

Chapter 4675

Charlie's words made Gerard stunned.

It was the first time he had heard such remarks.

If it was someone else who said this, he would definitely sneer,

Thinking that the other party was just doing hypocritical self-promotion.

In Hong Kong, where the entertainment industry is very developed,

Which man does not want to get involved in the entertainment industry,

And have some scandals with heterosexual stars after he has money?

There are not a few people who even marry celebrities back home.

But Charlie felt that it was a shameful thing for him to be related to the entertainment industry,

Which was obviously inconsistent with reality.

However, when Gerard thought about it carefully, he immediately discovered a very surprising fact.

That is, in Hong Kong, those who really like to mix with celebrities are often the rich second generation.

And the wealthy generation who are really self-made, most of them don't pay attention to the entertainment industry.

Even, though this often happens in Hong Kong that the son is crazy to pursue a big star in the entertainment industry,

And even once wanted to marry the big star back home as his wife.

However, the head of the family did not give him any chance at all and directly shut out the star.

Even some stars have given birth to a few children to the rich second generation,

But in the end, they have not been able to marry into a wealthy family.

The reason is that the wealthy generation who started from scratch are much stronger,

In ability, courage, knowledge, and self-positioning than the second-generation rich with golden keys.

Compared with the second-generation rich, they are not in the same rank at all.

In the eyes of the rich generation, the big stars who are infatuated by the rich second generation are simply unacceptable,

Let alone marrying home as their daughter-in-law.

From what Charlie said just now, it can also be seen that his rank is also much stronger than that of the rich second generation.

In Charlie's eyes, the entertainment industry that everyone in the rich second generation likes has absolutely nothing to do with him.

After thinking about this, Gerard said with a red face: "Mr. Wade, you are right..."

"Really successful people really shouldn't get too close to the entertainment industry..."

Charlie smiled and said, "I almost forgot. Mr. Liu has a lot of interactions with the entertainment industry back then,"

"I just gave my personal opinion, Mr. Liu doesn't have to take it to heart."

Gerard smiled awkwardly, and quickly changed the subject:

"Mr. Wade, let's have a different chat. Let's talk about the cooperation!"

Charlie looked at the time and smiled: "It's almost noon, why don't we wait until after lunch, what do you think?"

"No problem." Gerard hurriedly said: "Then It's not too late to talk after lunch."

Charlie nodded, and his phone suddenly received a call from Stella.

So, he said to Gerard, "I'm sorry, Mr. Liu, I'll take a call."

Gerard hurriedly said, "Please."

Charlie pressed the answer button, put the phone to his ear, and said, "Hello, Ms. Fei."

On the phone, Stella said respectfully:

"Mr. Wade, I'm calling to report to you that the plane that Hogan Chen is taking will land in about two and a half hours later,"

"That is, at 2:00 p.m. local time in Hong Kong. Please be prepared to deal with it on your side."

Charlie glanced at Gerard, he and Gerard were sitting opposite to each other,

And the distance was relatively far, if he wanted to come to Gerard,

It was impossible for Gerard to hear the content of the phone, so he laughed and said,

"Miss Fei have an easy mind, I have arranged everything here, rest assured."

After speaking, he heard the faint whistling of the aircraft engine on Stella's phone, so he asked:

"Stella is on the plane now?"

"Yes." Stella said hurriedly: "I was just about to report to you,"

"In order to make sure that Mr. Chen's repatriation is safe, I brought Master Karl here too."

"Our plane is expected to arrive in Hong Kong at 3:30,"

"Considering that Mr. Chen must go through the handover procedure at the customs,"

"So although we will land half an hour later, we should be one step ahead of Mr. Chen."

Charlie couldn't help but sighed: "Miss Fei, you have already helped me a lot in this matter,"

"There is no need to come so far tossing in person."
