

Chapter 4559

Charlie said indifferently: "It's not your turn to ask me questions now."

With that, he stared at him and said sternly, "Listen clearly to every word I'm about to say next,"

"My methods, I believe you have already learned them, so I have not much to say,"

"I will start asking questions from now on, you must know everything and say everything,"

"If you make me feel that you are fooling me, I will make your life worse than death,"

"And will not give you a second chance, you understand this?!"

Charlie's words made the man in front of him extremely frightened.

He couldn't help thinking of the bloodbath a few hours ago,

When Charlie turned him and his subordinates into cripples by himself.

He had never heard of this kind of terrifying strength.

What's even more terrifying is that he never saw Charlie make a move in the whole process!

Even Charlie had no physical contact with them at all.

This is the most disappointing point for him.

With his knowledge of martial arts masters, even a dark realm master...

Would not be able to achieve such a strange long-range strike!

The internal strength and infuriating qi of a martial arts master can only achieve the so-called bullying from the air at most,

And the distance is extremely limited, and the power will be greatly reduced.

Like Charlie, who can burst out such lethality without contact at all,

In his opinion, the strength may have reached a demigod!

And he still clearly remembered that when he crushed his dentures,

And the venom penetrated his whole body with his blood,

Charlie was able to use a mysterious force to withdraw all the toxins from his body.

Even now, he can clearly feel that the venom is still intact in his belly,

And that mysterious power tightly wraps all the venom, so that it is completely isolated from his body.

Therefore, at this time, Charlie, in his eyes, was like a god of death wielding a sickle.

Frightened, he blurted out and pleaded: "Sir, please give me a good time...kill me..."

"You want to have your say?" Charlie sneered and said lightly:

"To tell you the truth, today the people you wanted to kill are my grandfather and grandmother's family,"

"Do you think I will give you pleasure? Since you want pleasure,"

"Then I will make you suffer, and it will last a lifetime."

After that, Charlie stared at him and said coldly:

"I think you are only in your thirties. Although you have no limbs,"

"It should not be a problem to live for a few more decades."

"It just so happens that I still have some elixir that can prolong life."

"It should be easy for you to live another sixty or seventy years."

"It just so happens that there are more high-tech now,"

"And there are some drugs that can make your nervous system amplify the pain hundreds of times."

"The combination of the two will make sure, for the rest of your life, you will have a new experience every day!"

The man suddenly smiled, shook his head, and said,

"Impossible... Even if you don't give me a good time, in a few days, I will definitely be dead..."

Charlie couldn't help frowning, and asked coldly,

"What? Do you think you are still capable of committing suicide?"

The man shook his head and smiled bitterly:

"How can I still look like a ghost? The ability to commit suicide."

After that, he smiled miserably: "For us people, we have only seven days to live after we come out,"

"And when the seven days are up if we can't return,"

"Our skin and muscles will burst and we will die, and then I will be rotten here."

"Don't be too surprised when it becomes a pool of blood and flesh."

"Seven days?" Charlie snorted disdainfully when he heard this,

Stepped forward and put his hand on the top of his head.

Immediately afterward, spiritual energy flowed into his body from the crown of the skull.
