

# Chapter 5122

Charlie asked him: "Have you mastered the movement of this ship?"

"I have." Joseph explained: "Their registration information is very formal,"

"So the information of the ships can also be found."

"It just so happens that ISU Shipping also has ships passing through the east of Cyprus to Turkey,"

"And there are also returning ships. We have been monitoring the navigation radar data of these ships,"

"And found the position information of this ship on the navigation radar."

"It's almost halfway, and we will arrive in Limassol in more than three hours."

"Okay." Charlie nodded slightly, and asked again: "Is the speedboat prepared for me ready?"

"Ready." Joseph Said: "According to your orders,"

"A speedboat equipped with six Mercury outboard motors has been prepared,"

"With a maximum speed of 120 kilometers per hour."

Charlie immediately said: "Take me there now!"

Joseph drove Charlie to an uninhabited coastline.

At this time, a large modified pickup was parked on the beach.

The rear of the pickup was facing the direction of the sea,

And a six- to seven-meter-long thing wrapped in a black tarpaulin was attached to the back with a trailer.

Joseph lifted the tarpaulin, and a streamlined speedboat came into view.

Immediately, Joseph asked Charlie: "Mr. Wade, do you want your subordinates to go with you?"

Charlie waved his hand: "I can go by myself. You can take the helicopter,"

"To board the ship to meet other people later. Listen to my orders on the boat."

Joseph nodded, took out a backpack from the cabin, and said to Charlie:

"Mr. Wade, everything you want me to prepare is ready, and the satellite communicator is also inside. "

"Okay!" Charlie jumped on the boat, familiarized himself with the operation of this speedboat,

And said to Joseph, "Joseph, go and dump the boat into the sea."

"Okay, Mr. Wade!"

Joseph drove the pickup truck and slowly dumped the tugboat frame behind it into the sea.

As the speedboat entered the water, the entire ship floated.

Charlie started the engine, and the voice of Joseph came from the communicator, saying:

"Mr. Wade, you can reach the route of the ship by driving 130 kilometers according to the 320 directions."

"If there is no problem, you should be able to arrive at the designated location half an hour earlier."

"Okay," Charlie said to Joseph through the communicator:

"Joseph, see you in Cyprus." After that, he controlled the speedboat into the sea,

And then 180 meters above the sea. Turned at a high speed and sailed into the vast Mediterranean Sea.

After more than an hour, Charlie had already arrived at the designated location on the route map.

After he stopped the speedboat about one nautical mile off the course,

He opened the package Joseph had prepared for him and took out a waterproof black night suit from it.

Afterward, he changed into night clothes, turned off the engine of the speedboat,

And even turned off the navigation radar on the ship.

In the satellite communicator, the voice of Joseph came at this time:

"Mr. Wade, that ship is less than twenty nautical miles away from you."

"We will monitor its position in real-time and report to you in time."

About two Ten minutes later, Charlie could already see the lights of the freighter on the sea level.

After confirming with Joseph that this ship was exactly the one he was looking for,

He carried his waterproof backpack, locked the buckle in the middle of the two straps,

And stared at the ship that was getting closer and closer.

When the opponent was less than two nautical miles away from him,

Charlie used a soul-piercing blade to cut off the speedboat decisively.

When the speedboat sank into the sea, he injected spiritual energy into his feet,

And used the spiritual energy to completely blow water under his feet while standing above water.

Immediately afterward, he galloped towards the moving freighter like walking on flat ground!
