An Understated Dominance by Marina Vittori Chapter 2160

“Hey! Are you crazy? You agreed to solve the problem, but aren’t you just adding fuel to the fire?!”

After hearing Dustin’s words, Liu Hongxue couldn’t stand it anymore and wanted to curse a few words.

They tried their best to solve Dustin’s crisis, but in the end, this guy didn’t care at all.

Not only did he not give in to Kuang Lang, but he also acted like he would do anything if he refused. This really pissed me off.

You know, once Kuang Lang gets angry, none of them combined will be an opponent.

“Boy! Do you know who you are talking to?”

Kuang Lang narrowed his eyes slightly, the murderous intent in his eyes getting stronger.

He thought to himself that he was crazy enough, but he didn’t expect that the guy in front of him was even crazier than him.

“Of course I know who you are, but I still say that your brother’s death has nothing to do with me, believe it or not.”

Dustin’s expression was calm, not afraid of threats at all.

“good very good!”

Kuang Lang suddenly smiled, but his smile was a little cold: “Boy! I admire your courage very much. For the sake of Jian Zong, I plan to give you a chance. As long as you can stop me from killing me, I will spare your life.” ,How about it?”

While speaking, he looked at Liu Rushuang and the others.

He didn't pay attention to a nobody like Dustin, but it was several disciples of the Sword Sect who made him feel quite troublesome.

Therefore, his words can be regarded as giving the Sword Sect disciples a step forward, so that the two sides will not become too tense.

Of course, if a disciple of the Sword Sect insists on going against him, he will never be polite.

"Are you so confident that you can kill me with one knife?" Chase Lu asked.

"Confidence comes from strength. To deal with someone like you, one knife is enough." Kuang Lang said coldly.

"Okay! Then I'll take a stab at you and see what you are capable of?" Dustin curled his lips.

"Brother Dustin! Kuang Lang is not a good person, you must be careful!" Yan Buqi reminded in a low voice from behind.

"Yes, Brother Dustin! Those guys on the list of geniuses are all monsters. You can't use common sense to guess. Don't hold back for a while. Use all your tricks. Just resist one blow." Xu Yang's face was filled with emotion. serious.

If he fights alone, Dustin has basically no chance of winning.

But if you only need to block the mad wave with one blow, you can think of a way to save your life as much as possible.

"Don't worry, I have my own sense of discretion."

Dustin nodded slightly and didn't say much.

Not to mention Kuanglang, even the entire Blood Madness Sect put together, he didn't take it seriously.

So what if I am number eight on the list of geniuses? He is at the top of the list of geniuses!

In terms of ranking alone, he will crush his opponents.

“Good luck!”

Liu Rushuang didn't say much, just sent four words of blessing.

With Kuang Lang's character, agreeing to only use one sword was already giving Jian Zong a lot of face.

Next, it depends on whether Dustin can withstand the pressure?

If you can block Kuang Lang's sword, then this crisis will be passed safely. If you can't block it, you will lose your life.

Although there are rules in the world, in the final analysis, the strong are respected.

Whoever is strong and has a strong fist has the right to speak.

The weak will not even have a place to redress their grievances if they don't have backstage support.

“Forget it, I'm too lazy to care about you, you can figure it out on your own!”

After Liu Hongxue said something angrily, she automatically stepped aside.

She had already reminded him what needed to be reminded. Dustin liked to ask for trouble, and there was nothing she could do about it.
