

The Charismatic Charlie Wade Chapter 3919

Fei Kexin felt big when he heard the words Heaven Springs.

She thought to herself: "The food in Heaven Springs is good this day, but no matter how good it is, it can't stand to eat every day..."

"Moreover, I am already a regular guest in Heaven Springs these days. If Charlie knows about it again, I might think more about it. There will definitely be harms and no benefits."

Thinking of this, she smiled and said to Charlie: "MR. Wade, I have been to Heaven Springs. The food is really good, but eating there is still a bit too wasteful. I wonder if you have anything more grounded. Choice? Farm food like today's, I think it's very good..."

Charlie asked in surprise: "Have you been to Heaven Springs? Oh, I knew I would say hello and ask the boss over there to free you from the order."

After speaking, Charlie said again: "In this way, I'll call the boss of Heaven Springs in a while, and no matter when you go, Miss Zhan, let him give you a waiver!"

Fei Kexin hurriedly said, "How embarrassed then! People open the door to do business, how can they let them waive the bill, MR. Wade, don't be so polite..."

Charlie was not polite at first, he just treated Fei Kexin as a little mouse, and now teased her to play, waiting to see her at a loss.

So Charlie smiled and said, "In this case, I'll look for a restaurant with more local characteristics, and then I will take Ms. Zhan to taste it."

Fei Kexin nodded repeatedly, smiled, and said: "I am not familiar with the place where I was born in Aurous Hill, and only MR. Wade is your friend. I have taken care of him during this time!"

Charlie smiled and said, "It's easy to talk, I'll arrange it!"

With that, Charlie looked at the time and smiled slightly: "Miss Zhan, it's late, or should we get here today?"

"Good!" Fei Kexin nodded and smiled: "Thank you MR. Wade for the hospitality today!"

"You are polite!" Charlie stood up with a smile. Seeing Fei Kexin also got up and took the handbag, he walked to the door first, opened the box door, and said with a smile: "Come on, Miss Zhan, please."

Fei Kexin bowed slightly and nodded in thanks, and then stepped out of the box.

At this time, the sky outside the door was completely dark, and although a wall lamp was on in the yard, the light was still very dim.

As soon as Fei Kexin went out, he subconsciously looked for Mr. Luo's figure, but unexpectedly, Mr. Luo did not stand beside the car as usual.

She couldn't help being a little surprised, and she thought to herself: "Where is Mr. Luo? He used to wait by the car every time. Why is he not seen today? Is he resting in the car?"

Thinking of this, she immediately stepped towards the Cadillac.

But when she got to the window of the car, she leaned over and found that the car was empty and there was no sign of Mr. Luo.

So she hurriedly looked around again. In the entire farmyard, she didn't see Mr. Luo.

This made her feel a little flustered.

She then anxiously took out her mobile phone and tried to call Mr. Luo, but the call was prompted that it could not be connected.

This made her panicked in an instant, while continuing to try to make a call, she kept circling around the place anxiously.

Charlie pretended to be surprised and asked: "Miss Zhan, what's the matter with you?"

Fei Kexin blurted out subconsciously: "My... my driver is gone..."

"It's gone?" Charlie said in surprise: "How can a big living person say hello and disappear? When I came out to answer the phone just now, I said hello to him..."

After speaking, he hurriedly said again: "Could it be to go to the toilet?"

Fei Kexin said in a flustered expression, "But his cell phone can't get through... He is a person, he has never been able to get through with his phone, and his style of work is cautious, and he will never disappear without saying hello, so... ..So I suspect that he might be in trouble..."
