Chapter 3589

“Where are you going in such a hurry in the middle of the night?”

Just when David and a few people were preparing to leave the five major sects, Hai Dafu and his people stopped David and the others!

“We remembered that we had something else to do, so we planned to go back overnight.”

David said calmly!

“Oh, I thought our five major sects did not entertain you well and asked you to leave overnight.”

“Since you have something to do, let’s go...”

Hai Dafu said in a flash!

Seeing that Hai Dafu didn’t stop him, David thought that Hai Dafu didn’t know about the Demon Sealing Alliance’s killing order, so he led a few people and walked towards the door of the five major sects!

But just when David passed by Hai Dafu, his brows suddenly frowned, and his body instinctively tried to hide away!

I saw the aura on Hai Dafu’s body suddenly burst out, and then he punched David!

If Hai Dafu hadn’t revealed his murderous intention in advance and made David aware of it, he might have been successful with this punch!

“Boy, I didn’t expect you to react very quickly...”

Hai Dafu couldn’t help but praise David when he saw that he had dodged his own blow!

“If you dare to attack Mr. Chen, you are seeking death...”

Seeing this, Demon Mountain Ghost Lao immediately jumped up and kicked Hai Dafu hard. At the same time, he yelled at David, “Mr. Chen, go quickly and get out of here.” ...”

At the same time that Demon Mountain Ghost took action, Bai Qian and Luo Shouhai also took action!

Huofeng and Ji Yun followed David and rushed towards the outside of the five major sects!

Only by rushing out of the five major sects can they hope to escape. If they are trapped inside, they will definitely be doomed!

At this time, David had no choice but to take care of Devil Mountain Ghost and the others. He could only rush out and think of a solution!

After all, the five major sects want to kill David. For the five major sects, there is no need to kill him!

Hai Dafu and his Tianhaizong people wanted to stop David, but However, Devil Shan Guilao, Luo Shouhai and Bai Qian fought hard to buy David time, leaving Hai Dafu unable to stop David for a while!

Just as David was about to rush out of the five major sects' headquarters, suddenly a dozen figures blocked the entrance of the camp!

“It's not that easy to leave...”

Sect Leader Yang of Tianyang Sect led people to block David's way!

“Sect Leader Yang, we must not let him escape. The Demon Sealing Alliance's hundred years of service, even if our two families are divided, is enough to look down upon the entire Southern Territory.”

Hai Dafu shouted when he saw that Patriarch Yang and his men stopped David!

Sect Master Yang did not speak, but stared at David with a pair of greedy eyes!

Obviously, he stopped David because of the centenary sacrifice of the Demon Sealing Alliance!

David looked at Sect Leader Yang in front of him and couldn't help but frown!

The opponent has the strength of the eighth level of the Tribulation Realm, and there are many sect disciples behind him. Even if David is promoted to the second level of the Tribulation Realm, he is no match for him!

Ji Yun and Huo Feng's realms were too low, so they didn't have much help.

David knew that today might really be a disaster for him!

Now only two of the five major sects have taken action. If the other three major sects also follow suit, David may not even be able to fight back!

"Boy, be obedient and surrender. I can let your friends go..."

Sect Leader Yang said to David!

David glanced at Huofeng and Ji Yun. He was really helpless at this moment. He didn't want to harm the people around him because of himself!

"fu** you, if you dare to touch Mr. Chen, kill me first..."

Ji Yun didn't wait for David to speak, but his aura exploded, and he launched an attack directly!

The fire phoenix even screamed and instantly transformed back into its original form!

A pair of wings burning with flames continuously shoot out bursts of fire feathers!

And the screams resounded throughout the entire Heavenly Demon Mountain!

Chapter 3590

"Hmph, you don't know how to live or die..."

Sect Leader Yang snorted coldly, waved his hand casually, and a terrifying aura instantly erupted!

The bodies of Ji Yun and Huo Feng were directly thrown away by this terrifying aura!

The two people fell heavily to the ground, vomiting blood!

is obviously seriously injured!

Ji Yun tried desperately to get up, but he couldn't move at all!

Yang Zongzhu's eighth level strength in the Tribulation Realm, Huo Feng and Ji Yun are probably not even ants in front of him!

The physical pressure alone made Huofeng and Ji Yun unable to move!

Ji Yun's face was full of anger, but there was nothing he could do because he was not strong enough!

David looked at the injured Huofeng and Ji Yun, but his expression didn't change at all!

Perhaps at this moment, David was ready to die, and there was nothing he could do to save Huofeng and Ji Yun!

"Are you two afraid of death?"

David looked at Ji Yun and Huo Feng and asked!

"Don't be afraid. Ever since I followed Mr. Chen, I have put life and death aside for a long time. It is my honor to die for Mr. Chen."

In Ji Yun's heart, David is a god who leads him on the bright and righteous path. people!

Even if David is only at the second level of Tribulation Realm now, it can't change his status in Ji Yun's heart!

"Master, I am already yours. If we are lucky enough to have one soul left, I am still willing to be with you."

Huo Feng said with a smile, his mouth full of blood!

Looking at Huofeng and Ji Yun, David smiled!

However, in his smile, there is endless killing intent!

David's body was emitting golden light, and the indestructible golden body slowly covered David's body!

The dragon-slaying sword appeared in David's hand, and the dragon roared loudly!

Behind David, a golden dragon slowly took shape!

Looking at David in front of him, Sect Leader Yang couldn't help but frown slightly!

How could a guy who was in the second level of Tribulation Realm break out like this?breath?

This kind of aura is probably not lower than the sixth level of Tribulation Realm!

However, as Sect Leader Yang of the eighth level of the Tribulation Realm, even if David's performance at the moment surprised him, he still wasn't worried at all!

If the eighth-level Tribulation Realm cannot defeat a second-level Tribulation Realm cultivator, then he might as well be killed head-on!

“David, let's go...”

Just when David was about to follow Yang Zongzhu desperately, a figure suddenly jumped out from behind him!

Then a long whip was struck hard at Sect Master Yang!

It turned out to be Bai Qian. After she saw David and the others being stopped, she broke away from the fight with Tianhai Sect and went straight to Tianyang Sect!

Bai Qian's seventh-level strength in the Tribulation Realm is no match for Sect Master Yang!

However, at this moment, Bai Qian just wanted to delay David so that David could escape from here!

As for life and death, she didn't think about it!

However, Bai Qian's departure doubled the pressure on Luo Shouhai and Moshan Guilao!

The fight between the Demon Mountain Ghost and Hai Dafu is in full swing!

Luo Shouhai is blocking many monks from Tianhai Sect!

Although the two of them knew that David was blocked, they had no time to separate themselves!

"Hmph, this guy who doesn't know whether to live or die, even a seventh-level Tribulation Realm master, dares to attack me."

Sect Leader Yang snorted coldly, then reached out and grabbed Bai Qian's whip!

Then a white mist went straight along Bai Qian's long whip!

Seeing this, Bai Qian quickly shook the whip in her hand, trying to disperse the white mist!

But the white mist was so fast that it reached Bai Qian's eyes in the blink of an eye!

Then Bai Qian's arms began to form frost, which spread all over his body!

"This is cold..."

When David saw this, he was about to take action and hit Zhihuo Gang Bai Qian!

"Let's go, leave me alone, I'm fine, let's go quickly..."

Bai Qian looked at David and roared loudly!

Bai Qian knew that if David delayed any longer, none of them would be able to leave!
