Chapter 3626

After hearing this, the one-eyed man suddenly laughed and said, "If you want to know the news from me, you'd better give up. I can't tell you."

The woman in green didn't say anything, but stretched out her hand and blew out a breath, Then the one-eyed man screamed!

The soul of the one-eyed man is slowly being absorbed by the woman in green!

In the end, he was sucked directly into the body of the woman in green!

The demon cultivators who are able to hide in the depths of Tianmo Mountain are all extremely vicious people, so even if these guys die, it is impossible to tell them!

After absorbing the one-eyed man's soul, the woman in green walked up to David!

"Thank you fellow Taoist for helping me..." The

woman in green said to David very politely!

"It's just a little effort!"

David smiled lightly!

But David's eyes were fixed on the chest of the woman in green!

He could feel that there was a trace of vitality in the jade stone on the chest of the woman in green. It was this breath that made the special aura in the woman's body much stronger!

The woman in green clothes saw David staring at her chest. She couldn't help but lower her head slightly and found that her collar had been opened at some point!

The snow-white skin exposed, especially the deep ravine, is indeed very attractive!

Originally, the woman in Tsing Yi was grateful to David, but now she discovered that David was so bold, looking directly at her private parts in front of her, her eyes suddenly filled with anger, and she tightened her collar at the same time!

Seeing the woman in Tsing Yi tightening her collar and covering up the jade, David couldn't help but sigh, "What a good thing..."

Upon hearing David's words, the woman in Tsing Yi certainly had no good impression of David. This was blatant. You're teasing yourself!

"You big pervert, you are so rude..."

the woman in green said, and slapped David with her palm!

David was stunned and hurriedly avoided it. He said with a confused expression, "Fellow Taoist, I just saved your life. Why did you suddenly attack me? You are repaying kindness with enmity!" "

Bah, If you save me, you must be greedy for my body, and I will never let you succeed."

After saying that, the woman in green continued to attack David!

However, after several consecutive moves, he couldn't even touch the corner of David's clothes. The woman in green could only stamp her feet anxiously!

"Speak clearly, why am I so obsessed with your body? It's so inexplicable!"

David said with a confused look on his face!

"Why are you pretending to be a gentleman? What were you looking at me just now?"

The woman in green tightened her collar again!

David instantly understood that the woman had misunderstood, so he hurriedly explained, "I was just looking at the piece of jade on your chest. There was a breath of life in that jade. I felt it was very special, so I took another look. "

And I said this jade was a good thing. I didn't say anything else. You must have misunderstood."

"Really?" The woman in green looked at David in confusion!

"Of course it's true. If I'm greedy for your body, why should I save you? I can just cooperate with that one-eyed man."

David said angrily!

The woman in green thought for a while and felt that she had indeed misunderstood David, so she said apologetically, "I'm so sorry, I misunderstood you." "

My name is Jiang Yulian, that is my senior brother Zheng Jian, we are both from the Soul Demon Sect. I wonder what this fellow Taoist is called or who he is?"

"My surname is Cheng, and I come from the Northern Territory." David replied!

"It turns out to be Mr. Cheng. I didn't expect that you only seem to be in the Fusion Realm, but you can withstand a blow from the Tribulation Realm."

"And you..."

The woman in green said, but suddenly stopped, and then her eyes tightened. Staring at David closely, his brows furrowed slightly!

Chapter 3627

Seeing Jiang Yulian's strange behavior, David instantly became alert.

"Why is there another soul in your body? Could it be that your body was taken away from you?"

Jiang Yulian asked in shock!

She felt the remnant soul of the other flame in David's body!

After all, the Soul Demon Sect is very knowledgeable about souls and is also very sensitive, so it is normal to be able to detect that David still has souls in his body!

“My body was not taken away. There is indeed a residual soul in the sea of consciousness. That is my friend. His body was destroyed and his soul was weak, so I left him in the sea of consciousness.”

David explained!

Zhe Yan was deeply moved when she heard David call her a friend! For such a long time, Zhe Yan has been living in David’s sea of consciousness, and the two of them will communicate frequently!

However, Zhe Yan never dared to hope that she could become David’s friend!

You must know that during this period of time, he has learned most of David’s identity and secrets. He himself is just a small demon cultivator, how can he dare to climb up to David!

Now that David said this, Zhe Yan felt moved that a scholar would die for his confidant!

“It seems that your friend is very important to you, and you trust him very much, but no one dares to put other people’s souls into their own sea of consciousness.” “

If the other party has evil intentions and controls your sea of consciousness, he will seize it. If you give up your body, you will be finished!”

Jiang Yulian said in surprise!

David just smiled and did not explain!

David’s sea of consciousness, let alone an injured remnant soul like Zhe Yan, even a strong soul, entering David’s sea of consciousness, is like being in a cage. If David wants them to die, they will die!

The soul of Hu Da and Hu Er entered David’s body and tried to seize David’s body, but David easily killed him!

“Junior sister, are you okay...”

Zheng Jian staggered over and asked Jiang Yulian with concern!

“I’m fine. How are you, senior brother?”

Jiang Yulian asked!

“He’s not dead, he just suffered some internal injuries!”

Zheng Jian gave a wry smile, then looked at David and said, “Thank you, fellow Taoist, for your help. I’m grateful!”

“You’re welcome. I see you are injured. If you don’t get treatment in time, you won’t lose your life, but your future strength will be. , I’m afraid it will be difficult to grow.”

David looked at Zheng Jian and said!

When Zheng Jian heard this, his eyes were filled with panic. For a monk, not being able to improve his realm would be even more uncomfortable than dying!

“Mr. Cheng, are you a pharmacist?”

Jiang Yulian looked at David in shock and asked!

You know, pharmacists are very rare in the world of gods and humans. In the depths of their Demonic Mountain, pharmacists are even rarer!

After all, the pharmacist’s level of strength is not very high, and he will not easily go to the depths of the Demonic Mountain. It is too dangerous here!

“I just know a little bit about medical skills!”

After David finished speaking, he took out the silver needle and said to Zheng Jian, “Fellow Taoist, please restrain your breath for the time being. I will dredge the bruises in your body for you. Then after taking the elixir, you can slowly heal.” I’m cured.”

“Thank you!”

Zheng Jian nodded and restrained his breath without hesitation!

For David, Zheng Jian actually had an inexplicable trust!

David applied acupuncture on several of Zheng Jian's acupuncture points. In just a few minutes, Zheng Jian felt a wave of heat running through his body!

Then a mouthful of black blood spurted out!

David put away the silver needle, took out a dark pill and said, "Take this pill and you will be cured in a few days."

Zheng Jian took the pill and swallowed it directly!

In the world of gods and humans, there are really not many people who dare to take strangers' things like this, unless they have special trust in each other!

It can be seen that Zheng Jian has great trust in David!

After swallowing the pills, Zheng Jian felt much better!

"Mr. Cheng, thank you so much. Not only did you save me, but you also healed my senior brother. I wonder where you are going? If you don't mind, I hope Mr. Cheng can come to our Soul Demon Sect to sit down. We can also do what is best for the landlord!"

Jiang Yulian asked David!

Chapter 3628

"To be honest, I came to the depths of the Demon Mountain just to find the Demon Stone."

David said with a smile!

David did it to choose the Heavenly Demon Stone, and also to visit the Demon Swallowing Cave.

"Does Mr. Cheng have a friend who needs to reshape his body? Is it the one in your body?"

Jiang Yulian asked!

David was stunned and asked with some confusion, “Does Miss Jiang also know that the magic stone is used to reshape the body?” “

Of course, our Soul Demon Sect specializes in studying the soul. Reshaping the body of the soul is also something our sect studies. Yeah.”

“But Heavenly Demon Stones are very scarce. Only monks at the Mahayana realm or above will use Heavenly Demonic Stones to rebuild their physical bodies after their physical bodies are destroyed, because the body rebuilt with Heavenly Demonic Stones will be very powerful.”

” If the reshaped body is too weak, it will be useless no matter how high the realm is. It will not be able to withstand the terrifying aura, and the body may even explode.” “

Could this friend of Mr. Cheng be in the Mahayana realm or Can't a monk with a higher level of cultivation be successful?”

When Jiang Yulian said this, her eyes looked at David full of envy!

After all, being able to become friends with monks who are in the Mahayana realm or even higher realms is something worthy of showing off!

“This...”

David hesitated for a moment, then smiled bitterly and said, “Actually, I don't know the strength of my friend. He just told me that he needed the Demon Stone. It was not the friend in my body. This friend in my body My friend's strength is very low!”

David still doesn't know what Feng Mo's strength is. After all, Feng Mo is just a remnant soul and has taken away other people's bodies, so his strength must be greatly reduced!

As for what state Feng Mo was at his peak, David didn't know!

There are also the Yin Demon, the Blood Demon, and David doesn't know their realm!

But David knew that these guys in the world of heaven and humans would definitely be able to count back then. They must have the presence of a powerful party, otherwise they wouldn't be able to suppress them!

They may be in the Mahayana realm, or they may have reached a higher immortal realm!

But one thing is that David still remembers what the Blood Demon once said, that with one look from his father, the Blood Demon can be wiped out!

Then what state will his father be in!

David looked up at the sky. He didn't know when he would be able to fly to heaven. Maybe he would be able to see his father in heaven!

"Mr. Cheng, the Heavenly Demon Stone is a very rare thing. Although we have lived deep in the Heavenly Demon Mountain for so many years, we have never seen the Heavenly Demon Stone. However, it is possible that my master will know some news about the Heavenly Demon Stone."

Zheng Jian said to David said!

Zheng Jian's intention is very obvious, that is, let David go back to the Soul Demon Sect with them, maybe he can get news about the Demon Stone!

David himself also knew that it was impossible to find the Heavenly Demon Stone by wandering around in the depths of the Heavenly Demon Mountain. He couldn't even find the Demon-Swallowing Cave!

He had to have someone he knew well to guide him, so he nodded and agreed to follow Jiang Yulian and the others back to the Soul Demon Sect!

David followed Jiang Yulian and Zheng Jian towards the Soul Demon Sect!

In fact, David didn't know that the Demon Swallowing Cave was only a few hundred miles away from where they were now, and they could get there in less than a day!

At this time, deep in the Demon Swallowing Cave, more than a dozen corpses of demon cultivators were placed on the ground. The clothes of these corpses of demon cultivators were actually the same as those of Jiang Yulian and Zheng Jian. They should all be disciples of the Soul Demon Sect!

Clouds of black mist surrounded the dozens of corpses!

Wisps of deathly energy emanated from the corpse!

Ning Zhi sat in front of these corpses and suddenly opened his mouth. The wisps of death were continuously sucked into Ning Zhi's body!

Ning Caichen and Qi Peijia watched from both sides!

The expressions of the two people are different!

Chapter 3629

Qi Peijia's eyes were filled with anger and cowardice!

Ning Caichen's face was full of doubts and confusion!

Ever since Qi Peijia brought Ning Zhi and Ning Caichen into the Demon-Swallowing Cave, he never expected that Ning Zhi's strength would improve by leaps and bounds, and he would be able to master demonic cultivation techniques without a teacher!

There are many obscure pictures and texts on the stone walls everywhere in the Demon Swallowing Cave, and Qi Peijia could only identify one or two out of ten of them!

Ning Zhi came, but he understood more than half of it, as if Ning Zhi had always been a demon cultivator!

But Ning Zhi is obviously the ancestor of the Ning family and a human monk!

Qi Peijia can't defeat Ning Zhi now, and now the boss in the Demon Swallowing Cave becomes Ning Zhi!

Seeing Ning Zhi sucking the death energy from those corpses, Qi Peijia was angry and scared!

He was afraid that Ning Zhi would be unhappy one day and suck him too!

Ning Caichen didn't understand how his ancestor, who finally woke up, became a demon cultivator?

It's very easy to practice the demon cultivation technique.

“Huh...”

After absorbing the death energy from those corpses, Ning Zhi let out a long breath!

“Hahaha, such a familiar smell, such a pleasant feeling...”

Ning Zhi laughed, and his originally old body became much younger at this moment!

Ning Zhi originally absorbed the evil spirit and became a demon cultivator from a human!

Now he has returned to his true nature as a demon cultivator!

“I’m at the peak of the Tribulation Realm. If it weren’t for this terrible skin restriction, I should have reached the Mahayana Realm by now.”

Ning Zhi looked at his body with a very disgusted expression!

Although the ancestors of the Ning family were very strong in the past, they have been dead for many years!

The physical body was taken away by Ning Zhi, but it limited the improvement of realm!

If Ning Zhi could seize the body of a still alive Tribulation Realm monk, his strength would have improved by leaps and bounds!

Even if it is a cultivator who has just died in the Tribulation Realm Even the soldiers can do it, they are much stronger than this body that has been dead for who knows how many years!

“Ancestor, you...”

Ning Caichen looked at Ning Zhi in surprise, with confusion on his face!

He didn’t understand how his ancestor could say such things and despise his body?

Ning Zhi grinned at Ning Caichen, and then said coldly, “Actually, I am not an ancestor of the Ning family. I just took the body of your ancestor of the Ning family.” “

I was originally a demon cultivator, but I was killed. He was seriously injured and almost died, but he still retained a trace of his residual soul, which finally entered the body of the ancestor of your Ning family.” “

If my residual soul hadn't been too weak at the time, how could I have snatched the body of a person who had been dead for many years? Now I finally have the strength to reshape my body!”

Ning Zhi's words made Ning Caichen stunned!

He never expected that the ancestor he followed so hard was actually a demon cultivator!

Now, he finally understands all the strange behaviors of his ancestors during this period of time!

“You...you...”

Ning Caichen's face was full of anger. He pinned all the hopes of the Ning family's success on his ancestor!

Now he finds out that his ancestor has become someone else, which is hard for him to accept!

Ning Caichen's angry body was trembling slightly. He wanted to take action, but with his little strength, he was not vulnerable at all!

“Now that you know the truth, it's time to go underground and accompany your Ning family disciples.”

After Ning Zhi finished speaking, he suddenly stretched out his hand, and a huge suction force sucked Ning Caichen into his hand!

Ning Caichen's vitality was rapidly draining away, and then a burst of death energy emerged from his body!

Ning Zhi opened his mouth and breathed the death energy into his body!

Then he let go, and Ning Caichen's body fell heavily to the ground!

Qi Peijia watched everything blankly, and he finally understood why Ning Zhi was able to quickly practice the demonic cultivation technique. It turned out that he was a demonic cultivator!
