

The Charismatic Charlie Wade Chapter 3921

As time passed by, Fei Kexin became more nervous and flustered.

It's been a long time since I saw the news of Mr. Luo, and even the phone couldn't get through. She was anxious and quickly sent a message to her grandfather reporting the sudden situation to Jian.

Right now, the difficulty of the matter surpassed Fei Kexin's ability and the strength of the others around her. She could only ask Grandpa for guidance and help.

At this time, Jian was lying halfway on the bed, and the servants around him were serving him, eating a special nutritious breakfast spoon by spoon.

Recently, his health has gone from bad to worse.

After getting up every day, I don't even have the energy to go out for a walk, and even sitting motionless is exhausting.

Therefore, he can only rest in bed most of the time.

His health care team just completed a comprehensive physical condition assessment for him two days ago.

Experts believe that his life has entered the end of natural aging, and the remaining time cannot be calculated annually.

Therefore, Jian is only looking forward to two things deep in his heart.

One thing is that his granddaughter Fei Kexin has good news.

The other thing is that I can successfully get a revival in the auction at the end of the month!

Now that I suddenly received a message from Fei Kexin, Fei Jian Center couldn't help feeling a little excited.

He quickly picked up the phone with a trembling hand and opened the text message with his own hand.

However, when he saw the content, his whole person was suddenly struck by lightning, and the phone couldn't control it, and he slid directly from his hand!

"Mr. Luo is missing...this...how is this possible..."

Jian was horrified at once, so he immediately said to the servants around him: "Quick! Go and invite Master !"

Soon, a middle-aged man wearing a black Tang suit and black cloth shoes stepped into the room.

The middle-aged man looked at him in his forties. He was not fast when he walked, but he seemed to be carrying a gust of wind.

This person is jay, the bodyguard who has been with Jian for many years.

jay's actual age this year is sixty to sixty.

Twenty-six years ago, he was ordered by the teacher to enter the WTO to protect Jian. Because of his courage and strategy, he was of great help to Jian, and he was honored .

Twenty-six years ago, jay had already broken through the six-star martial artist. In the past 26 years, his energy has been used to protect his assistant Jian, and his cultivation speed has slowed down a lot. Today, he has only broken through. To the Seven-Star Warrior.

And Mr. Luo is his fellow junior.

According to the requirements of the division, jay was originally scheduled to serve the Fei family for 30 years, and after four years, he would return to the division for practice.

Therefore, Shimen sent Mr. Luo a few years ago to take over his class.

Mr. Luo had spent most of the time protecting Jian's eldest son, that is, Fei Kexin's uncle. This time Fei Kexin was ordered to go to China to find clues to the rejuvenation pill. Jian specifically asked Mr. Luo to protect Fei Kexin's all the way. Safety.

I never thought that just a few days after Mr. Luo arrived in Aurous Hill, he disappeared inexplicably!

However, at this time jay didn't know what happened to Mr. Luo. He walked to Jian's bedside, bowed slightly, and asked: "Fei Lao called me over so early, what's your order?"

Jian hurriedly said: "Master jay, Kexin just sent a message that he is missing! Kexin suspects that he has suffered an accident!"

“What?!” Jay was stunned for an instant, and blurted out: “It’s impossible! a six-star martial artist, with strong strength and no opponent in the Chinese martial arts domain. How could he encounter an accident in China!”
