

Chapter 4902

As soon as the voice fell, a gunshot suddenly sounded outside, and someone shouted:

“Hurry up and find a place to hide, we don’t know where the shot is coming from!”

Some people shot frantically and shouted loudly:

“It’s a fcuking hell, we don’t know where they are, hurry up and suppress the fire!”

“Dmn, on the west side, hurry up... Ah...”

Juarez was shocked when he heard the movement outside.

He could tell from the voice he heard that his subordinates had been surrounded and suppressed,

And the opponent not only caught them off guard but even caused them heavy losses.

As soon as he thought of those men outside, all of them were the foundation of his own life and money,

But now they were being slaughtered by unknown enemies,

Which gave him a sense of despair as his assets disintegrated rapidly.

So, he angrily pointed the gun at Charlie, and shouted hysterically,

“The person who sees you will stop immediately, otherwise I will shoot you!”

Charlie sneered, and in an instant, suddenly with a very fast Speed shot.

Just when Juarez hadn't reacted, Charlie grabbed his right wrist holding the gun and then twisted it down suddenly.

With just a click, Juarez's wrist folded back 180 degrees,

And the back of his hand is tightly attached to his forearm!

What's even more appalling is that his broken wrist joint has pierced the only skin left on his wrist,

And the white bones hanging with flesh and blood look extremely terrifying!

His bodyguards reacted instantly, and one by one they immediately took out their guns to shoot at Charlie.

But what they didn't expect was that instead of hiding,

Charlie stood and looked at them with a sneer.

The moment they aimed their guns at him, a few tongues of flame suddenly spewed from their backs,

And then, several people were beaten into a hornet's nest by bullets.

Juarez, Carson, and the others were all scared and dumbfounded.

They turned around and looked behind them. They saw more than a dozen men in black rushing in with guns.

The leader is Supreme Commander, Joseph!

Joseph instructed the other subordinates at this moment:

"Keep an eye on these people, if any of them have the intention to attack, kill them!"

Everyone immediately replied in unison: "Yes sir!"

Juarez was already frightened, but at this moment he collapsed.

Seeing that the other party had already invaded the underground operating room,

He immediately guessed that all his men who stayed outside must have been finished.

Just when he thought all this might be a nightmare,

Joseph quickly came to Charlie, and said respectfully,

“Mr. Wade, according to your orders, my subordinates have killed all the enemies outside, none left.”

Charlie asked him, “Are there any casualties among our men?”

Joseph immediately said, “Mr. Wade, Cataclysmic Front dispatched a total of 158 soldiers today,”

“No one is injured, and more No one died!”

As soon as Juarez heard this, he suddenly fell to the ground,

He looked at Charlie with horror on his face, and blurted out:

“You...are you from the Cataclysmic Front?!”

Joseph stared at him and said coldly,

“Mr. Wade is not from the Cataclysmic Front, but the entire Cataclysmic Front,”

“Tens of thousands of people, are all Mr. Wade’s!”

Juarez is already scared to death at this time!
