

# Chapter 5063

Hearing the word “Norway”, the first person that came to Charlie’s mind was Helena,

Who had just been crowned the new queen.

So, he asked Joseph:

“How far is Bergen from Oslo?”

Joseph replied, “About 400 kilometers.”

Charlie heard this and felt a little relieved.

Four hundred kilometers, it seems that the target of the mysterious organization’s operation,

This time should have nothing to do with Helena.

Immediately, he said: “Since it is flying from Cyprus,

“It is highly likely that it has nothing to do with the location of May 47.”

“It may be another batch of dead soldiers.”

After speaking, Charlie asked Joseph: “Joseph,”

“How long does it take for a Boeing 777 to fly from Cyprus to Bergen?”

Joseph hurriedly said: "Mr. Wade, wait a moment, I will check the map."

After that, he checked the computer for a while, and said,

"Mr. Wade, the distance of the flight route is about 4,000 kilometers,"

"Including take-off and landing, the whole journey is estimated to take nearly five hours."

"Five hours." Charlie nodded and muttered,

"What if I fly from New York to the Norway capital of Oslo?"

Joseph marked the distance on the map and said,

"Mr. Wade, it is about 6,000 kilometers, and the civil aviation flight takes seven and a half hours."

Charlie said lightly: "6,000 kilometers if you let the Concorde fly,"

"It will be two and a half hours. If you take a helicopter from Oslo City in an hour and a half,"

"You will be able to reach Bergen in an hour and a half..."

"It seems that there is still plenty of time."

Joseph exclaimed: "Mr. Wade, you are here. Are you planning to go to Northern Europe?"

Charlie smiled and said: "Yes, I plan to meet them, but just to be cautious,"

"I plan to use the Concorde airliner to fly to Oslo,"

“And then transfer by helicopter to Bergen, but my speed is faster,”

“And I will definitely reach Bergen one step earlier than them.”

Joseph hurriedly said: “Mr. Wade, their plane will take off in four hours,”

“And Cyprus and Syria are in a straight line. The distance is only more than 300 kilometers.”

“If your subordinates fly over from Syria, they will not be much farther than them.”

“It is better for me to rush over now and arrive in Oslo in advance to join you and help you.”

Charlie thought for a while and said: “Joseph if the other party is still acting like last time in New York,”

“They will first put the dead men in a coma, and then smuggle them to Northern Europe,”

“Which means that in addition to the people on the plane.”

“There must be support in Northern Europe, so you must not start off by stunning snakes.”

After that, Charlie said again: “However, if you really make a move at that time,”

“You really need someone to clean up the battlefield, so let’s take 20 elite soldiers.”

“Immediately prepare to take off and fly directly to Oslo first.”

“After you arrive in Oslo City, immediately disperse and hide on the spot and wait for my order.”

“If I need you to deal with the aftermath, I will contact you at that time.”

“If I do not contact you, You two will just stay in Oslo City for two days,”

“And then you will be evacuated one after another.”

Joseph said respectfully immediately:

“Okay, Mr. Wade, I will arrange it and leave immediately!”

In Charlie’s opinion, since it happened to catch up with the other party’s Actions,

Then they must go to explore the truth.

Although it is impossible for this mysterious organization and the express company under their command to know that they have been exposed,

For the sake of prudence, Charlie still intends to use Oslo City to hide the itinerary and clues.
