

# The Charismatic Charlie Wade Chapter 4033

Travis Lane's sudden shout shocked everyone.

No one expected that there was actually a person at the scene who had taken a whole rejuvenation pill.

However, most people naturally don't believe it. After all, this thing is so expensive. People who can buy a whole one must be famous all over the world, but most people at the scene don't know Travis Lane. So I just feel that this person is just babbling.

Some people even think that this guy must have lost his mind because he didn't take the first Huichundan.

At this time, Travis Lane had already lost his mind, and he wanted to scold a few words to vent his depression. Seeing that many people cast doubt on him, he immediately shouted in anger: "Why? You all use this kind of thing. Why are you looking at me? Do you think I am joking with you? Let me tell you, back then..."

Just when Travis Lane was arrogant and ready to come slowly, Jasmine said with a cold face: "No. 055! I have emphasized on-site discipline many times before starting, why do you continue to violate it repeatedly?!"

Travis Lane was about to scold the street when he saw Jasmine's icy eyes, and his whole body trembled with fright.

He just remembered that the boss behind today's auction must be Charlie, and Jasmine must be working for Charlie. She blatantly violated the rules of the venue here, didn't she collide with Master Charlie? !

Thinking of this, he suddenly burst into a cold sweat. The arrogance and anger he had just now dissipated in an instant. He quickly folded his hands and pleaded bitterly: "Miss Jasmine, I'm so sorry! For the sake of giving me another chance, I promise I will never talk nonsense again!"

Jasmine shook her head and said coldly, "Sorry 055, rules are rules."

After she finished speaking, she looked at the officers and men of Wanlong Palace beside her and said, "Please take No. 055 out."

Travis Lane opened his mouth and wanted to say something, but seeing that the imposing security guard had come to him, he knew that he had made a big mistake, so he could only nod his head sullenly, and followed the security guard out without saying a word. the auction venue.

Jasmine also felt a little regretful. Travis Lane was usually a good person and his psychological quality was also very good, but he didn't expect that he would do such an irrational thing today because of the rejuvenation pill.

According to the rules set by charlie, Travis Lane will be completely missed from the Huichundan auction in the future.

Moreover, the last time he was able to shoot a Huichundan, he was really lucky. No one else knew the goods that day. However, after the auction tonight, Huichundan will definitely become a well-known treasure in the upper class. , Therefore, Travis Lane will never have such an opportunity again in his life.

Seeing that Travis Lane was taken out of the venue in a state of despair, Jasmine sighed helplessly, and then said, "No. 055 has been expelled from the venue for ignoring the rules of the venue and disrupting the order of the venue. Next, please fill in for No. 201, congratulations. No. 201 has the qualification to officially bid for Huichundan."

In the last row of the crowd, a man in his 60s stood up excitedly. He trembled with excitement and clasped his hands together, "Thank you, Miss Jasmine!"

Before this person entered the field, he knew that he was the No. 1 substitute, but he had a good mentality and knew that he was unlikely to succeed in the substitution, so he came in with the idea of opening his eyes and seeing the world for a long time.

However, after witnessing the miraculous effects of Huichundan with his own eyes just now, he also yearned for Huichundan in the depths of his heart.

Therefore, he couldn't help but feel sorry in his heart, regretting that he was only one short of the qualification to bid for Huichundan.
