An Understated Dominance by Marina Vittori Chapter 2184

# Chapter 2184

“Boom!”

The big bronze cauldron hit the Pegasus Queen and fell heavily to the ground, causing gravel to fly and smoke to fly everywhere.

For a moment, the whole place was silent.

No one expected that the bet between the two would have such an outcome.

Dustin not only took the big cauldron’s blow head-on, he even counterattacked the big cauldron, severely injuring the horse king.

It’s simply unbelievable!

“Holy shit! Isn’t this guy so awesome? He actually kicked a 50,000-pound cauldron like a ball!”

“Be a good boy! Hitting the cauldron with one hand, this person is really hiding his secrets!”

“I have to admit that we were wrong. This young man is definitely not simple!”

After a brief silence, the whole place was in an uproar.

Everyone was shocked by Dustin’s powerful power.

The cauldron, which they couldn’t even move, was patted around like a toy in Dustin’s hands, which was really shocking.

“No...impossible...absolutely impossible!”

Looking at Ma Wang who fell to the ground and vomited blood, Niu Mang kept shaking his head with disbelief on his face: "Senior Brother Ma is born with supernatural power and has profound cultivation. How could he lose to this kid?!"

Dustin was obviously just a nobody with no family or sect, so how could he be compared with elite disciples like them from the Xuanwu Sect.

Especially a chief like Ma Wang.

He really couldn't believe that Senior Brother Ma, who was so talented, would lose to such a thing.

"You...who the hell are you?!"

Ma Wang coughed and stood up, pointing his finger at Dustin with a look of astonishment on his face.

The force that the cauldron hit just now was too great, and he couldn't stop it from the front.

If it hadn't been for the last moment to mobilize all the energy in his body to build a protective shield, he would probably not be able to stand up now.

While he was shocked, he couldn't understand why the thin and weak Dustin could actually burst out with such a powerful force?

Could it be that the other party is really born with divine power?

"Don't worry about who I am. From the look of you, I can't stand it anymore. As long as you apologize and admit that you look down on others, I will consider letting you go. How about it?" Dustin said calmly.

"fart!"

Upon hearing this, King Ma immediately became angry and shouted: "Boy! Do you think you have already won? I tell you, it's impossible!"

"Why, you want to continue the competition?" Dustin raised his eyebrows.

“Of course we will compete! The world is uncertain now, I may not lose to you!” Ma Wang said sternly.

“That’s right! Don’t be too proud, kid. My senior brother Ma has many tricks. It will be easy to defeat you!” Niu Mang waved a flag to cheer beside him.

“Oh? Really? Then I’ll wait and see.” Dustin joked.

He originally only planned to teach King Ma a lesson and let him retreat when the situation is difficult. He didn’t expect that this guy was so ignorant. Not only did he not appreciate it, he also insisted on fighting to the end.

In this case, don’t blame him for being cruel.

“Boy! You do have something. I have to admit that I underestimated you, but unfortunately, you met me...”

King Ma had a gloomy face, and as he spoke, he took out a square sandalwood box from his arms.
