

Chapter 5432

Charlie waved his hand and said with a smile:

"Miss Long, anyone who wants this medicine cauldron has to start with ten billion dollars,"

"And I want the money here."

"Capital verification first, if you don't have 10 billion dollars in cash, don't open your mouth."

"What did you say?!" Romana was startled for a moment and then asked:

"10 billion dollars?! Mr. Wade, you think the money comes in with wind blows?"

"Do you know how much 10 billion dollars is?"

Charlie said with a smile: "I know, to tell you the truth, 10 billion dollars is just the starting price,"

"You take out 10 billion dollars first, We can only talk about this issue,"

"As for how much money can be discussed in the end, there is no upper limit."

Romana thought that Charlie was deliberately teasing her,

So she said angrily: "Mr. Wade, I am sincerely talking to you about business,"

"Is it really boring for you to make trouble so unreasonably?"

"Since Ms. Long thinks I'm making trouble for no reason,"

"Then we can stop this matter and ask Ms. Long not to mention the matter of the medicine cauldron from now on."

Romana didn't expect that Charlie would ever give her a chance.

Annoyed.

For her, she was seldom rejected by people in her life,

Not to mention that she came from a wealthy family., in Taizhen Dao they all walk sideways, even if the dog raised by Taizhen Dao dared to bark their teeth at Mateo,

They would never dare to stare at Romana.

But it was such a jewel in the palm of her hand, but she repeatedly hit a wall in front of Charlie, which made her really unacceptable.

So, she said to him: "Mr. Wade, why are you unwilling to sell that medicine cauldron?"

Charlie saw that although she was two years older than him, she seemed to have no social experience at all, so he decided to give her a lesson.

Immediately, he purposely looked her up and down frivolously, and said with a smile:

"A beautiful woman like Miss Long, how can I have the nerve to ask for your money?"

"Since you like that medicine cauldron, just take it."

"I don't want any money, as long as Miss Long remembers to owe me a favor."

Romana saw that Charlie's eyes were full of provocation and frivolity,

So she guessed that he was deliberately teasing her,

And her expression became colder. She said sharply:

"I'm sorry Mr. Wade, I appreciate your kindness,"

"But I never owe anyone a favor! You should make an offer!"

Charlie had already guessed that

Romana would say that, so Then he pursed his lips on purpose and said,

"Oh, Miss Long, you are talking too much, don't you?"

Romana said proudly: "I have always said something and never said anything big!"

Charlie narrowed his eyes With a smile, he said, "You'll know if I'm talking big or not."

Romana frowned: "What do you mean?"

Charlie said with a smile: "Miss Long, why don't you stretch out your hand and let me show you a palmistry?"

He smiled: "Miss Long misunderstood, I didn't mean to take advantage of you,"

"I just wanted to verify that you said that you never owed others favors, are you just bragging!"

Romana said coldly With a snort, gritted her teeth and said,

"I, Romana! I will never brag at any time!"

Charlie nodded: "Then Miss Long stretches out your hand, and you will see the result in a minute."

Romana was angry. Stretching out her hand in front of Charlie, she said coldly:

"I want to see what kind of medicine you sell in your gourd!"

Charlie smiled lightly, stretched out his hand to gently hold Romana's soft, white, and slender palm, and jokingly said:

"Miss Long's skin is really well maintained, and her little hands feel slippery."

Romana was annoyed and wanted to pull her hand back,

But she never thought that her palm was held in his palm and she couldn't move at all.

Just when she was terrified, Charlie looked at her and said with a narrow smile:

"Come, I'll give you a chance!"

After that, he poured his spiritual energy into Romana's slender white palm,

And the powerful spiritual energy poured into Romana's dantian in an instant,

Opening up all the three meridians in her body that had not been opened up in an instant!

Romana only felt a surge of masculine and powerful force pouring into her body,

And before she could cry out the pain, she felt that force rushing towards her meridians and dantian.

In the next second, she suddenly felt that the spiritual platform of the whole person seemed to be clear in an instant,

And the perception ability of the whole person had a completely new change in an instant!

She couldn't help muttering to herself: "I...why did my meridians suddenly become clear?!"

Charlie said with a smile: "Miss Long, congratulations, you are now a martial artist in the Dzogchen realm of the Ming realm!"

"What?!" Both Romana and Mateo exclaimed!

Romana regards the Great Consummation of the Ming Realm as the ultimate goal of her life,

And she never dreamed that it would be realized in an instant now.

And Mateo was terrified. He knew that Charlie was very strong,

But he didn't know that Charlie was so strong. Not only could he seal his four meridians while talking and laughing,

But he could also deal with all the three meridians that Romana had never opened up in the blink of an eye!

The simple Romana only had the excitement and joy of suddenly becoming a Dzogchen master in the Ming Realm in her mind,

And she had no time to think about what was going on.

But at this moment, Charlie suddenly used spiritual energy to re-seal the three meridians that he had just opened up,

Looked at her and said with a smile: "Oh, I'm sorry, Miss Long, I really wanted to give you a chance,"

"But I just remembered that you made it clear just now that you never owe others favors!"

"How can I make things difficult for you?"
