

# Chapter 4708

Gerard laughed at himself, and suddenly said: "Actually, if you still have Hogan in your heart,"

"You can consider renewing the relationship with him,"

"He now has Charlie Wade, with such a backer, coupled with his outstanding abilities, his future must be limitless."

Bella hurriedly shook her head and said, "Gerard, I told you when I came back from the United States,"

"That he and I are already apart, and it will be impossible in this life."

"Going back again, for so many years, I feel more guilty towards him, after all,"

"I caused him to wander outside for so many years, so,"

"I have been quietly taking care of his family, just to make myself feel better..."

Saying that she burst into tears, looked at her husband, and said sincerely:

"Gerard, after today's events, he can safely return to Hong Kong and be reunited with his family."

"That hurdle in my heart is over. In the future, I just want to live a good life with you,"

"Just like the vows, we made when we got married, no matter if we are poor or sick..."

Gerard, who had lived in a thousand flowers all his life,

Suddenly felt an unprecedented emotion in his heart.

In the past, when he faced every woman, he had a high-level attitude.

He felt that these women were his favored objects, and he was extremely lucky to get his favor.

It is because of such a detached mentality that he has been able to indulge in flowers for so many years.

Although Bella was his favorite among all his women, in his heart, he still looked down on her.

Bella followed Hogan to the United States back then.

In his eyes, it was like his favorite toy was stolen.

After she came back, he just wanted to keep this lost toy by his side forever.

But to ask him if he really loves her, his answer must be no.

Even though he really liked her back then, after she ran away once,

He always controlled himself and didn't invest emotionally too much in this woman.

And over the years, he has been doing it very well.

Although Bella is expensive as Mrs. Liu, she has no chance to control his family property.

Even if she got married, she is just a canary being raised.

But at this moment, he suddenly felt that deep in his heart, he seemed to be touched by Bella's words just now.

He has been indulging in the flowers with full pride all his life,

But when he knelt down in front of Charlie and begged for mercy, his pride was already gone.

Now, he is more like a general who has lost a battle.

He has lost his previous pride, but because of the persistence of the women around him, he has a softness in his heart.

It was a softness that made the loser feel a little warmer.

So, he sighed, nodded, and said, "If you really let go of him in your heart,"

"Then we will live our lives well from now on, and the past will be written off."

Bella was moved when she heard this and tears welled up.

Over the years, she also knew Gerard's attitude towards her.

Although she was not reconciled, she still had self-knowledge and knew why Gerard had a grudge against her.

For so many years, she has been looking for an opportunity to eliminate this barrier, but she was powerless.

But who would have thought that after Gerard's catastrophe today,

The grudge against him was suddenly eliminated, which made her extremely excited.

Jemima, who was beside him, also had subtle changes in her heart.

In the past, she was very dissatisfied with Bella, but now, she suddenly sympathized with this woman.

Moreover, seeing that she and her father could completely eliminate the separation,

Jemima felt a little gratified in her heart.

However, she didn't want to watch the confession of the two here, so she stood up and said,

"I'll go back to my room to rest."

Gerard hurriedly asked, "Jemima, have you contacted Miss Fei?"

"No." Jemima asked in surprise, "Why are you asking about this?"

Gerard said, "I think you can get in touch with Miss Fei more."

Jemima shook her head and said, "She and I are not from the same world."

"There is nothing to get in touch with her for."

Gerard said seriously: "Miss Fei must know Charlie better and from her,"

"You should be able to know some information about him!"
