

Chapter 4520

Joseph's jaw dropped in disbelief.

One should know that the highest martial artist is only eight stars,

Which corresponds to the martial artist's eight odd meridians,

And those who have opened the eight odd meridians are eight-star martial artists.

And Joseph now is only a small realm higher than the eight-star martial artist.

An eight-star martial artist would die so tragically, this really left him unable to digest!

Charlie saw his astonished expression, so he asked:

"Is it that you didn't expect that an eight-star martial artist would die so miserably?"

"Even the sky spirit cover was shattered."

"Yes" Joseph said incomprehensibly, "I'm not going to hide it from you, Mr. Wade,"

"Your subordinate really can't figure out why these four people would die so tragically"

"Such strong strength, ordinary people should be difficult to get close to them right,"

"And they are supposed to be bodyguards, the sense of prevention should be very strong,"

"They should not give the other side the opportunity to get close to shoot"

Charlie coldly said: "Joseph, this is your bones as a martial artist's high arrogance,"

"You always think that martial artists are very strong,"

"But you have not thought that martial artists also have a lot of shortcomings."

Saying that, he asked him, "If more than twenty people suddenly appeared at the end of this corridor,"

"With nowhere to hide and they saturate you with fire, how many rounds do you think you can survive?"

Joseph seriously said, "I think I should be able to spot each of them before they appear,"

"After all, they are not eight-star martial artists, it is impossible to hide their breath and movements."

Charlie asked again, "Then what if the other side took advantage of the show just about to start,"

"Outside the sound is full of cosmic war explosion roar?"

"You can still sense the other party's breath and movement?"

"This" Joseph's expression was austere, ashamed to say:

"If that's the case, then I should not be able to do"

Charlie asked him again, "If more than twenty people suddenly appeared and used powerful modern firearms,"

"To shoot six or seven hundred rounds of bullets in a few seconds, could you stop them?"

"This" Joseph's expression was even more shocked,

And he froze for a long time before shaking his head and saying,

"If it's six or seven hundred rounds of bullets in a few seconds, I can't stop"

Charlie said: "I do not know if you look at the details of the firearms they use,

Each of them under the gun inserted on the magazine, tape tied to the opposite direction of the magazine,"

"After the bullet is shot, just need to pull out the magazine, then go for a reverse re-insertion,"

"Two or three seconds later, you can again shoot six or seven hundred rounds of bullets,"

"This kind of firepower, in this kind of aisle can not be avoided,"

"Not to mention this kind of firepower, in this kind of aisle where there is no way to hide,"

"Not to mention an eight-star martial artist, even a martial arts expert like you,"

"Who is at the full circle of the Ming realm, can't resist."

Speaking of this, Charlie lamented: "This is like the African hyena group hunting,"

"Although the tricky, but as long as the tacit understanding is there,"

"They can be invincible in the grasslands, even the king of a hundred beasts, they can also kill them."

"Yes" Joseph gave back a cold sigh and spoke: "Subordinate definitely learned a lesson!"

Charlie nodded and said, "It's good that you have it in your heart,"

"It's getting late, first let the brothers grab the corpses and get rid of them."

"As you wish Mr. Wade!" Joseph said, and pointed to Duncan's corpse and asked Charlie:

"Mr. Wade, will this Inspector Li's corpse also be taken away and disposed of?"

Charlie shook his head: "No, he's not dead yet."

After that, he looked at Stella and said,

"Miss Fei, I have heard before that there are many rich people with terminal illnesses in the United States who freeze themselves before they die,"

"Hoping that future technology can cure them, is there such a thing?"

Stella said: "back to Mr. Wade, this situation is quite common,"

"Basically every top rich people have their own investment in the freezing center,"

"Even when they exhaust all modern medical means and can not continue to live after,"

"They will freeze themselves, this in the rich circle, known as the future hibernation plan,"

"In the hope that can be reawakened one day in the future, when the medical field has developed further. "

"The freezing center using liquid nitrogen can maintain the body temperature at about minus two hundred degrees,"

"But many biological experiments have been done before, without exception,"

"All failed, the current level of technology, can not wake them up from the frozen nature,"

"Everyone is also treating it as the last bit of luxury."

Charlie asked her, "The Fei family also has his kind of frozen center?"

"Yes." Stella nodded and said, "Grandpa invested in one ten years ago, and it's still running."

Charlie nodded, pointed at Duncan, and said to her,

"Then make arrangements to send him there at the earliest!"
