An Understated Dominance by Marina Vittori Chapter 2151

## **Chapter 2151**

Kuangchao looked at the knife stuck on the ground, and then at dustin, who was calm and calm, and suddenly felt a sense of frustration in his heart.

He originally thought that he was extremely talented and could take advantage of this opportunity of the Longhu Mountain Tournament to become a sensation.

Now it seems that he still overestimated himself.

As the saying goes, there are people outside the world, and there are people outside the world. There are too many people in this world who are better than him.

His little heritage and pride are not worth mentioning at all.

The current ending is the best example.

Even if he tried his best, he could not hurt dustin at all, and was easily defeated by the opponent.

This huge blow was unbearable for him for a while.

“You win... I’m ashamed of myself.”

Kuangchao was silent for a while, and finally squeezed out a sentence with difficulty.

“You are pretty good, and you are considered the best among your peers.” dustin said calmly.

The strength Kuangchao had just shown was already at the martial arts master level.

At this age, having such a level of cultivation is truly a gift.

It’s a pity that the two sides are not in the same realm.

“Winner or loser, I am convinced of defeat, but I will not give up. One day, I will challenge you again!”

After saying these words, Kuangchao turned around and left without even glancing at his own knife.

Although he lost, he did not lose his fighting spirit.

After returning, he must work harder to catch up with dustin as soon as possible.

“Although this guy is very arrogant, he does have some skills. The sword skills he just displayed made my scalp numb.” Liu Hongxue said with lingering fear.

Although she didn’t like Kuang Chao’s behavior, she had to admit his strength.

If a fight really breaks out, even Chen Xingwen, the Little Spear Immortal, may not be his opponent.

“The madness is great, but it’s a pity that I met Brother dustin. Even if I have all the skills, it will be of no use.” Xu Yang sighed.

“I can only say that he was honored even though he lost.” Liu Rushuang nodded in agreement.

If Kuang Chao is a genius, then dustin is the genius among geniuses.

Even if Kuang Chao tried his best, dustin could easily resolve it.

It’s obvious that this is not a level fight.

She was now beginning to wonder if dustin had hidden his identity?

Otherwise, with the opponent’s talent and strength, he should be able to be promoted to the Prodigy List and become a being that attracts everyone’s attention.

“Sister, Senior Brother Xu, what’s going on with you two? Didn’t you just have a meal together? Why do I feel like you two have become dustin’s fans?”

Liu Hongxue puffed her mouth, looking a little dissatisfied.

Although Dustin is very strong, she is somewhat conflicted because the other party has always been against her.

“Master Lu is the best choice regardless of his strength or moral character. Such a young talent should be respected.” Liu Rushuang said seriously.

“That’s right!” Xu Yang nodded repeatedly: “Junior sister Liu, a master like Brother Dustin is very rare. I always think that he can make a surprise in the martial arts competition. It is a blessing for us to have the opportunity to make friends with such a talented person. Wan Don’t miss this opportunity!”

Making good connections in advance is an investment in the future.

Maybe today’s kindness can help me at a critical moment.

“Hmph! I won’t deliberately try to curry favor with someone!”

Liu Hongxue rolled her eyes and seemed unconcerned.

Ask her to go against her will to please someone, she can’t do it.

“Junior sister Liu, you are still too young.”

Xu Yang sighed earnestly: “What is Jianghu? Jianghu is not about fighting and killing, but about human relations. If we can make more friends, it will be beneficial to our future without any harm.”

“Making friends is not about profit, but about having similar interests. If we don’t have a common language, we can talk about everything.” Liu Hongxue was a little dissatisfied.

“Forget it, you will understand it later.” Xu Yang shook his head and said no more.

The frenzied challenge did not provoke much fluctuation.

Dustin’s victory was also expected by everyone.

After a simple greeting, everyone left one after another.

dustin also returned to the restaurant room and began to rest peacefully, not taking tonight's episode seriously.

At this moment, on an empty street.

Kuang Tide braved the rain and walked alone.

He was soaked through, and he staggered as he walked, looking a little embarrassed.
