Chapter 3621

David gently patted Devil Shan Gui Lao's shoulder, which was considered a comfort!

The fact that the demons have reached this point must have been planned by someone!

There is also a battle between gods and demons, someone is definitely behind it!

The war between gods and demons back then was not limited to the world of heaven and humans, but many other worlds were in a melee!

"Old Ghost, I believe it won't take long before the three races will get along well with each other, and the entire world of immortality will be prosperous." "

At that time, whether it is the human race, the demon race or the beast race, Everyone will be treated equally!"

David said calmly!

"I hope, I hope this day will come..."

There was a bit of hope in the eyes of Devil Mountain Ghost!

"I don't expect equal treatment, I just hope that there is a real distinction between good and evil in the eyes of everyone. Although I am a demon cultivator, I abide by the rules and keep my promises. However, some well-known and decent people in the human race are not as good as demon cultivators like us. ."

"The Feng Demon Alliance has always regarded itself as a well-known and upright sect, and used the slogan of exterminating demons and defending the way, but all the things they did were slanderous." "

Now in the entire heaven and human world, there is no distinction between good and evil. Many people are confused...”

Luo Shouhai said with some indignation!

After listening to Luo Shouhai’s words, David could understand his current mood!

Originally I kept myself safe and abided by the rules, but because of my identity as a demon cultivator, I was often misunderstood and hunted down!

When they were in Mohai, Luo Xi and Jin Dong almost died there because of their status as demon cultivators!

If it weren’t for David, Luo Xi and Jin Dong would have died in the sea of mo!

In fact, what’s wrong with Luo Xi and Jin Dong?

What other outrageous things did they do?

Just because of their unchangeable identities, they were criticized and hunted down by everyone!

David followed Luo Shouhai and explained a few words to Devil Shan Gui Lao, then turned around and left!

As for Ji Yun, Huo Feng and the others, they will stay in the Blood Spirit Valley for the time being!

Now David is safer alone. With his changed appearance and breath, no one will find him!>

If Huofeng and the others were following him, someone would definitely deduce David’s identity based on Huofeng and the others!

After David left, Luo Shouhai took the disciples of Blood Spirit Peak and started to go down the mountain, and set Blood Spirit Peak on fire!

From now on, there will be no more Blood Spirit Peak!

.....

Depths of the Demonic Mountain!

Two monks were running in embarrassment. Among them was a woman in green, wearing a piece of jade on her chest. The jade shone with a faint white light, and there was a trace of vitality circulating!

“Junior sister, you take the Heavenly Demonic Dragon Ginseng and go first, I’ll stay here to delay your time...”

said a man wearing a blue robe with an injured left arm!

“Senior brother, you are injured. You should take the Demonic Dragon Ginseng and leave. I will delay for you!”

The woman in green took out a very exquisite wooden box from her arms and handed it to the man!

But the man did not answer, but said solemnly, “Junior sister, stop arguing with me. Go back quickly, otherwise it will be too late to save Master.”

The man pushed the woman, and then raised his sword. Just turn around and run back!

But the man just took two steps, and his face instantly turned ugly!

I saw a man with scars on his face and only one eye chasing after him, and behind him were four strong men holding various treasures!

As soon as these five people arrived, they surrounded the men and women. The five people had a blood-evil aura on them, and you could tell at a glance that they were demon cultivators!

“Fellow Taoist, we are both demon cultivators, so why bother forcing each other?” “

If fellow Taoist can let me and my junior sister leave, our Soul Demon Sect will definitely be grateful.”

“Fellow Taoist, if you can go to my Soul Demon Sect, As guests, we must provide all kinds of resources.”

The man followed the one-eyed man very politely and said!

“Hahaha, are you fucking stupid? I have been chasing you for a long time because of the Heavenly Demon Dragon Ginseng in your hands. Whoever comes to be a guest of your Soul Demon Sect.” “

Maybe you guys from the Soul Demon Sect will take me How can I practice even if my soul is taken away!”

The one-eyed man laughed loudly!

Chapter 3622

Hearing the one-eyed man talking about Heavenly Demon Dragon Ginseng, the man in green’s face instantly became even uglier!

However, he still suppressed the panic in his heart and said calmly, “Fellow Taoist, this Heavenly Demonic Dragon Ginseng is used to save my master. I can’t give it to you.” “I

can give you spirit coins, or other immortal grasses.” !”

“Stop talking nonsense, we just want the Heavenly Demon Dragon Ginseng, and the spirit coins are of no use. In the depths of the Heavenly Demon Mountain, there is no place to spend the spirit coins.”

“Now hand over the Heavenly Demon obediently. Long Shen, I can let you two go. If you don’t hand it over, don’t blame me for being rude.” “

It just so happens that your little junior sister is very cute. My brothers haven’t played with women for a long time.”

One-eyed The man looked at the woman in green with a bit of greed in his eyes!

“Hahaha...”

Several other people also looked at the woman in green and laughed!

The man in green didn’t speak, but a strange aura slowly spread from around his body!

This breath is very special and has a breathtaking feeling!

The one-eyed man didn't seem to notice this aura at all, and actually looked at the man in green with a sneer!

The man frowned slightly, and cold sweat broke out on his forehead. The strange aura became stronger and spread further around!

But the one-eyed men in front of them seemed not to be affected at all!

At this time, David, who was on his way, suddenly felt a fit in his body, and his heart tightened directly, as if his soul had been knocked hard!

"Mr. Chen, there is such a strange smell, I feel like I can't control myself."

Zhe Yan said in David's sea of consciousness!

Zhe Yan himself is a remnant soul, and now he seems to be suddenly restrained by someone, trying to pull him away from David's sea of consciousness!

David frowned slightly, and golden light flashed in the sea of consciousness, directly defeating that strange aura!

But the strange feeling just now made David instantly alert!

He has never encountered such a special atmosphere!

And this breath doesn't seem to be dangerous, but it makes people's soul deep inside seem to be hit!

Just now, David's soul almost broke away from his body uncontrollably, as if something was summoning the soul!

"It's a strange smell, let's go see what's going on..."

David was very curious, so he followed the smell!

However, David was prepared, his soul was extremely powerful, and this strange aura could no longer deal a heavy blow to David's soul!

After carefully tracing for a distance, David soon discovered the man and woman who were besieged!

Because David didn't know who the other party was, he didn't move, but quietly observed!

But these people are all demon cultivators, David can tell at a glance!

At this moment, the man in green clothes was already sweating profusely and his body was trembling slightly!

It seems that he has reached his limit, but the people in front of him are still motionless!

“Hahaha, you don't have to try to control our souls so that you can escape. How could we not be prepared to deal with the people of your Soul Demon Sect!”

As he said that, the one-eyed man took out a bead the size of his thumb from his arms. !

Immediately afterwards, the other four people also took out an identical bead, and then showed it off in front of the easy man!

Seeing the beads in the hands of several people, the man in Tsing Yi's face turned extremely ugly!

“Soul-fixing beads? Why do you have so many soul-fixing beads?”

the man in green asked with an ugly expression!

“Guess...” the one-eyed man grinned!

“Could it be that there was a traitor in our Soul Demon Sect and he gave you the Soul-fixing Pearl?”

The man in green said with an angry look on his face!

“You guessed it right, but even if you know that there is a traitor in your Soul Demon Sect, what can you do? You will die soon!” the

one-eyed man laughed!

## Chapter 3623

The man in green gnashed his teeth angrily, but there was nothing he could do!

“The Soul Demon Sect? I didn’t expect that there are demon cultivators from the Soul Demon Sect still alive in the world?”

Zhe Yan exclaimed when he heard that the man and woman in green were from the Soul Demon Sect!

“Zhe Yan, what kind of sect is this Soul Demon Sect? Is it good or bad?”

David asked Zhe Yan!

Since Zhe Yan is so surprised, he must know about this Soul Demon Sect!

“Mr. Chen, this Soul Demon Sect is also a demon cultivator, but their demon cultivator sect is different from other demon cultivators. Their sect studies souls very deeply, and these souls People from the Demon Sect like to attack each other’s souls. The strange aura just now must be from the Soul Demon Sect.” “As for

whether this Soul Demon Sect is good or bad, there is no way to determine it. It is rumored that this Soul Demon Sect is good or bad. Our ancestor was once the king of a country in the secular world. In another battle between countries, all the 100,000 soldiers he led were killed on the battlefield.” “

Only the king of this country is still alive, but he fell into Feeling deep self-blame, he sat next to the corpses of a hundred thousand soldiers all day long to save his own soldiers.” “

The souls of these soldiers after death were unwilling to leave, and still followed the king of the country, slowly The king of this country used these 100,000 souls to embark on the path of cultivation and founded the Soul Demon Sect, mainly to study souls.” “

It is precisely because of the alternative cultivation method of this Soul Demon Sect that it is not accepted by the masses of demon cultivators. Therefore, they were often ostracized. After the war between gods and demons, the demon clan was in trouble, and the Soul Demon Sect became even more unpopular, and finally disappeared.” “

Everyone thought that the Soul Demon Sect was extinct, but they didn't expect that it was hiding deep in the Tianmo Mountain. .”

“The Soul Demon Sect has never done anything harmful to the world. They all use the souls of dead people and will not easily seize the souls of living people. But after all, using other people's souls to practice is not a glorious thing, so Soul Demon I can't tell whether the sect is good or bad.”

This is how he told David the origin of the Soul Demon Sect!

“As for the other few people, do you know what sect they are from?”

David asked!

“I don't know, maybe some casual cultivators, but those walking deep in the Demonic Mountain are probably not good people,”

Zhe Yan said!

“Then what is the Demon Dragon Ginseng they are talking about? Is it very precious?”

David continued to ask!

“This...” Zhe Yan was speechless. “Mr. Chen, I still know some things about the demon clan. If you ask about Tianmo Mountain, I don't know. After all, I have never been in Tianmo Mountain. “

But it seems that the magic dragon ginseng today should be a very precious fairy grass, otherwise it would not be snatched away.”

David stopped talking and stared closely at the situation at the scene!

Among the five one-eyed men, only the one-eyed man is at the sixth level of the Tribulation Realm, and the others are at the fifth level of the Tribulation Realm!

David can still handle this kind of cultivation alone!

At this moment, the woman in Tsing Yi said, “I'm giving the Heavenly Demon Dragon Ginseng to you, can you let us two go?”

The woman in Tsing Yi took the Heavenly Demon Dragon Ginseng and planned to hand it to the one-eyed man!

“Junior sister, you must not hand over the Heavenly Demonic Dragon Ginseng. This will save Master’s life. If you hand it over, Master will be dead!”

The man in Tsing Yi hurriedly stopped him!

“Senior brother, if we don’t hand it over, both of us will be dead, and we won’t be able to save the Heavenly Demonic Dragon Ginseng. I believe Master knows and won’t blame us.” The

woman in green said, opened the wooden box, and took out something unexpectedly A wild ginseng that looks exactly like a dragon!

The moment the Heavenly Demonic Dragon Ginseng was taken out, David felt a surge of fairy energy coming towards his face!

This Heavenly Demonic Dragon Ginseng actually contains a large amount of immortal energy. From this, it can be inferred that where the Heavenly Demonic Dragon Ginseng grows, there should be things that have fallen from the heavens, nourishing the growth of the Heavenly Demonic Dragon Ginseng!

Chapter 3624

“Hahaha, you are still a well-educated little girl. Now hand over the Demonic Dragon Ginseng and I can let you go!” The

one-eyed man laughed and stretched out his hand towards the woman!

“Junior sister, we must not give it to them...”

Seeing this, the man in green hurriedly shouted to stop him!

“Stop fucking nonsense...” The

one-eyed man waved his hand, and the man in green flew backwards!

Obviously in terms of strength, this man in green is much weaker!

David also saw that this demon cultivator from the Soul Demon Sect had his own unique skills in soul control, but he still lacked a lot in fighting with real swords and guns!

Just like an array mage or pharmacist, if you specialize in one area, you will be able to do many other things!

After all, people's energy is limited, and few people are as perverted genius as David...

“Senior brother...”

Seeing this, the woman in green hurriedly stepped forward to help her senior brother up!

“Hurry up and bring the Demonic Dragon Ginseng, my patience is limited.”

One Eye was a little impatient!

“Okay...”

The woman in green nodded, then stood up and walked slowly towards the one-eyed man!

“Junior sister, you can't...” The man in green vomited blood and tried his best to stop him!

But the woman in green didn't seem to hear it!

“You must not kill me, I can give you the Demonic Dragon Ginseng!”

The woman in green looked frightened and looked pitiful!

“Don't worry, as long as you obey, I won't be able to kill you.”

The one-eyed man grinned!

The one-eyed man's eyes were full of greed. He was greedy for the Demonic Dragon Ginseng in the hands of the woman in blue, and he was also greedy for the young woman's body!

As long as he gets the Demonic Dragon Ginseng, he will attack the woman in green without hesitation!

As for the promised promise!

They will never abide by it. After all, they live hiding deep in the Demonic Mountain. Now, who cares about Chengruo and rules!

“This girl is so stupid. These guys are living deep in the Demon Mountain. How can they keep their promises? You can’t believe a word of these guys’ words.”

Zhe Yan said anxiously when he saw that the girl believed the one-eyed man’s words. !

“What? You want to save that girl?”

David could tell from Zhe Yan’s anxious tone that if he didn’t have only a trace of his soul left, he would definitely come to the rescue!

“I...” Zhe Yan didn’t know how to answer!

“Are you in love with this girl?”

David could feel what Zhe Yan was thinking, and Zhe Yan lived in his sea of consciousness!

“A bit!” Zhe Yan said without hesitation!

After all, he wanted to hide David, but he simply couldn’t, so he might as well just admit it!

“Is it love at first sight for you?” David smiled!

Zhe Yan stopped talking, but David could feel the anxiety in his heart!

“Don’t worry, that girl is not stupid. On the contrary, she is very smart. Maybe these guys will trick her!”

David said with a smile!

Just as David finished speaking, the jade stone on the girl’s chest shone brightly!

However, this did not attract the attention of the one-eyed people. They put all their attention on the Demonic Dragon Ginseng and the girl's body.

As the jade continued to flicker, the girl's body exuded a strange aura, which was much stronger than that of the man in green just now!

Unknowingly, the eyes of the four men beside the one-eyed man began to become trance-like, and four black shadows slowly floated out from above their heads!

These are the souls of four people. Only after the souls left the body did these four guys react!

I saw the four black shadows struggling desperately, trying to rush back to their true bodies!

But the jade stone on the girl's chest burst out with golden light. Under the golden light, the four black shadows were instantly defeated!

And the bodies of those four guys all lay down straight!

Chapter 3625

At this moment, the one-eyed man seemed to have reacted, and his whole body became ferocious. He looked at the soul-fixing bead in his hand, opened his mouth and swallowed it!

Seeing the one-eyed man swallowing the soul-fixing pearl, the woman in green turned ugly!

One after another, the unique aura kept attacking the one-eyed man, trying to force out the one-eyed man's soul!

The one-eyed man looked at the woman in green like a poisonous snake. He didn't expect that he would be fooled by this woman!

"You dare to lie to me, go to hell..."

The one-eyed man waved a long knife in his hand. The long knife was filled with black aura, and then a sharp edge went towards the woman in green!

In the blink of an eye, the long knife cut through the void and roared towards her, threatening to cut the woman into two pieces!

The woman in green faced the one-eyed man's sword, her eyes full of fear. She wanted to hide, but she couldn't hide at all!

The woman in green clothes closed her eyes and could only accept her fate!

"Junior sister, junior sister..."

Seeing this, the man in green tried his best to protect the woman in green, but he was injured and couldn't get up at all!

I can only watch my junior sister die tragically under the knife!

Seeing that the woman in green was about to die tragically, she saw a black shadow coming in an instant!

The black shadow stood in front of the woman in green, then reached out and grabbed the long knife!

The one-eyed man was stunned, and so was the woman in green!

None of them noticed that there was suddenly an extra person!

"Who are you? Don't meddle in other people's business..."

the one-eyed man yelled at David!

David now looks like a middle-aged man, and his aura only seems to be in the Fusion state!

But it is unreasonable to be able to directly block a sword from the Tribulation Realm...

"When you see an injustice on the road, draw your sword to help, you can call me Lei Feng..."

David smiled lightly!

one-eyed man Zi suddenly became furious and shouted loudly, "I'm afraid of your mother, even though I'm in the Fusion Realm, you dare to interfere."

After saying that, the one-eyed man withdrew his long knife and swept towards David!

David turned to one side, dodged the knife, and then kicked the one-eyed man in the abdomen!

Wow...

The one-eyed man suddenly opened his mouth in pain, and the soul-fixing pearl he just swallowed was spat out!

When the woman in green saw this, the jade on her chest flashed, and then a strange aura enveloped the one-eyed man!

The one-eyed man was stunned for a moment, then his eyes became distracted, and his soul slowly floated out from his body!

After breaking away from his body, the one-eyed man was shocked, turned around and ran away!

The physical body is gone, it can be taken away and reshaped!

But if the soul is destroyed, it will really be doomed!

Seeing that the one-eyed man's soul was about to run away, the green-clothed woman's eyes flashed with anger. She suddenly waved her hand and struck out a hidden weapon like a steel nail, and then the one-eyed man's soul was locked in the void!

The one-eyed man was shocked and struggled desperately, but he couldn't get away at all!

David looked at the scene in front of him in surprise, feeling very incredible!

After all, this soul is a spirit body and has no physical body at all. Weapons cannot touch it, let alone control it!

But the hidden weapon like a steel nail that the woman just threw out actually fixed the soul of the one-eyed man. It can be clearly seen that the hidden weapon was fixed on the soul of the one-eyed man!

“Mr. Chen, this is a soul-catching spike, a unique weapon of the Soul Demon Sect. The soul hit by this spike will be as if it is immobilized and cannot move at all.”

David noticed. Confused, Zhe Yan quickly explained to David!

David couldn't help but sigh, this Soul Demon Sect is really strange, even the weapons are aimed at the soul.

The woman in green slowly walked towards the one-eyed man and asked with cold eyes, “Who gave you the Soul-fixing Pearl? Who is the traitor to our Soul Demon Sect?”
