

Chapter 4328

However, this person in charge never dreamed that Joseph had already had someone anonymously reveal,

A message to Japan's homeland security department a few hours ago,

And the message was that an overseas force of over 100 people...

...Would infiltrate into Iga City this night to create a terrorist attack.

Originally, according to the workflow of the Japanese security department,

They have to systematically analyze the reliability of the information first,

And confirm that the credibility of the information is high enough...

Before they will make advance deployment based on the information.

However, the mysterious person who revealed this information to them,

Said only one thing that put the entire security department on strict alert.

This mysterious person told the security department that,

The last time they were able to intercept the plane of Ruoli,

And the other experts of the Su family were on at Osaka Airport, it was the information he provided.

In order to convince the security department, the mysterious person also gave some details of the information provided that day,

And when the security department on this side found that the situation did match very closely,

They immediately determined that the mysterious person this time,

And the mysterious person who helped them catch the Su family experts last time was indeed the same!

This also meant that this person's source of information was highly credible!

This immediately triggered the attention of the entire security department.

After the last Tokyo chaos and the tragic case of extermination of the Matsumoto family by Ruoli,

The security department had been criticized by the domestic public.

The success of Ruoli's escape from prison had caused the entire department to lose its face.

The original head had resigned long ago,

And the newly appointed head had been determined since his first day in office,

That he would not let that Tokyo fiasco repeat itself during his tenure.

Therefore, since that time, he has formulated a series of strict anti-terrorism programs,

And even requested that anti-terrorism units across the country be on 24-hour standby.

To ensure that no matter where a similar incident occurs in the country,

The nearest anti-terrorism unit will be in place within two hours,

While other anti-terrorism units will be in place within four hours.

This time, upon receiving the tip-off,

The security department immediately secretly transferred two counter-terrorism units from Osaka and Nagoya to Iga,

Sending more than two hundred soldiers from both places,

As well as more than ten special helicopters.

Before the Fei family's experts landed,

The Japanese anti-terrorist forces had already laid down a heavenly net in Iga.

Charlie had thought about it before,

How about revealing the flight information directly to the Japanese homeland security department,

Like he did last time with the Su family.

In this way, the group of experts from the Fei family would be held down...

By the Japanese security services before they had a chance to get off the plane.

But when he thought about it, this time the situation was very different from last time.

last time, a group of experts from the Su family were captured by the Japanese security services after committing crimes.

But this time, this group of experts from the Fei family did nothing,

If they were directly held down by the homeland security department,

At most, they would be investigated, and after confirming that there was nothing wrong,

The security department would only have two choices,

Either let them enter the country or repatriate them.

In this way, things will become insipid and tasteless.

That's why he decided, by providing a tip-off,

To let the security services squat in Iga in advance.

At that time, once this group of experts from the Fei family met with the homeland security department,

There might be some unusual sparks rubbing off over there!
