great! I haven't been to Aurous Hill before, and I don't know anything about the local characteristics here. If you have Mr. Wade with you, you will definitely be able to avoid a lot of detours!"

charlie nodded and smiled: "Then two days later, I will take you to the most famous Huaiyang cuisine in the Yangtze River valley!"

After speaking, charlie deliberately said casually: "It just so happens that I have a friend who runs a restaurant, and his main specialty is Huaiyang cuisine. It is quite famous in Aurous Hill. It is called Heaven Springs. I will talk to him later and let him prepare a table! "
